ABOUT US

SHAKTI VIJAY
MACHINERY COMPANY

We are one of the leading Manufacturer & Exporter of Machineries for different Industries such as Textile Industry (High Speed Needle Loom Machines for Narrow Fabrics), Plastic Industry (Plastic Processing Machineries/ Extrusion Lines & Rope Making Machineries and related Equipment etc.) , Work Shop Machinery (Pillar and Radial Drill Machines etc.) etc.

We Have 40 Years Of Experience for the Manufacture of High Speed Needle Loom Machines (Narrow Fabric Making Machines) and gradually started Manufacturing and Exporting of Plastic Processing Machineries, Workshop Machineries like Pillar & Radial Drill Machines etc. Our Machineries are working successfully with a remarkable number of reputed clients in India and abroad.

In the Narrow Fabric Industry, we offer the following Turnkey Projects for your ready reference and request your good self to kindly select any of the project which are more suitable and can market easily in your region, if you are searching for New Start ups or for taking diversification from the existing line of business.

We provide our complete support from the supply of Machinery, Installation and commissioning at buyer's premises, Training to locally selected operators and if required we can depute skilled and experienced Masters and operators etc. for successfully running the project to make remarkable profit.

Your inquiries will be attended promptly and replied with necessary photographs, videos and project offers etc. We would like to invite you to visit our Factory at GIDC Chitra, Bhavnagar and Navagam, Bhavnagar, Gujarat, India for personal meeting to discuss various aspects of the project and you can see and observe the quality and performance of our Machines and the finishing and quality of the products etc.
