

CareExim

Always Caring, Always Here

Based in Nagpur (Maharashtra), **Care Exim** has created a wide distribution network under the expert guidance of our management and directors. We have a sound business plan, which has helped us to achieve our aim. We do this with the support of our highly qualified team.

Know Our Vendors

Being a quality oriented company; we ensure our vendors meet aspects we have set that help us maintain standard of our products. We see the reputation, financial stability, quality of products, hygiene policies of the vendors. We select them after assessing that they can come up with quality Pharma medicines.

Our Team

Being the backbone of our company, our team works in cooperation with each other. Our team comprises :

Pharmacists & chemists

Research analysts

Quality controllers

Packaging engineers

Inventory controllers

Warehouse supervisors

Our Storage

Advanced stockpiling arrangements are gathered in order to keep an eye on availability and scarcity of raw materials and finished products. The storage area is assured with required ventilation, humid, temperature and sanitary conditions. The premises are administered by unified efforts of inventory controllers and warehouse supervisors.
