Om International Machine Tools is manufacturing, exporting & supplying Industrial Machines since 2012. We are located in Batala, Punjab. Our company is headed by next generation entrepreneur Mr. Gourav Arora, who has a rich industry experience in the domain. Owing to our superior quality, we have a vast distributing network in Nepal, Bangladesh, Kenya, Uganda, Saudi Arabia, Doha Qatar, USA, South Africa, Zambia, Oman, Bahrain, Kuwait, Vietnam, Thailand, etc.

INFRASTRUCTURE :

We have facilitated our manufacturing unit with technically sound lathe machine and equipment that enable us to manufacture machines with utmost precision. These machines are specially designed to meet the specific requirements of the clients. We have also established an advanced R&D unit that helps us in catering to the ever-growing demands of the industry.

- Lathe Machines
- Planners
- Grinding Machines
- Electronic Machines
- Shapers
- Hacksaws
- Radial Drills
- Boring Machines

QUALITY :

From the very first day of inception, we have always laid great emphasis on quality. We have implemented a well-defined Quality Management System (QMS) that involves testing every machine according to the international parameters. The Quality Assurance Division is managed by highly qualified professionals to check the Industrial Machines on parameters such as :

- Design
- Resistance to corrosion and abrasion
- Durability
- Energy efficiency
- Tolerance power
- Spontaneity
- Level of vibration and noise

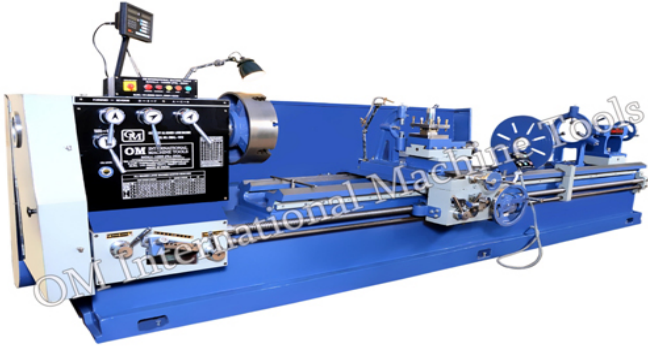

WE SERVE :

Our machines are used in a number of industrial segments such as :

- Steel Rolling Mills
- Paper Mills
- Sugar Mills
- Electronic Industry
- Railway
- Automobile Industry
- Forging Units
- Shipping Industry
- Cement Plants
- Workshops
