Amit International is a **1992** formed company engaged as a **manufacturer, importer & exporter** of Industrial Chemicals. We are famous for our supreme quality industrial chemicals such as Ammonium Chloride, Sodium Bicarbonate and Sodium Metabisulphite. We are in the Chemicals business and maintain stocks for our customers. We serve Ammonium Chloride, Sodium Bicarbonate, Sodium Metabisulphite, Ammonium Bicarbonate & Glycerine annually. We believe the biggest reason for our stable position in the industry is our high-quality chemicals. In the market full of competition, we are growing consistently by pricing our chemicals at the lowest price. Serving chemicals for a long time in the industry, we have gained great knowledge in trading products internationally. With the advantage of the best technique, resource, transportation, management, service & quality we are making our brand name Red Square a famous brand across the world.

Being a customer-conscious entity, we give full efforts to attain satisfaction of customers in a proficient way. Furthermore, we work under the command of our mentor Mr. Amit Goswami. Under his command, our entity has archived a strong foothold in the market.

Quality Standards

We believe in providing our customers with quality products and services. For ensuring the quality of the products, we offer them with specialty products which meet their specific requirement. We do not compromise on quality and have successfully achieved a high level of customer appreciation. This has resulted in long-lasting relations with the clients and large amounts of referral work.

Why Us?

We are reckoned amongst our clients and are appreciated for our client centric approach and quality assurance. Our clients in the industry prefer us for our dedication and the way we serve our clients.

Some of the points in our favor are:

- Superior quality raw materials
- Highly qualified procurement specialists
- Healthy working atmosphere
- Superior service quality
- Experienced marketing and distribution professionals
- Premium testing facility
- Complete customer satisfaction
