About Us

SBM
EXTRUSION INDIA

SBM Extrusion India (SET) is a globally recognized plastic extrusion machine **manufacturer** who specializes in die face cutter, plastic recycling pelletizing machine, vented type reprocessing plant, scrap grinder, agglomerator, pp film plant, a b a type 3 layer blown film plant, compact blown film plant HD-HDPE, LD, LLDP films, grooved feed technology, monolayer blown film plant, rotary die, synthetic string sutli plant, t-die, plastic washing machine, plastic squeezing machine, twin screw extruders pvc.

The group has over two decades as professional of rich experience in the plastic machinery.

we design our machines to be simple and focus on what's most important for plastic producers who are looking for an easy and stable operation.

Two decades of SBM Extrusion, nearly 210 machines delivered in worldwide. Headquartered in India, SBM Extrusion has focused on user-friend machines through continuous re-engineering, making extremely "Simple" for its users – Easy operation and maintenance is what makes SBM Extrusion the No.1 selling machine today.

Over the past **18 years**, more than thousands of SBM Extrusion machines have helped worldwide plastic producers to reprocess their post-industrial (in-house) waste back into high quality products in a simple and easy way.

Why Us?

We are a trustworthy and entity, engaged in providing superlative quality products. Besides, our assertion to meet specific customer's orders within stipulated time has enabled us earning the trust of large clientele.

Our key strengths are:

- ◆ Customer-oriented approach
- ◆ Timely delivery
- ◆ Cost-effective price
- ◆ Large production capacity

Nature of Business

Manufacturers, Exporters, Supplier

Number of Employees

above 30

Year of Establishment

Since 1992

Market Covered

Worldwide

Name of CEO

Mr. S. Prabhakaran

GST No

33BD0PD2268R1Z1

Annual Turnover

Rs. 5 to 25 Crore Approx.

Legal Status of Firm

Individual (Sole proprietorship)

Products

SBM
EXTRUSION INDIA

Tarpaulin Making Machine

Business Type : Manufacturer, Exporter, Supplier

Type : Tarpaulin Making Machine

Voltage : 380V, 440V

Power : 9-12kw

Location : Worldwide

Output : 100 to 400 Kgs per hour

Film Width : 4 to 12 Feet

Country of Origin : Made in India

Pet Bottle Washing Plant

Business Type : Manufacturer, Exporter, Supplier

Type : Tarpaulin Making Machine

Voltage : 440V

Capacity : 300-400kg/hr

Location : Worldwide

Power Consumption : 90hp

Machine Type : Automatic

Country of Origin : Made in India

Products

SBM
EXTRUSION INDIA

Synthetic String Sutli Plant

Business Type : Manufacturer, Exporter, Supplier

Type : Synthetic String Plant

Material : Plastic

Application : Industrial Use

Location : Worldwide

Voltage : 220-440 V

Output : 30 to 120 kg/hr

Country of Origin : Made in India

Plastic Granule Recycling Machine

Business Type : Manufacturer, Exporter, Supplier

Type : Plastic Recycling Machine

Application : Industrial

Automatic Grade : Automatic

Location : Worldwide

Power : 9-12kw

Driven Type : Electri

Country of Origin : Made in India

Products

Agglomerator Machine

Business Type : Manufacturer, Exporter, Supplier

Type : Agglomerator

Weight : 4000-5000kg

Voltage : 380V

Location : Worldwide

Driven Type : Electric

Power : 6-9kw

Country of Origin : Made in India

Hydraulic Bale Press Machine

Business Type : Manufacturer, Exporter, Supplier

Shape : Rectangular

Machine Structure : Horizontal

Machine Weight : 1000-2000kg

Location : Worldwide

Usage : Bale Press Machine

Material : Mild Steel

Country of Origin : Made in India

Products

Soft Plastic Scrap Washing Plant

Business Type : Manufacturer, Exporter, Supplier

Material : Mild Steel

Operating Mode : Semi Automatic

Loading Type : Front Loading

Location : Worldwide

Power Source : 9-12 Kw

Driven Source : Electric

Country of Origin : Made in India

Plastic Granule Recycling Plant Without Agglomeration

Business Type : Manufacturer, Exporter, Supplier

Type : Plastic Recycling Machine

Application : Plastic Granule Recycling Plant

Condition : New

Location : Worldwide

Automatic Grade : Automatic

Power : 62-112kw

Country of Origin : Made in India

Products

SBM
EXTRUSION INDIA

Two Layer Blown Film Plant

Business Type : Manufacturer, Exporter, Supplier

Type : Blown Film Plant

Application : Extruding Plastic Sheets

Voltage : 440V

Location : Worldwide

Automatic Grade : Automatic

Rated Power : 60 KW/ 81 HP

Country of Origin : Made in India
