

Established in the year 1997, Soar Electricals & Power Systems, are indulged in manufacturing, Exporting and supplying the best series of Electrical Switch, MCB and AC Boxes, Changeover Switches, Plug and Sockets, Rewirable Fuse and many more . These are largely appreciated amongst our customers for their energy efficiency, longer service life, excellent functioning, reliable performance and zero maintenance. The complete array we supply is precisely developed at our advanced production unit with the help of superior quality raw components that are procured from reliable and certified retailers of the market. Under the supervision of our mentor Mr. Vishal Kainth, the owner of the firm, we have been able to create a niche in the market.

## **SOAR**<sup>TM</sup> Soar Electricals and Power Systems

Established in the year 1997, Soar Electricals & Power Systems, are indulged in manufacturing, Exporting and supplying the best series of Electrical Switch, MCB and AC Boxes, Changeover Switches, Plug and Sockets, Rewirable Fuse and many more . These are largely appreciated amongst our customers for their energy efficiency, longer service life, excellent functioning, reliable performance and zero maintenance.
