# About Us

M/s SBM Enterprises is one of the prominent companies from Cuttack (Odisha) that deal in a variety of chemical powder and alum crystal. We are counted among the major exporters and suppliers of chemical powder and alum crystal like calcite powder, dolomite powder, lime powder, sodium silicate powder, swimming pool chemical powder, ferric alum crystals, non ferric alum crystal. All these chemicals are obtained from vendors that are duly registered and certified with the local body to supply chemicals and minerals. With an aim to meet the industrial chemical needs with perfection, we rely on a vast network of vendors, who empower us to supply reasonably priced chemicals across the global markets.

The establishment of the company took place in the year 2012, and since then it never looked back and satisfied every client that contacted M/s SBM Enterprises with bulk need. Over the years, the Proprietor of the organization viz., Mr. S.B. Mohanty has skillfully guided the organizational resources, which further contributed to creating an iconic image of the company in the marketplace.

## Vendors Base

Linked with the distinguished vendors of the industry, we have been able to come forward with an exclusive range of chemicals and minerals. Our vendors are certified chemical manufacturing companies, who comply with the laid quality norms and standards.

## Customer Satisfaction

The reason we have been surviving in the fiercely competitive market for over the years is the fact that we are able to satisfy buyers with the finest chemicals and minerals at prices that are hard to find elsewhere.

# Our Products

## CALCITE POWDER

Form	:	Powder
Packaging Type	:	Packet
Features	:	Effectiveness, Excellent Chemical Composition
Colour	:	White
Packaging size	:	10kg, 20 kg
Purity %	:	99%

### Additional Information

Min. Order Quantity	:	50 Metric Ton
------------------------	---	---------------

## DOLOMITE POWDER

Application	:	Chemical Industry
Color	:	White
Packaging	:	Plastic Pouch, Poly Bag, Pp Bags
Form	:	Powder
Calcium Carbonate	:	55%
Silica	:	1.05%

### Additional Information

Min. Order Quantity	:	50 Metric Ton
------------------------	---	---------------

# Our Products

## LIME POWDER

Application	:	Industrial
Color	:	Light Green, Light White
Packaging Type	:	Plastic Bags, Poly Bags
Features	:	Effective, Safe To Use
Whiteness	:	0-50%
Packaging size	:	10kg, 20 kg

### Additional Information

Min. Order Quantity	:	50 Metric Ton
---------------------	---	---------------

## TRICHLOROISOCYANURIC ACID

Type	:	TCC90
Application	:	Swimming Pool Water Purification
Color	:	White
Features	:	Perfect Formulation, Reasonably Priced
Packaging size	:	1-10 Kg
Purity	:	90%

### Additional Information

Min. Order Quantity	:	50 Metric Ton
---------------------	---	---------------

# Our Products

## BENTONITE POWDER

Type	:	Bentonite Powder
Material	:	Bentonite Clay
Application	:	Decorative Items, Gift Items
Color	:	Brown
Form	:	Powder
Whiteness	:	50-99%

## FERRIC ALUM LUMPS

Type	:	Ferric Alum
Use	:	Industrial
Application	:	Water Purification, Water Treatment
Color	:	White
Purity	:	99%
Form	:	Lumps
Packaging Type	:	Plastic Bag, Plastic Pouch
Features	:	High Effectiveness, Longer Shelf Life
Packaging size	:	20 Kg

### Additional Information

Min. Order Quantity	:	50 Metric Ton
---------------------	---	---------------

# Our Products

## NON FERRIC ALUM LUMPS

Type	:	Non Ferric Alum
Use	:	Industrial
Application	:	Water Purification
Color	:	White
Purity	:	90%
Form	:	Lumps
Packaging Type	:	Plastic Bag, Plastic Pouch
Features	:	High Effectiveness, Longer Shelf Life, Soluble In Water

### Additional Information

Min. Order	:	
Quantity	:	50 Metric Ton

## GRAVEL STONE

Size	:	All
Type	:	Gravel
Shape	:	Square
Application	:	Construction, Flooring
Pattern	:	Dotted
Stone Form	:	Granite, Slabs
Features	:	Antibacterial, Durable, Easy To Clean, Fine Finished

# Our Products

## PEBBLE STONE

Size	:	All
Type	:	Pebble Stone
Application	:	Countertops, Kitchen Top, Staircase
Pattern	:	Natural
Surface Finishing	:	Non Polished, Polished
Features	:	Crack Resistance, Good Looking, Stain Resistance, Washable

## SODIUM SILICATE

Type	:	Liquid Sodium Silicate
Application	:	Industrial
Purity	:	99.99%
Grade Standard	:	Agriculture Grade, Electron Grade
Form	:	Lumps
Packaging Type	:	Tin Barrel Pack
Packaging size	:	300Kg
Soluble in	:	Water

### Additional Information

Min. Order Quantity	:	50 Metric Ton
---------------------	---	---------------
