Geestar International Water Technology is a brand of Gurdeep Home Appliances headquartered in Nagpur, Maharashtra, is a multifaceted player in the water and air purification industry. Founded in 2004 by Mr. Kuljeet Singh Malli, our company has established itself as a manufacturer, exporter, wholesaler, and trader of a wide range of products dedicated to enhancing the quality of life through clean and safe water and air solutions.

◆ Diverse Products

Our diverse product portfolio includes water purifiers, water dispensers, commercial reverse osmosis systems (RO), stainless steel water coolers, HEPA air purifiers, alkaline RO plants, online chillers, and prefabricated PUF panel rooms. These products are meticulously designed and crafted to ensure the highest standards of quality, efficiency, and reliability.

◆ Advanced Technology

At Geestar International Water Technology, we are deeply committed to the well-being of our customers. We recognize the critical importance of clean water and air in maintaining a healthy lifestyle, and our products are tailored to address these fundamental needs.

◆ Purification Solutions

Our water purification solutions are engineered to remove impurities and contaminants, providing access to safe and potable water for various applications. Meanwhile, our HEPA air purifiers are designed to create an environment free from airborne pollutants, promoting better respiratory health.

◆ Our Quality

We understand that quality, consistency, and reliability are paramount when it comes to water and air purification. Thus, we adhere to stringent quality control standards at every stage, from product design and manufacturing to distribution and customer service.

◆ Our Mission

Our mission at Geestar International Water Technology is to be a trusted partner for individuals and businesses seeking dependable water and air purification solutions. We aim to contribute to a healthier and more sustainable world by providing products that make a positive impact on the well-being of our customers.

8 Litre Mexxo RO Water Purifier

SPECIFICATIONS

- > Brand Name : Geestar
- > Body Material : Plastic
- > Driven Type : Electric
- > Color : Blue
- > Condition : New
- > Automatic Grade : Automatic
- > Power Source : Electric

12 Litre Alkaline RO Water Purifier

SPECIFICATIONS

- > Business Type : Manufacturer, Exporter, Supplier, Trader
- > Brand Name : Geestar
- > Body Material : Plastic
- > Driven Type : Electric
- > Color : Black
- > Condition : New
- > Automatic Grade : Automatic
- > Power Source : Electric

12 Litre Majesty RO Water Purifier

SPECIFICATIONS

- > Business Type : Manufacturer, Exporter, Supplier, Trader
- > Brand Name : Geestar
- > Body Material : Plastic
- > Driven Type : Electric
- > Color : White
- > Condition : New
- > Automatic Grade : Automatic
- > Power Source : Electric

12 Litre Shine RO Water Purifier

SPECIFICATIONS

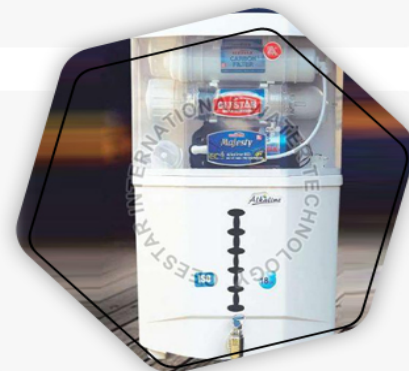

- > Business Type : Manufacturer, Exporter, Supplier, Trader
- > Brand Name : Geestar
- > Body Material : Plastic
- > Driven Type : Electric
- > Color : White
- > Condition : New
- > Automatic Grade : Automatic
- > Power Source : Electric

18 Litre Majesty Plus RO Water Purifier

SPECIFICATIONS

- > Business Type : Manufacturer, Exporter, Supplier, Trader
- > Brand Name : Geestar
- > Body Material : Plastic
- > Driven Type: Electric
- > Color : White
- > Condition : New
- > Automatic Grade : Automatic
- > Power Source : Electric

5 Stages UV Water Purifier

SPECIFICATIONS

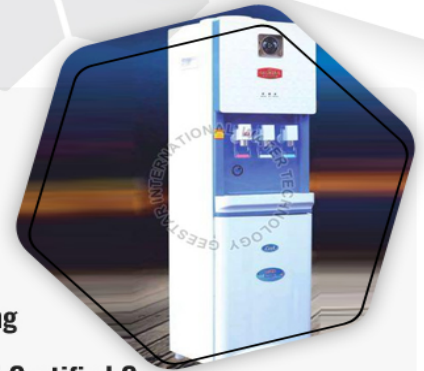

- > Business Type : Manufacturer, Exporter, Supplier, Trader
- > Driven Type: Electric
- > Brand Name : Geestar
- > Color : White
- > Automatic Grade : Automatic
- > Power Source : Electric
- > Application : Water Purifying
- > Voltage : 220V

10 Litre Hot Cold Normal Water Dispenser

SPECIFICATIONS

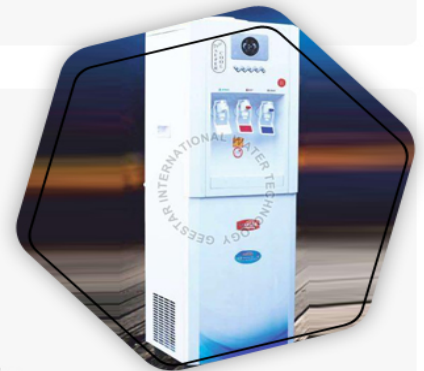

- > Business Type : Manufacturer, Exporter, Supplier, Trader
- > Brand Name : Geestar
- > Driven Type: Electric
- > Color : White
- > Condition : New
- > Application : Water Dispensing
- > Certification : ISO 9001:2015 Certified Company.
- > Capacity : 10 Litre

20 Litre Hot Cold Normal Water Dispenser

SPECIFICATIONS

- > Business Type : Manufacturer, Exporter, Supplier, Trader
- > Brand Name : Geestar
- > Driven Type: Electric
- > Color : White
- > Condition : New
- > Operating Style: Button
- > Automation Grade : Automatic
- > Application : Water Dispensing

Jumbo Commercial RO

SPECIFICATIONS

- > Business Type : Manufacturer, Exporter, Supplier, Trader
- > RO Capacity : 160 LPH
- > Brand : Geestar
- > Purification Technology: RO+UV+TDS Controller
- > Application : Office
- > Material : Mild Steel
- > Color : Red and White
- > Automation Grade : Semi-Automatic

Open Jumbo Commercial RO

SPECIFICATIONS

- > Business Type : Manufacturer, Exporter, Supplier, Trader
- > Purification Technology : RO+UV+TDS Controller
- > RO Capacity : 150 LPH
- > Brand : Geestar
- > Installation Type : Under The Counter
- > Application : Office
- > Automation Grade : Automatic
- > Features : Auto Shut-Off

Stainless Steel Water Cooler

SPECIFICATIONS

- > Business Type : Manufacturer, Exporter, Supplier, Trader
- > Brand Name : Geestar
- > Body Material : Stainless Steel
- > Color : Silver
- > Power : 15 AMPS Single Phase
- > Features : Faster Cooling, Sturdy Compressor And Trouble-free Operation, Silent Operation
- > Weight : 400-500kg

HEPA Air Purifier

SPECIFICATIONS

- > Business Type : Manufacturer, Exporter, Supplier, Trader
- > Brand Name : Geestar
- > Color : White
- > Condition : New
- > Automation Grade : Semi Automatic
- > Application : Home Use, Office Use
- > Type : Air Purifiers
- > Country of Origin : India

Alkaline RO Plant

SPECIFICATIONS

- > Business Type : Manufacturer, Exporter, Supplier, Trader
- > Brand Name : Geestar
- > Driven Type: Electric
- > RO Capacity : 200 litre/hour
- > Material : FRP
- > Automation Grade : Automatic
- > Number of Membranes in RO : 2
- > Voltage : 320 V

Online Chiller

SPECIFICATIONS

- > Business Type : Manufacturer, Exporter, Supplier, Trader
- > Brand Name : Geestar
- > Material : Mild Steel
- > Driven Type: Electric
- > Color : White
- > Operating Type : Automatic
- > Usage : Air Cooling
- > Voltage : 220V

Prefabricated Puf Panel Room

SPECIFICATIONS

- > Business Type : Manufacturer, Exporter, Supplier, Trader
- > Material : Puf Panel
- > Color : Creamy
- > Country of Origin : India
- > Built Type : Panel Build
- > Shape : Rectangular
- > Height : 10 Feet
- > Size : L-14 Ft. x W-17 Ft x H-10 Ft
