

We Bhuwal Cables™ are one of the leading manufacturer and exporter of high temperature wires and cables. Our wide range of product assortment includes Silicon Cables, PTFE Teflon Wires, VIR / TIS cables, Chloroprene Cable, Siwo Kool Cables, EPR / PCP Cable, RTD Cables, Trailing Cables, Elastomeric Composite Cables, Mining Cables, Welding Cables, Flexible Cables, Fiberglass Cables.

We Bhuwal Insulation Cable Pvt. Ltd. are one of the leading companies engaged in 1996 is manufacturing and exporting of various types of cables wires. Our wide range of product assortment includes PTFE wires, Silicon Cables, fiber glass cables, rubber cables. Company is an ISO Certified And BIS Approval. CE Mark NSIC-Crisil Rating.

Our products are manufactured as per international standards. To meet the varied requirements of our clients, we have a well equipped manufacturing unit equipped with sophisticated machines and empowered with efficient work-force. From our customer oriented approach and in-depth study of industry's trends and practices we have been able to acknowledge the needs and wants of our valuable customers and serve them with high quality of our organisation on which we have created the edifice of our success.

## Our Product Range

We Offer a wide range of durable and long lasting cable wires that fulfill various requirements of many industries. Our varied assortments include both the simplest construction to the complicated wire designs. Our range of cables can be availed with various such as flexible, multi coloured etc. We are specialized in manufacturing : Silicon Rubber Cables, PTFE\* Insula

## Quality

We follow a principle of total quality management, this enables us to bring out products that are high on quality to impart total customer satisfaction. Our products undergo a series of tests including Tensile Strength, Insulation Resistance, Conductor Resistance, Spark Testing, Elongation, Smoke Density Tests etc.

## Raw Material

We use premium quality raw materials for manufacturing our wide range of products. We procure these raw materials from leading companies. We test these materials in order to get defect free end-products.

## Why Us

We are well-established and a very well professionally managed company. Being a leading manufacturer and supplier, we are catering to various national and international clients for several years. With an effective and modern production capacity, we fulfill the various requirements of clients. Some of our business highlights are :

- Quality & durability.
- Innovative and cost-effective products.
- Products are heat & chemical resistant.
- Well-versed team.
- Strong infrastructure.
- Customize service.
- Time production and delivery.

**Ceramic Yarn**

**Silica Yarn**

**Control Cable**

**Elastomeric Rubber Cables**

**RDSO Approved Cables**

**Battery Cable**

**Festoon Cable**

**Heavy Duty Electrical Cable**

**High Temperature Cable**

**High Voltage Elastomer Cable**

**Composite Rubber Cables**

**Heater Cable**

**Trailing Composite Rubber Cables**

**Wiring Boiler Cable**

**2 Core XLPE Unarmored Cable**

**XLPE Copper Armoured Cable**

**XLPE Motor Wire**

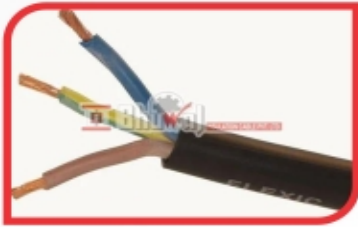

**XLPE Single Core Cable**

**EPR Insulated Cables**

**Trailing Cables for Cranes**

**Trailing Rubber Cables**

**Fire Resistant Cables**

**Fire Survival Cable**

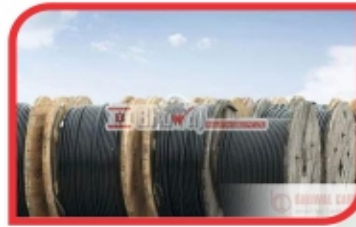

**Cable Crimp Lugs**

**Cable Cutting Stripping**

**High Voltage Welding Cables**

**Cables for Windmill Energy**

**Wind Energy Cable**

**Wind Turbine Cables**

**Windmill Cables**

**Marine Electrical Cable**

**Submarine Cable**

**3 Core HT Rubber Cables, 16 to 300 sq mm**

**3.3kv Rubber Cable**

**6.6 Kv Rubber Insulated Cable**

**6.6kv Rubber Cable**
