MACHINE & SPARES

www.machineandspares.co.in

Machine & Spares is an established organization from Delhi (India) that is engaged in the production of earthmoving equipment and hydraulic equipment spare parts. The company is known as a dependable manufacturer and supplier of JCB Loader Parts, Backhoe Loader Relief Valve, Nozzle Testers, Grey Stone Dressing Stand, Red Stone Dressing Stand, Round Stud Remover, Williams Stud Remover, Bosch Injector Puller, Delivery Valve Nozzle, Unloading Relief Valve, Oil Pressure Gauge, and Hydraulic Pump Seal Kit. The products, offered by us, are largely appreciated for their ease of installation, smooth functioning, efficient performance, sturdy make, precision design, and long service life. We entertain both medium as well as the bulk orders of the clients, thus clients can place their desired orders and rest assured for timely delivery & reasonable prices with us.

Established in the year 2006, Machine & Spares has been progressing on the path of customer satisfaction and a number of its buyers are quite satisfied with the company's offerings and services. Mohd. Avez is the esteemed Company Founder, who has been guiding the organizational resources to work for company ultimate objective i.e. customer satisfaction.

WHY US

We have been working sincerely and with sheer commitment right from our establishment in this industry, and have emerged as one of the preferred companies for buyers. However, there are certain factors that you should choose us for your requirements, viz.,

- Continuous quality improvement
- Customer-oriented approach
- Strict adherence to delivery deadlines
- Competitive product pricing
- Wide distribution network
