ABOUT US

Slach Rubbermac Private Limited is a Delhi based Manufacturer, Exporter and Supplier, renowned throughout the industry. We pride ourselves at having catered to numerous customers domestically and internationally. However, our aim is to become a popular global brand.

Manufacturing Facility

We proudly boast of having a fully equipped widely spread Manufacturing Facility. Endowed with ultramodern technologies and fully automatic sophisticated machinery, we are capable of meeting bulk requirements with ease. Our Unit successfully incorporates software and hardware components and functions smoothly. We take extra measures to ensure our facility is clean and all products are manufactured, finished and packed in hygienic conditions.

Inventory Control Management

Since we are a Manufacturer, Exporter and Supplier; keeping an inventory becomes imperative for us. Empowered by our highly sophisticated inventory management systems we are able to keep record of raw material, work-in-progress, maintenance/repair supplies and finished goods. Our system enables us to eliminate confusion and protect us from stock-out situations.
