MANAGEMENT SPEAKS

Mr. Ramesh Kakadiya

Mr. Satish Maniya

● Apart from this, there were many improvements and improvisations at our factory to optimise production.

Apart from achievements in numbers, there have been many amends in the focus and strategy of our company as a whole. We at Shish have been shifting our focus from commodity natured products to less competitive, value added products which helps us create a niche and record higher margins.

In order to achieve the same, we created 5PLY Corrugated Sheet, which we were the first ones to introduce and manufacture in India, and then attained a patent for the same. We've initiated another patent registration and have been allotted a patent pending status. Apart from Intellectual Property protections, we have, in general, been trying to move towards less competitive products; for instance the PP Bubble Sheet we manufacture is currently manufactured by only 3 more players in the entire country.

Although such products offer higher conversions, they possess a challenge at the same time. For instance, when we first offered our clients 5PLY sheet, it was

difficult to convince them of its ability to replace plywood in pellets and in many more arenas. The challenge is to create market for a product which the customers are unaware of (and asking them to pay more for its benefits). To combat this, we have been increasing focus on our sales team and channels to improve our reach.

As we move forward, it will be important to create market for our products and make them available to our customers easily. Till the time we are able to completely shift our revenue mix to these products, we will keep on manufacturing the regular offerings prevalent in the industry to keep the unit running at decent levels.

In the coming years, our company's focus will be in manufacturing less competitive and exclusive packaging products, and marketing them in both domestic and foreign markets.

I would like to finish my letter on this note by wishing the company, its employees and its shareholders good luck.

Thanks and regards

Dear Shareholders,

I'm deeply honoured to present to you our first annual report as a listed public company. Our company has completed its first year of listing on BSE SME platform on the 5th of September, 2017. Last financial year has truly been a remarkable one, marking a lot of achievements in the nascent history of Shish Industries Limited:

● Expanding our facility to record capacity of 1,000 MT Per Annum and marking the highest levels of production i.e. 771 MT, which is nearly twice as much as FY17's.

● We have also recorded stupendous revenue growth over the previous year i.e. 833 Lakhs in FY18 over 517 Lakhs in FY17.

The company's products are marketed under the brand names "Saffguard", "Stagguard", "Saffbubble" and "Thermobubble" and are primarily used in packaging industry for heavy weight products, pelletizing, etc.

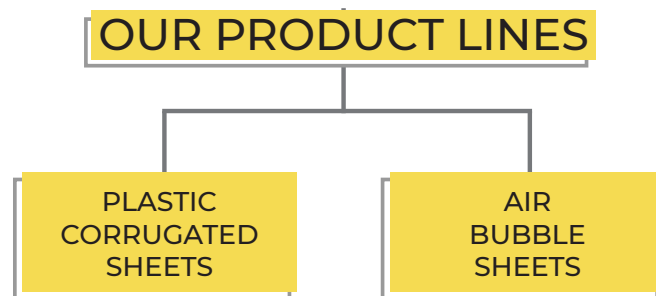

Indian Plastic Industry

Indian plastic industry produces and exports a wide range of products like plastic extruded goods, polyester films, PVC, packaging products, consumer goods, sanitary & electrical fittings, laminates and many more. The industry spans the country and hosts more than 2,000 exporters, employs about 4 million people and comprises of more than 30,000 processing units, 85-90% of which are small and medium-sized enterprises.

During the year, Indian export of plastic products increased by 17.1% to USD 8.85 billion in FY18 up from USD 7.56 billion in FY17. Major importer of India plastic products are the USA, China, the UAE and European countries. Of the total exports from the Indian plastic industry, raw materials take up 37% of these exports; plastic sheets, films and plates make 13% of exports; FIBC and woven bags form 8% of exports.

Our Products

SIL has two key product lines: Plastic Corrugated Sheets and Air Bubble Sheets & Rolls.

Plastic Corrugated Sheets

SIL manufactures majorly two types of plastic corrugated sheets namely 3 Ply corrugated sheets and 5 Ply corrugated sheets. 3 Ply sheet is the industry standard which is used enormously for packaging, floor protection, advertising, etc. The 3 Ply sheets are manufactured by a lot of large and small incumbents in the industry and are essentially a commodity product. The 3 Ply products are marketed by SIL under the brand name 'SAFFGUARD'. These are available in a variety of colours, width 5 ft X length 8 ft and thickness from 2 mm to 10 mm in 275 gsm to 2,500 gsm.

Our unique product offering in this segment is our patented 5 Ply sheet. This comparatively has higher tensile strength and is put to use in wide portfolio of industries such as automobile, steel, construction, chemical, food, etc. This sheet can be used as a superior substitute of plywood in making heavy partitions and pelletizing. SIL markets this product under the brand name 'STAGGUARD'. It can easily be printed, creased, cut, joined and is available in width 5 ft X length 8 ft and thickness ranging from 5 mm to 12 mm in 750 gsm to 4,000 gsm. We hold an exclusive patent for 5 Ply sheer under class 05-06 and also, have exclusive manufacturing rights for it until the year 2025.

Air Bubble Sheets

In this segment, SIL largely manufactures two types of bubble sheets- normal 'Air Bubble Sheets' and the unique 'PP Bubble Sheet'. We market the entire air bubble segment in automatic Italian production line using 100% LDPE plastic resin and not recycled resins. To add to it, our products are RoHS compliant (2002/95/EC).

Air bubble sheets are manufactured by numbers of small and large players, and hence are a commodity product at large. We market our air bubble sheets under the brand name 'SAFFBUBBLE', which are available in various colours. This product is also available in an insulation format, with a 10-12µm aluminium film covered on both sides. The aluminium layer reflects radiation while the air bubbles resist heat and act as a sound barrier. We market this product under the brand name 'THERMOBUBBLE'. This range is only manufactured by 3 other incumbents apart from SIL- Wim Plast (Cello), Nilkamal and Gold Coin Industries but none of these manufacture it in the width that SIL does. Our latest product in this segment is 'PP Bubble Sheet'. This sheet is different from the ordinary air bubble sheet and has very high strength compared to ordinary sheets. We manufacture this sheet in the width as high as 2.4 Meters making SIL the only company in India to do this.

Our Business

SIL's core business activities involve manufacturing and marketing of plastic packaging products, which are used in various industries and segments. The company has been in this business since inception; however, recent years have marked a change in our strategy. We, at SIL, have shifted our focus from manufacturing routine commodity products to manufacturing unique and less competitive products. This not only helps us in carving a niche for ourselves but also, in capturing higher margins. For each product range that we manufacture, we have identified or are in the process of identifying superior and less competitive products, which are not the standardised industry offering. Products like 5 Ply corrugated sheet, Thermobubble and PP Bubble sheets are a result of this strategy.

Developing and manufacturing these products aren't the only challenges that we face. Customer acceptance for these products is an even bigger challenge. To exemplify, the introduction of 5 PLY sheets demanded lots of explanation to our customers, detailing all the merits and convincing them to pay a premium for it. Our future growth, to a large extent, will be dependent on acceptability of our products in the market.

We closed FY18 with record high revenue from operations and PAT. In FY18 we recorded 8.33 Cr of revenue which was 60% higher than 5.22 Cr in FY17, at the same time profits grew from 0.08 Cr in FY17 to 0.84 Cr in FY18. This was on account of nearly 94% rise in production volumes from 398 tonne in FY17 to 771 tonne in FY18. Higher production also led to better capacity utilisation and higher EBITDA margins.

Capacity and Utilisation Data for FY15-18

Key Threats, Risk and Concerns

PRODUCT ACCEPTABILITY

Product acceptability will remain as a key challenge in the coming years. Although our objective is to move product mix towards value-added products, we will have to keep manufacturing other products to maintain optimum capacity until we achieve that.

RAW MATERIAL FLUCTUATION

Being in the plastic industry, the price of our raw material (LDPE resins) are significantly dependant on crude oil prices. Although we have the capacity to pass on the raw material price movements to our customers, it usually happens with a lag and sometimes part loss.

INTELLECTUAL PROPERTY

Our 5 Ply product may face challenges in the IP rights arena.

OUTLOOK

Moving ahead, our key focus would be on marketing our value added products and shifting the product mix towards value added products. We believe that coming years will mark good growth in terms of production and an even higher growth in profits as we optimise our production and achieve a decent output.

Internal Controls and Adequacy

The Company has in place an adequate system of internal control commensurate with its size and nature of its business. These have been designed to provide reasonable assurance that all assets are safeguarded and protected against loss from unauthorized use or disposition and that all transactions are authorized, recorded and reported correctly and the business operations are conducted as per the prescribed policies and procedures of the Company. The Audit committee and the management have reviewed the adequacy of the internal control systems and suitable steps are taken to improve the same.

Report on the Financial Statements

We have audited the accompanying financial statements of Shish Industries Ltd. ("the Company"), which comprise the Balance Sheet as at March 31, 2018, and the Statement of Profit and Loss and Cash Flow Statement for the year then ended, and a summary of significant accounting policies and other explanatory information.

Management's Responsibility for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation and presentation of these standalone financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with the Standards on Auditing issued by the Institute of Chartered Accountants of India. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected

depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Company's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of the accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India:

- (i) in the case of the Balance Sheet, of the state of affairs of the Company as at 31 March 2018;
- (ii) in the case of the Profit and Loss Account, of the profit of the Company for the year ended on that date.
- (iii) in the case of the Statement on Other Comprehensive Income, of the income of the Company for the year ended on that date.
- (iv) in the case of the Cash Flow Statement, of the cash flows of the Company for the year ended on that date.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2016 ("the Order") issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in the "Annexure B", a statement on the matters specified in paragraphs 3 and 4 of the Order.

2. As required by section 143(3) of the Act, we report that:

(a) we have obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit;

(b) in our opinion proper books of account as required by law have been kept by the Company so far as appears from our examination of those books;

(c) the Balance Sheet and Statement of Profit and Loss, Statement on Other Comprehensive Income and Cash Flow Statement dealt with by this Report are in agreement with the books of account;

(d) in our opinion, the aforesaid standalone financial statements comply with the u/s 133 of Companies Act, 2013 and Companies (Indian Accounting Standards) Rules, 2015 (“Ind AS”) as amended by Companies (Indian Accounting Standards) Rules, 2016

(e) on the basis of written representations received from the directors as on March 31, 2018, and taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2018, from being appointed as a director in terms of sub-section (2) of section 164 of the Companies Act, 2013.

(f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in “Annexure A”

(g) Without qualifying our opinion, we, on the basis of our examination of books of accounts and other documents, have found certain matters which need an emphasis as are given below:

- Loan & Advances, Creditors and Debtors balances as on 31/03/2018 are subject to the confirmation.

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

We have audited the internal financial controls over financial reporting of (‘the Company’) as of 31-Mar-2018 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls

The Company’s management is responsible for establishing and maintaining internal financial controls. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor’s Responsibility

Our responsibility is to express an opinion on the Company’s internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such

controls operated effectively in all material respects. Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. We believe that the audit evidence I/we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system over financial reporting

Meaning of Internal Financial Controls Over Financial Reporting

A company’s internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company’s internal financial control over financial reporting includes those policies and procedures that

(a) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;

(b) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and

(c) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company’s assets that could have a material effect on the financial statements

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31-Mar-2018

Without qualifying our opinion, we, on the basis of our examination of books of accounts and other documents, have found certain matters which need an emphasis as given below:

The Company was converted from M/s Shish Industries, under part IX of Companies Act, yet The company continued to use VAT and Excise registration of the Firm until implementation of GST dt.01/07/2017, and availed Input Tax credits of the said firm.

The Annexure referred to in the auditors' report to the members of Shish Industries Ltd. ("the Company") for the year ended 31 March 2018. We report that:

NOTE 1: NOTES TO ACCOUNTS:

1. SIGNIFICANT ACCOUNTING POLICIES

a) Basis of Preparation

The company has prepared and presented the financials as per reporting requirements u/s 133 of Companies Act, 2013 and Companies (Indian Accounting Standards) Rules, 2015 ("Ind AS") as amended by Companies (Indian Accounting Standards) Rules, 2016 effective from 1st April 2016 on the accruals basis. Ind AS comprises mandatory accounting standards notified under the Companies Act, 2013. Accounting policies have been consistently applied except where a newly issued accounting standard is initially adopted or a revision to an existing accounting standard requires a change in the accounting policy hitherto in use. The Management evaluates all recently issued or revised accounting standards on an ongoing basis.

b) Use of Estimates

The preparation of the financial statements in conformity with Ind AS requires the management to make estimates and assumptions that affect the reported balances of assets and liabilities and disclosures relating to contingent assets and liabilities as at the date of the financial statements and reported amounts of income and expenses during the period. Examples of such estimates include provisions for doubtful debts, future obligations under employee retirement benefit plans, income taxes, post-sales customer support and the useful lives and dismantling exps of fixed assets and intangible assets. The management periodically assesses using, external and internal sources, whether there is an indication that an asset may be impaired.

An impairment occurs where the carrying value exceeds the present value of future cash flows expected to arise from the continuing use of the asset and its eventual disposal. The impairment loss to be expensed is determined as the excess of the carrying amount over the higher of the asset's net sales price or present value as determined above. Contingencies are recorded when it is probable that a liability will be incurred, and the amount can be reasonably estimated. Where no reliable estimate can be made, a disclosure is made as contingent liability. Actual results could differ from those estimates.

c) Property, Plant & Equipment and Depreciation

Property, Plant & Equipment are carried at the cost of acquisition or construction less accumulated depreciation and imtr incidental expenses related to the acquisition and installation of the respective assets. Borrowing and incidental costs directly attributable to acquisition or construction of those Property, Plant

& Equipment which necessarily take a substantial period of time to get ready for their intended use are capitalised.

Advances paid towards the acquisition of Property, Plant & Equipment outstanding at each balance sheet date and the cost of Property, Plant & Equipment not ready for their intended use before such date are disclosed under capital work-in-progress.

Depreciation on Property, Plant & Equipment is provided using the written down value method at the rates specified in Schedule II to the Companies Act, 2013 or based on the useful life of the assets as estimated by Management. Depreciation is calculated on a pro-rata basis from the date of installation till the date the assets are sold or disposed.

d) Inventories

Raw materials are valued at their cost excluding excise duty, VAT and GST on FIFO basis.

Finished products are valued at cost (excluding excise duty, VAT and GST) or market value, whichever is less.

Semi finished products are valued at estimated cost (excluding excise duty, VAT and GST).

e) Investments

Long-term investments are carried at cost less any other-than-temporary diminution in value, determined separately for each individual investment.

f) Retirement Benefits

Retirement Benefits, are accounted on Actuarial Basis.

g) Leases

Assets taken on lease where the company acquires substantially the entire risks and rewards incidental to ownership are classified as finance leases. The amount recorded is the lesser of the present value of minimum lease rental and other incidental expenses during the lease term or the fair value of the assets taken on lease. The rental obligations, net of interest charges, are reflected as secured loans. Leases that do not transfer substantially all the risks and rewards of ownership are classified as operating leases and recorded as expense as and when the payments are made over the lease term. Any advance payments of operating leases is recognized as an expense over the economic useful life of the asset under lease.

h) Foreign currency transactions and balances

Foreign currency transactions are recorded using the exchange rates prevailing on the dates of the respective transactions. Exchange differences arising on foreign currency transactions settled during the year are recognised in the profit and loss account.

Monetary assets and liabilities denominated in foreign currencies as at the balance sheet date, not covered by forward exchange contracts, are translated at year-end rates. The resultant exchange differences are recognised as Other Comprehensive Income under the group Other Equity. Non-monetary assets are recorded at the rates prevailing on the date of the transaction.

i) Revenue Recognition

Revenue from sale of goods is recognised when significant risks and rewards in respect of ownership of products are transferred to customers. Revenue from domestic sales of products is recognised on dispatch of products to customers from the factory premises. Revenue from export sales is recognised on shipment of products.

Revenue from product sales is stated exclusive of returns, applicable trade discounts, allowances, CENVAT, VAT and GST.

Dividend income is recognised when the unconditional right to receive the income is established. Income from interest on deposits, loans and interest bearing securities is recognised on the time proportionate method.

Export entitlements are recognised as income when the right to receive credit as per the terms of the scheme is established in respect of the exports made and where there is no significant uncertainty regarding the ultimate collection of the relevant export proceeds.

j) Income Tax Expense

Income tax expense comprises current tax and deferred tax charge or credit.

Current Tax

The current charge for income taxes is calculated in accordance with the relevant tax regulations applicable to the Company.

Deferred Tax

Deferred tax charge or credit reflects the tax effects of

timing differences between accounting income and taxable income for the period. The deferred tax charge or credit and the corresponding deferred tax liabilities or assets are recognised using the tax rates that have been enacted or substantially enacted by the balance sheet date. Deferred tax assets are recognised only to the extent there is reasonable certainty that the assets can be realised in future; however, where there is unabsorbed depreciation or carry forward of losses, deferred tax assets are recognised only if there is a virtual certainty of realisation of such assets. Deferred tax assets are reviewed at each balance sheet date and is written-down or written-up to reflect the amount that is reasonably/virtually certain (as the case may be) to be realised. The break-up of the major components of the deferred tax assets and liabilities as at balance sheet date has been arrived at after setting off deferred tax assets and liabilities where the Company has a legally enforceable right to set-off assets against liabilities and where such assets and liabilities relate to taxes on income levied by the same governing taxation laws.

k) Earning Per Share

The basic earnings per share ("EPS") is computed by dividing the net profit after tax for the year by the weighted average number of equity shares outstanding during the year. For the purpose of calculating diluted earnings per share, net profit after tax for the year and the weighted average number of shares outstanding during the year are adjusted for the effects of all dilutive potential equity shares. The dilutive potential equity shares are deemed converted as of the beginning of the period, unless they have been issued at a later date. The company presents basic and diluted EPS from continuing and discontinuing operations separately.

l) Impairment of Assets

The Company assesses at each balance sheet date whether there is any indication that an asset may be impaired. If any such indication exists, the Company estimates the recoverable amount of the asset. If such recoverable amount of the asset or the recoverable amount of the cash generating unit to which the asset belongs is less than its carrying amount, the carrying amount is reduced to its recoverable amount. The reduction is treated as an impairment loss and is recognised in the profit and loss account. If at the balance sheet date there is an indication that if a previously assessed impairment loss no longer exists, the recoverable amount is reassessed and the asset is reflected at the recoverable amount subject to a maximum of depreciated historical cost.

2. CURRENT ASSET BALANCES

Balances of Sundry Creditors, Sundry Debtors and loans and advances are subject to confirmation. In the opinion of the Board of Directors, the current assets, loans and advances have a value on realisation at least equal to the amounts at which they are stated in the Balance Sheet.

3. INVENTORIES

Inventory is valued at cost (including cost for bringing the inventory to its current location and condition) or net realisable value whichever is less. Inventory as appearing in the financial statements is inclusive of duties, taxes and freight, in terms of Para 10 to 19 of Ind AS - 2, Inventories. Inventory excludes excise duty, VAT and Goods and Services Tax.

4. EVENTS OCCURRING AFTER THE BALANCE SHEET DATE

There were no such events occurred after balance sheet date which required material disclosure by the management and auditors.

5. CHANGE IN ACCOUNTING POLICY

There has been no other changes in the accounting policy, in terms of Para 14 to 21 of Ind AS - 8 (Accounting Policies, Change in Accounting Estimates and Errors).

6. PRIOR PERIOD ERRORS

During the year prior period errors had been identified and hence some adjustments were required as per Para 49 of Ind AS-8 (Accounting Policies, Change in Accounting Estimates and Errors). Prior period Errors as re-stated in the financial statements of the company when created has been altered in the matter of Depreciation for the following:

- (i) Depreciation on software was wrongly calculated more than its residual value of 5% as per Companies Act which was reversed back
- (ii) Due to Calculation mistake of Depreciation for Factory Dome in the year 2016-17 an rectified depreciation was provided in Profit and Loss A/c of ₹ 25,015/-
- (v) Due to Wrong calculations of Depreciation as above the Deferred tax as well was calculated wrongly having impact of ₹ 7014.64/- in the year 2016-17 and ₹ 716/- for the year 2017-18 before 10th May 2017

7. RECLASSIFICATION ADJUSTMENTS

Since IND AS are applicable for the first time to the company, no reclassification adjustments have been reclassified to Profitability Statement.

8. DEPRECIATION

Depreciation on fixed assets is provided using the written down value method at the rates specified in Schedule II to the Companies Act, 2013 or based on the useful life of the assets as estimated by management, whichever is higher. This policy has been continued during the current year. Depreciation is calculated on a pro-rata basis from the date of installation till the date the assets are sold or disposed. Disclosure as per Para 75-76 of Ind AS-16 (Property, Plant and Equipment) relating to dismantling cost is unascertainable. The management is unable to estimate the dismantling cost of individual assets as the same is impracticable, due to the complexity and size of the company.

9. REVENUE RECOGNITION

The Customs Duty Drawback benefits have been recognized as recommended by the Expert Advisory Committee of ICAI. In the opinion of the Expert Advisory Committee on the accounting treatment of Duty Drawback benefit, wherein it has been opined that the benefit under the Duty Drawback Scheme should be recognised as income when the exports (against which the credit has been granted) are made, provided the criteria for recognition of revenue under AS 9 have been fulfilled (query No. 28 of Vol. XX of Compendium of Opinions, page 96).

In the said opinion, the Committee has stated, inter alia, the following: “Under the facts and circumstances of the query, the Duty Drawback benefit should be recognised in the books of account when no significant uncertainties as to the amount of consideration that would be derived and as to its ultimate collection exist. In the case of drawback benefit on post-export basis when the company applies for the credit on realisation of export proceeds and the benefit is to be utilised for imports by the company, there seems to be no such significant uncertainty and, therefore, the drawback benefit should be recognised in the year in which the export was made.”

10. PROPERTY, PLANT AND EQUIPMENT

Property, Plant and Equipment are carried at the cost of acquisition or construction less accumulated depreciation. The cost of Property, Plant and Equipment includes non-refundable taxes, duties, freight and other incidental expenses related to the acquisition and installation of the respective assets as per Para 11 of Ind AS - 16, (Property Plant and Equipment). Borrowing costs directly attributable to acquisition or construction of those Property, Plant and Equipment which necessarily take a substantial period of time to get ready for their intended use are capitalised as per Para 8 of Ind AS - 8 (Borrowing Costs).

11. FOREX FLUCTUATIONS

Export Sales have been recorded at the prevailing customs rate as on the date of removal of good from the factory. The relevant debtor ledger is debited/credited with appropriate loss / profit on foreign exchange transaction when the sale proceeds are actually received as per Para 21 of AS - 21, (The Effect of Changes in Foreign Exchange Rates).

12. INVESTMENTS

Long-term investments are carried at cost less any other-than-temporary diminution in value, determined separately for each individual investment as per Para 17 of AS - 13, Accounting for Investments

13. EMPLOYEE BENEFITS

The company’s gratuity plan is not funded. The following table sets out the status of the gratuity plan as required under Para 11 of Ind AS-19 (Employee Benefits). As per expert advice obtained from M/s Raj Consultancy Gratuity is not applicable to our company and presently the company determined its employees retirement benefit as and when it occurs

14. SEGMENT REPORTING

The company is primarily engaged in the business of Corrugated Plastic Sheets , which constitute a single reportable segment in accordance with Ind AS 108 - “Segment Reporting”

15. RELATED PARTIES

20 NOTICE OF 1ST ANNUAL GENERAL MEETING

NOTICE is hereby given that the 1st (first) Annual General Meeting (AGM) of the Members of Shish Industries Limited ("the Company") will be held on Friday, November 2, 2018 at 04:00 P.M. at the registered office of the Company situated At Survey No: 265/ 266, Block No: 290, Plot No. 18 to 23, B/1 Paiki 1, Pipodara, Ta: Mangrol, Surat – 394 110, Gujarat to transact the following businesses:

Ordinary Businesses

1. Adoption of Financial Statements:

To receive, consider and adopt audited financial statement of account for the first financial year ended on March 31, 2018 and the reports of the Directors' and the Auditors' thereon.

2. Appointment of Mr. Satishkumar Maniya (DIN 02529191) as director liable to retire by rotation:

To appoint a Director in place of Mr. Satishkumar Maniya (DIN 02529191), who retires by rotation and, being eligible, seeks re-appointment.

Explanation: Based on the terms of appointment, executive directors and the non-executive directors are subject to retirement by rotation. Mr. Satishkumar Maniya (DIN 02529191), who was appointed on May 15, 2017 as Chairman and Managing Director for the current term, and is the longest-serving member on the Board, retires by rotation and, being eligible, seeks re-appointment.

To the extent that Mr. Satishkumar Maniya (DIN 02529191) is required to retire by rotation, he would need to be reappointed as such. Therefore, shareholders are requested to consider and if thought fit, to pass the following resolution as an ordinary resolution:

RESOLVED THAT, pursuant to the provisions of Section 152 and other applicable provisions of the Companies Act, 2013, the approval of the members of the Company be, and is hereby accorded to the reappointment of Mr. Satishkumar Maniya (DIN 02529191) as such, to the extent that he is required to retire by rotation.

3. Appointment of Statutory Auditor and to fix their remuneration:

Appointment of M/s. J. R. Kakadiya & Co., Chartered Accountants, Surat (FRN: 125404W) as Statutory Auditor of the Company to hold office as such from the conclusion of 1st (first) Annual General Meeting till the conclusion of 6th (Sixth) Annual General Meeting of the Company and to authorize the Board of Directors to fix their fees in consultation with the Auditor:
Explanation: Under Section 139 of the Companies

Act, 2013 ('the Act') and the Rules made thereunder, every Company shall, at the first annual general meeting, appoint an individual or a firm as an auditor who shall hold office from the conclusion of that meeting till the conclusion of its sixth annual general meeting and thereafter till the conclusion of every sixth meeting. Further, section also provides for rotation of the statutory auditors on completion of the maximum term permitted under the said section. The Company has received written consent from M/s. J. R. Kakadiya & Co., Chartered Accountants, Surat (FRN: 125404W) and also received certificate to the effect that they are eligible and qualified to be appointed as such and have not incurred any disqualification cited under Section 141(3) of the act.

In line with the requirements of the Act, the Audit Committee has proposed and the Board of Directors has recommended the appointment of M/s. J. R. Kakadiya & Co., Chartered Accountants, Surat (FRN: 125404W) as the statutory auditors of the Company to hold office for a period of five consecutive years from the conclusion of the 1st (First) Annual General Meeting of the Company, till the conclusion of the 6th (Sixth) Annual General Meeting to be held in the calendar year 2023. Accordingly, the appointment of M/s. J. R. Kakadiya & Co., Chartered Accountants, Surat (FRN: 125404W) is being placed before the shareholders for their approval by way of an Ordinary Resolution.

“RESOLVED THAT, pursuant to Section 139, 142 and other applicable provisions of the Companies Act, 2013 and the Companies (Audit and Auditors) Rules, 2014, as amended from time to time, and pursuant to the proposal of the Audit Committee and recommendation of the Board of Directors, M/s. J. R.
