SECRETARIAL AUDIT REPORT

Form No. MR-3

For the financial year ended March 31, 2019

[Pursuant to section 204(1) of the Companies Act, 2013 and Rule 9 of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014]

To,

The Members,

SHISH INDUSTRIES LIMITED

I have conducted the secretarial audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by **SHISH INDUSTRIES LIMITED** (hereinafter called 'the Company'). Secretarial Audit was conducted in a manner that provided me a reasonable basis for evaluating the corporate conducts/statutory compliances and expressing my opinion thereon.

Based on my verification of the Company's books, papers, minute books, forms and returns filed and other records maintained by the Company and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of secretarial audit, I hereby report that, in my opinion, the Company has, during the audit period covering the financial year ended on March 31, 2019, generally complied with the statutory provisions listed hereunder and also that the Company has proper Board-processes and compliance-mechanism in place to the extent, in the manner and subject to the reporting made hereinafter.

I have examined the books, papers, minute books, forms and returns filed and other records maintained by the Company for the financial year ended on March 31, 2019 according to the provisions of:

- i. The Companies Act, 2013 ("the Act") and the rules made there under as applicable;

Management Discussion and Analysis Report

INDUSTRY STRUCTURE AND DEVELOPMENTS

Plastics are among the fastest-growing industries in India, experiencing a double-digit growth rate on an average. The industry spans the country and hosts more than 2,000 exporters. It employs about 4 million people and comprises more than 30,000 processing units, 85-90 percent of which are small and medium-sized enterprises.

Some of the common plastic merchandise exported by India are:

- Plastic-moulded extruded goods
- Polyester films
- Soft luggage items
- Writing instruments
- Plastic woven sacks and bags
- Polyvinyl chloride (PVC)
- Leather cloth and sheeting
- Packaging
- Consumer goods
- Sanitary fittings
- Electrical accessories
- Laboratory / medical-surgical ware
- Fishnets
- Travelware

During H1 2018-19, India reported merchandise exports worth \$164.04 billion, up 12.5 percent from \$145.75 billion in H1 2017-18. The growth in India's plastics export has been primarily boosted by higher shipment of plastic raw materials, plastic sheet, film, plates, and packaging materials.

Chairman of Plexconcil said that "China, United States, and the United Arab Emirates continue to be top-3 destinations for India's plastics products. These three countries accounted for 27.5 percent of India's plastics product exports, by value, during H1 2018-19. We added new destination countries for plastics export which includes French Guiana, Guam, Kiribati Republic, Lesotho, Marshall Island, Mayotte, Monaco, Nauru Republic, and United States Virgin Islands".

Plexconcil executive director Sribash Dasmohapatra said that "In the first half of 2019, the trend in plastic exports from India has been very positive with a strong year-on-year growth vis-a-vis 2017-18 with August 2018 topping \$800 million. India's plastics exports in H1 2019 were boosted by higher exports, especially to North-East Asia, Africa, European Union, South Asia, and North America".

In conclusion, the Indian plastics export industry has always offered excellent potential in terms of capacity, infrastructure, and skilled manpower. Among the industry's major strengths is the availability of raw materials in the country. Thus, plastic processors do not have to depend on imports because raw materials can be manufactured domestically. This is a major advantage as it will only help towards the growth of the Indian plastic industry.

Recent Developments:

India is ready to have 18 plastic parks and Government will be investing ₹ 40 crore (US\$ 6.2 million) to increase the domestic production of plastics. This will achieve environmentally sustainable growth and increase employment.

Plastics Export Promotion Council

The Plastics Export Promotion Council (PLEXCONCIL) is the apex government body responsible for the promotion of plastic exports. PLEXCONCIL members comprise large-/medium-/small-scale manufacturers and exporters. The council supports exporters by participating in international trade fairs, exploring new markets, organizing buyer- seller meets both in India and overseas, and engaging in various other promotion and need- based activities.

OPPORTUNITIES

- **Rising Demand for Reinforced Plastics:** The global reinforced plastics market is anticipated to reach \$16 billion by the end of 2019. These plastics have been widely used in the automobile industry because they offer a great alternative to metal components. In addition, they are now gaining popularity in the construction, medical, military, and marine sectors owing to their versatility, lightweight and durability.
- Corrugated Sheets are Strong, durable and less expensive; hence it's in high demand

THREATS

- Increased Competition from Organized Players
- Changing in Government Policy

SEGMENT-WISE OR PRODUCT-WISE PERFORMANCE & DISCUSSION ON FINANCIAL PERFORMANCE WITH RESPECT TO OPERATIONAL PERFORMANCE

The company is primarily engaged in the business of Corrugated Plastic Sheets, which constitute a single reportable segment in accordance with Ind AS 108 - "Segment Reporting".

During the year under review, the revenue from operation of the Company was stood at ₹ 111,430,632 as against that of ₹ 84,554,453 for previous year. Revenue from operation of the Company was increased by 32.37% over previous year.

Profit before Tax for the financial year 2018-19 was ₹ 12,507,095 as against that of ₹ 8,458,427 making the net profit of ₹ 8,874,060 for the financial year 2018-19 as against the net profit of ₹ 6,081,037 for the financial year 2017-18.

During the year under review, export sales of the Company was increased almost by six times than that of previous year, due to which the revenue of the Company was increased. However, increase in revenue also caused increase in cost of material, interest expenses, and other operation expenses.

Although, almost 61.67% increase in the Depreciation cost on the other hand, the Company manages to maintain the industry standard rate of net profit from revenue.

OUTLOOK

The Indian plastic industry clearly has the potential to continue its fast growth. However, over the next few years, competition in the industry is expected to increase considerably, as a result of global trends, which will become applicable to the liberalizing economy of country. To survive the competition, both plastic manufacturers and processors will need to adopt radically new methods and approaches to reduce costs, improve market and customer service and management of performance.

The per capita consumption of plastics in India is well below the world average. However it also reflects the many years of growth ahead, as the country's economy continues to grow and upgrade the usage of products. Translating the expected growth rate into incremental demand, it is obvious that the country will remain one of the largest sources of additional demand for almost all kinds of plastics.

Hence, it is clear that plastics will continue to be a growth industry, with boosting prospects for fresh investments in polymerization and downstream processing capacity. This is in contrast to the situation in various other countries, where growth prospects are limited, either because of stagnant demand or due to the historical over building. In such countries, the overall outlook would be far less promising, with the key imperatives being cost cutting and capacity rationalization.

RISK AND CONCERNS

The very nature of the Company's business makes it susceptible to various kinds of risks. The Company encounters market risk and mainly operational risks in its daily business operations. The Company therefore always ensures that its entire inventory, from raw material to finished goods is insured at all times, whether under transit or at the manufacturing facilities. The risk management review framework provides complete oversight to various risk management practices and process. The framework and assessment remains dynamic and aligns with the continuing requirements and demands of the market.

INTERNAL FINANCIAL CONTROL SYSTEMS AND THEIR ADEQUACY

Internal Control system and adequacy Internal Control measures and systems are established to ensure the correctness of the transactions and safe guarding of the assets. Thus, internal control is an integral component of risk management. The Internal control checks and internal audit programmes adopted by the Company plays an important role in the risk management feedback loop, in which the information generated in the internal control process is reported back to the Board and Management. The internal control systems are modified continuously to meet the dynamic change. Further the Audit Committee of the Board of Directors reviews the internal audit reports and the adequacy and effectiveness of internal controls.

MATERIAL DEVELOPMENTS IN HUMAN RESOURCES / INDUSTRIAL RELATIONS FRONT, INCLUDING NUMBER OF PEOPLE EMPLOYED

The Company believes in establishing and building a strong performance and competency driven culture amongst its employees with greater sense of accountability and responsibility. The Company has taken various steps for strengthening organizational competency through the involvement and development of employees as well as installing effective systems for improving their productivity and accountability at functional levels. The Company acknowledges that its principal asset is its employees. Ongoing in-house and external training is provided to the employees at all levels to update their knowledge and upgrade their skills and abilities. As on March 31, 2019, the Company had total 23 full time employees. The industrial relations have remained harmonious throughout the year.

Annexure - B to the Independent Auditor's Report

We have audited the internal financial controls over financial reporting of ('the Company') as of March 31, 2019 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

The Company's management is responsible for establishing and maintaining internal financial controls. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects. Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. We believe that the audit evidence /we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that

- (a) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
- (b) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and
- (c) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2019.

NOTES TO THE FINANCIAL STATEMENT FOR THE YEAR ENDED MARCH 31, 2019

NOTE 1: NOTES TO ACCOUNTS

2. SIGNIFICANT ACCOUNTING POLICIES

a) Basis of Preparation

The company has prepared and presented the financials as per reporting requirements u/s 133 of Companies Act, 2013 and Companies (Indian Accounting Standards) Rules, 2015 ("Ind AS") as amended by Companies (Indian Accounting Standards) Rules, 2016 effective from 1st April 2016 on the accruals basis. Ind AS comprises mandatory accounting standards notified under the Companies Act, 2013. Accounting policies have been consistently applied except where a newly issued accounting standard is initially adopted or a revision to an existing accounting standard requires a change in the accounting policy hitherto in use. The Management evaluates all recently issued or revised accounting standards on an ongoing basis.

b) Use of Estimates

The preparation of the financial statements in conformity with Ind AS requires the management to make estimates and assumptions that affect the reported balances of assets and liabilities and disclosures relating to contingent assets and liabilities as at the date of the financial statements and reported amounts of income and expenses during the period. Examples of such estimates include provisions for doubtful debts, future obligations under employee retirement benefit plans, income taxes, post-sales customer support and the useful lives and dismantling expenses of fixed assets and intangible assets. The management periodically assesses using, external and internal sources, whether there is an indication that an asset may be impaired.

An impairment occurs where the carrying value exceeds the present value of future cash flows expected to arise from the continuing use of the asset and its eventual disposal. The impairment loss to be expensed is determined as the excess of the carrying amount over the higher of the asset's net sales price or present value as determined above. Contingencies are recorded when it is probable that a liability will be incurred, and the amount can be reasonably estimated. Where no reliable estimate can be made, a disclosure is made as contingent liability. Actual results could differ from those estimates.

c) Property, Plant & Equipment and Depreciation

Property, Plant & Equipment are carried at the cost of acquisition or construction less accumulated depreciation and impairment losses. The cost of Property, Plant & Equipment includes non-refundable taxes, duties, freight and other incidental expenses related to the acquisition and installation of the respective assets. Borrowing and incidental costs directly attributable to acquisition or construction of those Property, Plant & Equipment which necessarily take a substantial period of time to get ready for their intended use are capitalized. Advances paid towards the acquisition of Property, Plant & Equipment outstanding at each balance sheet date and the cost of Property, Plant & Equipment not ready for their intended use before such date are disclosed under capital work-in-progress. Depreciation on Property, Plant & Equipment is provided using the written down value method at the rates specified in Schedule II to the Companies Act, 2013 or based on the useful life of the assets as estimated by Management. Depreciation is calculated on a pro-rata basis from the date of installation till the date the assets are sold or disposed.

d) Inventories

Raw materials are valued at their cost excluding excise duty, VAT and GST on FIFO basis.

Finished products are valued at cost (excluding excise duty, VAT and GST) or market value, whichever is less.

Semi-finished products are valued at estimated cost (excluding excise duty, VAT and GST).

e) Investments

Long-term investments are carried at cost less any other-than-temporary diminution in value, determined separately for each individual investment.

f) Retirement Benefits

Retirement Benefits, are accounted on Actuarial Basis.

g) Leases

Assets taken on lease where the company acquires substantially the entire risks and rewards incidental to ownership are classified as finance leases. The amount recorded is the lesser of the present value of minimum lease rental and other incidental expenses during the lease term or the fair value of the assets taken on lease. The rental obligations, net of interest charges, are reflected as secured loans. Leases that do not transfer substantially all the risks and rewards of ownership are classified as operating leases and recorded as expense as and when the payments are made over the lease term. Any advance payments of operating leases is recognized as an expense over the economic useful life of the asset under lease.

h) Foreign currency transactions and balances

Foreign currency transactions are recorded using the exchange rates prevailing on the dates of the respective transactions. Exchange differences arising on foreign currency transactions settled during the year are recognized in the profit and loss account.

Monetary assets and liabilities denominated in foreign currencies as at the balance sheet date, not covered by forward exchange contracts, are translated at year-end rates. The resultant exchange differences are recognized as Other Comprehensive Income under the group Other Equity. Non-monetary assets are recorded at the rates prevailing on the date of the transaction.

i) Revenue Recognition

Revenue from sale of goods is recognized when significant risks and rewards in respect of ownership of products are transferred to customers. Revenue from domestic sales of products is recognized on dispatch of products to customers from the factory premises. Revenue from export sales is recognized on shipment of products.

Revenue from product sales is stated exclusive of returns, applicable trade discounts, allowances, CENVAT, VAT and GST. Dividend income is recognized when the unconditional right to receive the income is established. Income from interest on deposits, loans and interest bearing securities is recognized on the time proportionate method.

Export entitlements are recognized as income when the right to receive credit as per the terms of the scheme is established in respect of the exports made and where there is no significant uncertainty regarding the ultimate collection of the relevant export proceeds.

j) Income Tax Expense

Income tax expense comprises current tax and deferred tax charge or credit.

Current Tax

The current charge for income taxes is calculated in accordance with the relevant tax regulations applicable to the Company.

Deferred Tax

Deferred tax charge or credit reflects the tax effects of timing differences between accounting income and taxable income for the period. The deferred tax charge or credit and the corresponding deferred tax liabilities or assets are recognized using the tax rates that have been enacted or substantially enacted by the balance sheet date. Deferred tax assets are recognized only to the extent there is reasonable certainty that the assets can be realized in future; however, where there is unabsorbed depreciation or carry forward of losses, deferred tax assets are recognized only if there is a virtual certainty of realization of such assets. Deferred tax assets are reviewed at each balance sheet date and is written-down or written-up to reflect the amount that is reasonably/virtually certain (as the case may be) to be realized. The break-up of the major components of the deferred tax assets and liabilities as at balance sheet date has been arrived at after setting off deferred tax assets and liabilities where the Company has a legally enforceable right to set-off assets against liabilities and where such assets and liabilities relate to taxes on income levied by the same governing taxation laws.

k) Earnings Per Share

The basic earnings per share ("EPS") is computed by dividing the net profit after tax for the year by the weighted average number of equity shares outstanding during the year. For the purpose of calculating diluted earnings per share, net profit after tax for the year and the weighted average number of shares outstanding during the year are adjusted for the effects of all dilutive potential equity shares. The dilutive potential equity shares are deemed converted as of the beginning of the period, unless they have been issued at a later date. The company presents basic and diluted EPS from continuing and discontinuing operations separately.

l) Impairment of Assets

The Company assesses at each balance sheet date whether there is any indication that an asset may be impaired. If any such indication exists, the Company estimates the recoverable amount of the asset. If such recoverable amount of the asset or the recoverable amount of the cash generating unit to which the asset belongs is less than its carrying amount, the carrying amount is reduced to its recoverable amount. The reduction is treated as an impairment loss and is recognized in the profit and loss account. If at the balance sheet date there is an indication that if a previously assessed impairment loss no longer exists, the recoverable amount is reassessed and the asset is reflected at the recoverable amount subject to a maximum of depreciated historical cost.

3. CURRENT ASSET BALANCES

Balances of Sundry Creditors, Sundry Debtors and loans and advances are subject to confirmation. In the opinion of the Board of Directors, the current assets, loans and advances have a value on realisation at least equal to the amounts at which they are stated in the Balance Sheet.

4. INVENTORIES

Inventory is valued at cost (including cost for bringing the inventory to its current location and condition) or net realisable value whichever is less. Inventory as appearing in the financial statements is inclusive of duties, taxes and freight, in terms of Para 10 to 19 of Ind AS - 2, Inventories. Inventory excludes excise duty, VAT and Goods and Services Tax.

5. EVENTS OCCURRING AFTER THE BALANCE SHEET DATE

There were no such events occurred after balance sheet date which required material disclosure by the management and auditors.

6. CHANGE IN ACCOUNTING POLICY

There has been no other changes in the accounting policy, in terms of Para 14 to 21 of Ind AS - 8 (Accounting Policies, Change in Accounting Estimates and Errors).

7. PRIOR PERIOD ERRORS

During the year we had not found any prior period item.

8. RECLASSIFICATION ADJUSTMENTS

Since IND AS are applicable for the first time to the company, no reclassification adjustments have been reclassified to Profitability Statement.

9. DEPRECIATION

Depreciation on fixed assets is provided using the written down value method at the rates specified in Schedule II to the Companies Act, 2013 or based on the useful life of the assets as estimated by management, whichever is higher. This policy has been continued during the current year. Depreciation is calculated on a pro-rata basis from the date of installation till the date the assets are sold or disposed. Disclosure as per Para 75-76 of Ind AS-16 (Property, Plant and Equipment) relating to dismantling cost is unascertainable. The management is unable to estimate the dismantling cost of individual assets as the same is impracticable, due to the complexity and size of the company.

10. REVENUE RECOGNITION

The Customs Duty Drawback benefits have been recognized as recommended by the Expert Advisory Committee of ICAI. In the opinion of the Expert Advisory Committee on the accounting treatment of Duty Drawback benefit, wherein it has been opined that the benefit under the Duty Drawback Scheme should be recognised as income when the exports (against which the credit has been granted) are made, provided the criteria for recognition of revenue under AS 9 have been fulfilled (query No. 28 of Vol. XX of Compendium of Opinions, page 96).

In the said opinion, the Committee has stated, inter alia, the following: "Under the facts and circumstances of the query, the Duty Drawback benefit should be recognised in the books of account when no significant uncertainties as to the amount of consideration that would be derived and as to its ultimate collection exist. In the case of drawback benefit on post-export basis when the company applies for the credit on realisation of export proceeds and the benefit is to be utilised for imports by the company, there seems to be no such significant uncertainty and, therefore, the drawback benefit should be recognised in the year in which the export was made."

11. PROPERTY, PLANT AND EQUIPMENT

Property, Plant and Equipment are carried at the cost of acquisition or construction less accumulated depreciation. The cost of Property, Plant and Equipment includes non-refundable taxes, duties, freight and other incidental expenses related to the acquisition and installation of the respective assets as per Para 11 of Ind AS - 16, (Property Plant and Equipment). Borrowing costs directly attributable to acquisition or construction of those Property, Plant and Equipment which necessarily take a substantial period of time to get ready for their intended use are capitalised as per Para 8 of Ind AS - 8 (Borrowing Costs).

12. FOREX FLUCTUATIONS

Export Sales have been recorded at the prevailing customs rate as on the date of removal of good from the factory. The relevant debtor ledger is debited/credited with appropriate loss / profit on foreign exchange transaction when the sale proceeds are actually received as per Para 21 of AS - 21, (The Effect of Changes in Foreign Exchange Rates).

13. INVESTMENTS

Long-term investments are carried at cost less any other-than-temporary diminution in value, determined separately for each individual investment as per Para 17 of AS - 13, Accounting for Investments

14. EMPLOYEE BENEFITS

The company's gratuity plan is not funded. The following table sets out the status of the gratuity plan as required under Para 11 of Ind AS-19 (Employee Benefits). As per expert advice obtained from M/s Raj Consultancy Gratuity is not applicable to our company and presently the company determined its employees retirement benefit as and when it occurs

15. SEGMENT REPORTING

The company is primarily engaged in the business of Corrugated Plastic Sheets, which constitute a single reportable segment in accordance with Ind AS 108 - "Segment Reporting".

16. RELATED PARTIES

(a) The related parties where control exists are the subsidiaries, step-down subsidiaries, joint ventures and the partnership firms. There are no other parties over which the Company has control.

EXPLANATORY STATEMENT

(Pursuant to Section 102 (1) of the Companies Act, 2013 and Secretary Standard 2 on General Meetings)

Item No. 4 - Appointment of Mr. Rasik Bharodia (DIN 08514767) as Non-Executive Independent Director of the Company:

The Board of Directors has, at its meeting held on July 18, 2019, appointed Mr. Rasik Bharodia (DIN 08514767) as an Additional (Non-Executive Independent) Director of the Company with effect from allotment of a valid Director Identification Number by Ministry of Corporate Affairs, pursuant to Sections 149 and 161 of the Companies Act, 2013, read with Article 102 of the Articles of Association of the Company. Further, Mr. Rasik Bharodia (DIN 08514767) was allotted Director Identification Number on the same day and he was appointed as an Additional (Non-Executive Independent) Director of the Company w.e.f. July 18, 2019.

Pursuant to the provisions of Section 161 of the Companies Act, 2013, Mr. Rasik Bharodia (DIN 08514767) will hold office up to the date of the ensuing AGM. The Company has received notice in writing under the provisions of Section 160 of the Companies Act, 2013, from a member proposing the candidature of Mr. Rasik Bharodia (DIN 08514767) for the office of Independent Director, to be appointed as such under the provisions of Section 149 of the Companies Act, 2013.

Mr. Rasik Bharodia (DIN 08514767) has 3 years of experience in accounts and finance and general administration of the Business.

The Company has received from Mr. Rasik Bharodia (DIN 08514767) (i) consent in writing to act as director in Form DIR 2 pursuant to Rule 8 of Companies(Appointment & Qualification of Directors) Rules 2014, (ii) intimation in Form DIR 8 in terms of Companies (Appointment & Qualification of Directors) Rules, 2014, to the effect that he is not disqualified under Sub-section (2) of Section 164 of the Companies Act, 2013, and (iii) a declaration to the effect that he meets the criteria of independence as provided in Sub-section (6) of Section 149 of the Companies Act, 2013.

In the opinion of the Board, Mr. Rasik Bharodia (DIN 08514767), the Independent Director proposed to be appointed, fulfills the conditions specified in the Companies Act, 2013 and the Rules made thereunder and he is independent of the Management.

A copy of the draft letter for the appointment of Mr. Rasik Bharodia (DIN 08514767) as Non-Executive Independent Director setting out the terms and conditions is available for inspection without any fee by the members at the Company's registered office during normal business hours on working days up to the date of the AGM.

The resolution seeking the approval of members for the appointment of Mr. Rasik Bharodia (DIN 08514767) as Non-Executive Independent Director of the Company for a period up to July 17, 2024 pursuant to Section 149 and other applicable provisions of the Companies Act, 2013 and the Rules made thereunder is proposed for the approval of the Members. He will not be liable to retire by rotation.

The Board recommends the resolution set forth in Item no. 4 for the approval of the members.

No director, key managerial personnel or their relatives, except Mr. Rasik Bharodia (DIN 08514767), to whom the resolution relates, are interested or concerned in the resolution.
