*Printing Service Provider & Supplier*

# About Us

Established in the year 2006, Tarachand & Sons has created a position in the industry for offering premium services and products in New Delhi. We are specialized in providing services for Leather Printing, Bags Printing Services, Cap Printing Services, Shoe Printing Services, Sublimation Printing Services and T-Shirt Printing Services. Along with this, we also supply products like Direct Printing Stickers and Heat Transfer Machine. Under the capable guidance of Mr. Amit Saxena, the Proprietor of the company, we have climbed high ladders of success by following ethical business practices and transparent approach throughout the deals.

## Quality Assurance

We have a well-organized quality department where our quality controllers maintain a constant vigil on products that are procured from the vendors. Moreover, we also verify the quality of services rendered to the customers by knowing and updating their feedbacks.

## Team

Our team is our source of inspiration and the most important factor responsible for the fast progress of the company. Our team comprises of managers, quality controllers, warehousing agents, etc. Each and every employee at the unit is dedicated to bring the most competitive products and specialized services for the valued customers.

## Network

We have expanded over major cities in India. We are consistently in search of potential markets for the quality products and services that we offer. Some of the cities where we have our well-knitted network includes: Delhi, Mumbai, Kolkata, Punjab and Uttar Pradesh.
