ABOUT US

Manmar Industries is specialty chemical company established in 2012 as a small company to provide custom manufacturing services for chemical industry in India. Our main objective was to carve a niche for us in specialty chemicals, by providing very specific, valuable services to our customers. Ever since our inception in the year 2012, we have been manufacturing chemicals using good quality raw materials, latest technique and modern machines following the guidelines of qualified and experienced experts who have specialization in this sector. In 1983 Mr. Nandkumar Nalavade started Sujan Chemical Industries over 400 sq ft area with Trichloroacetic acid which now expanded over 30,000 sq ft area with many products in their new units, also deals over-all 400 Chemicals.

- Manmar Industries.
- Sujan Organic Industries
- Sujan Chemicals Industries

Over the past five years, Manmar Industries developed a deep knowledge base in chemical manufacturing with R & D based products. We earned valuable experience in different fields like Chlorination, Reduction, Sulfonation, Nitration, Acylation, and Bromination. We also work with job work.

Quality Policy

We, at Manmar industries, as a team are committed to fulfill customer as well as statutory requirements by enhancing maximum customer satisfaction by timely delivery of product.

Technical Cell

Company is backed with full-fledged technical cell department to make R&D and outsource the innovative products and conducts innovative trials in all the area of operations. Our lab is equipped with all kinds of instruments to carry out analysis with qualified and experienced technical team. •Mandar N. Nalavade - Marketing and Outsourcing •Jyothi M. Nalavade - Production and R&D Head

Our mission is to provide the best service to our customers:

Manmar Industries is a diversified global company, we are committed to providing innovative products and services that make lives safer, healthier and more productive. We provide agricultural chemical products solutions, development, management and maintenance for farmers, agribusinesses and food manufacturers around the globe.

Your partner in productivity:

Find out more about our customer satisfaction by visiting our website.

We make great quality products at reasonable prices and we have the best customer service on the planet

OUR PRODUCT

AMINO ACID LIQUID 60%

Business Type : Manufacturer, Supplier
Form : Liquid
Color : Black
Grade : Technical Grade

CHILLI SPECIAL LIQUID

Business Type : Manufacturer, Supplier
Usage : Agriculture
Form : Liquid
Pack Type : Bottle

GERMANIUM DIOXIDE 2.5 LIQUID

Business Type : Manufacturer, Supplier
Country of Origin : Made In India
Molecular Weight : 104.63
Form : Liquid

GERMINATOR LIQUID

Business Type : Manufacturer, Supplier
Phosphate (P2O5) : 24.00%
Potash (K2O) : 3.00%
Total Nitrogen : 9.00%; 1.00%

GRAPES SPECIAL LIQUID

Business Type : Manufacturer, Supplier
Shelf Life : 12 Months
Chemical Composition : Micro - Organism - Cells count 1×10^8 cfu/ml
Storage Condition : Keep away from direct sunlight and store in cool place.

HUMIC ACID LIQUID

Business Type : Manufacturer, Supplier
Form : Liquid
Humic Acid % : 12%
Solubiity : 100 %

OUR PRODUCT

LIQUID PH BALANCER

Business Type : Manufacturer, Supplier
Dosage : 6 ML/ Liter Of Water
Form : Liquid
Packaging Size : 200 ml

LIQUID PH BOOSTER

Business Type : Manufacturer, Supplier
Country of Origin : India
PH : >13
Purity : 99%

LIQUID SPREADER

Business Type : Manufacturer, Supplier
Form : Liquid
Grade Standard : Agriculture Grade
Packaging Type : Drum

LIQUID SULPHUR

Business Type : Manufacturer, Supplier
Country of Origin : India
Form : Liquid
Storage : Cool & Dry Place

PADDY SPECIAL LIQUID

Business Type : Manufacturer, Supplier
Features : Highly pure, Precise pH value, Accurate composition, Longer shelf life
Suitability : Suitable for paddy crops.
Special Features : Compatible with all other agrochemicals

PHOSPHORUS SALT LIQUID

Business Type : Manufacturer, Supplier
Form : Liquid
Phosphorus : 40% salt of Phosphorus
Pack Type : HDPE Container

OUR PRODUCT

PSP CHEMICAL LIQUID

Business Type : Manufacturer, Supplier
Country of Origin : India
Form : Liquid
Grade Standard : Technical Grade

SEAWEED LIQUID

Business Type : Manufacturer, Supplier
Features : No impurity, Accurate composition, Quick result
Organic Matter : 80%
Form : Liquid

STICKER LIQUID

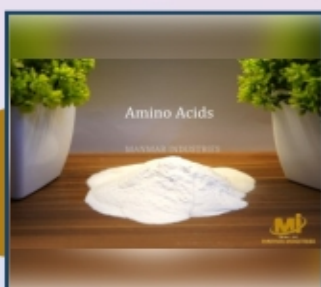

Business Type : Manufacturer, Supplier
Uses : Agriculture
Form : Liquid
Features : High shelf life, Free from contamination, Accurately composed

6-BENZYLAMINOPURINE POWDER

Business Type : Manufacturer, Supplier
Form : Powder
Color : White
Chemical formula : $C_{12}H_{11}N_5$

AMINO ACID POWDER

Business Type : Manufacturer, Supplier
Type : Amino Acid Powder
Feature : Longer Shelf Life, No Side Effect
Form : Powder

GIBBERELIC ACID POWDER

Business Type : Manufacturer, Supplier
Application : Agriculture
Form : Powder
Colour : White

OUR PRODUCT

IBA CHEMICAL POWDER

Business Type : Manufacturer, Supplier
Shape : Powder
Shelf Life : 1 years
Color : Brown

NATCA POWDER

Business Type : Manufacturer, Supplier
Form : Powder
Melting Point : 135 °C (275 °F).
Details : N-ATCA improve general health and biochemical characteristics of plant

SEAWEED POWDER

Business Type : Manufacturer, Supplier
Application : Agriculture
Color : Black
Standard : Bio Grade

HUMIC ACID FLAKES

Business Type : Manufacturer, Supplier
Color : Black
Feature : Good Quality
Form : Flakes

SEAWEED FLAKES

Business Type : Manufacturer, Supplier
Form : Powder
Country of Origin : India
Alginic Acid : 10-12%

BENTONITE GRANULES

Business Type : Manufacturer, Supplier
Form : Granules
Packaging Type : HDPE Bag
Country of Origin : India

OUR PRODUCT

BLACK SEAWEED GEL

Business Type : Manufacturer, Supplier
Type : Seaweed Gel
Cultivation Type : Organic
Color : Black

DI POTASSIUM PHOSPHITE

Business Type : Manufacturer, Supplier
Purity : 99%
Color : White
Form : Powder

SPECIAL GRADE SUGARCANE

Business Type : Manufacturer, Supplier
Form : Liquid
Grade Standard : Chemical Grade
Nutrient Contains : Nitrogen(N), Phosphorous(P), Potassium(K), Boron(B), Sulphur(S).

MONOPOTASSIUM PHOSPHITE

Business Type : Manufacturer, Supplier
Solubility in water : 2.2 g/cm³
Density : 2.14 g/cm³
Molar mass : 120.09 g/mol

ELONGATION GRAPES SPECIAL

Business Type : Manufacturer, Supplier
Form : Liquid
Vitamin : C and D
Dietary fiber : 0.9 g
