BRENOVA TABLETS

For a Head .. Ahead of the computers !!!

STRONG FORMULA

In today's competitive computer age , everywhere, let it be a school, college or an office the brain work has been increased significantly. Therefore, it is important to keep the brain sharp & fit. Thus, difficulty in memorizing things, difficulty in understanding things & unable to concentrate on the given subject or work etc. act as barrier in to your progress. Further the symptoms of weak memory , poor grasping power & weak concentration etc. are often seen in senior persons who have crossed the age of 50 years.

Keeping in the mind the above problems we have developed Brenova Tablets, which is an effective combination of herbs i.e. Brahmi , Shankhapushpi , Mandukparni & Vach , known since ages to improve memorizing capacity , ability to concentrate & grasping power.

To improve results & for convenient dosage of Brenova Tablets , we have used concentrated extracts of main herbs in to it.

Main usage of Natural Ingredients of Brenova Tablets:

- 1) Helps to improve memorizing capacity (Medhya Rasayana).
- 2) Helps to improve alertness & concentration.
- 3) Helps to improve grasping power.
- 4) Helps to relieve mental stress.
- 5) Contains Amala & Mandur Bhasma which are natural source of Vitamin 'C' and Iron and act as a tonic for brain & body as a whole.

Thus, Brenova tablet is a very useful brain tonic for the Students, Intellectuals & Persons who have crossed the age of 50 years.
