

Indo Rama

—ENGINEERS—

Indo Rama Engineers is counted amidst the renowned Manufacturers, Exporters and Suppliers of a wide variety of Pharmaceutical Softgel Capsules. Our range is inclusive of Indo-Cal Softgels Capsules, Indo-G Softgel Capsules, Indo-Cod Softgel Capsules, Indo-Fresh Softgel Capsules, Indo-LIV Softgel Capsules, Indogra Softgel Capsules, Indo-WG Softgel Capsules and many more. Our Pharmaceutical Softgel Capsules are carefully prepared using excellent quality chemical compounds in our state-of-the-art production unit. The packaging of our capsules is done using high quality materials to ensure zero contamination during transit.

Based in Himachal Pradesh (India), Indo Rama Engineers is an organization relied upon for providing pure and accurately composed Pharmaceutical Softgel Capsules. The company was incorporated in the year 2010 and has established a firm position in the global market since then.

Production Unit

We own a well-established production unit where we carefully prepare the entire array of Pharmaceutical Softgel Capsules using advanced machines. We also have all required amenities essential for the bulk production of these capsules. Moreover, we maintain complete hygiene inside the unit.

Quality : Our Prime Concern

Quality is the foremost concern of our organization. Our quality inspectors keep a stringent check on every step of production so that only impurities-free range of Pharmaceutical Softgel Capsules should be delivered to customers.

Our Facilities

- **Warehousing** : In our capacious warehouse, we store the entire lot of Pharmaceutical Softgel Capsules in a secured manner away from moisture, rain, dust and other damaging factors.
- **Packaging** : Packaging of our Pharmaceutical Softgel Capsules is done using high-grade materials to ensure zero contamination during transit.
- **Delivery** : Owing to our fast and modern transit facilities, we are able to deliver the orders within the postulated time frame.
