# About Us

**Hind Handicrafts** is a name that is known for honesty, integrity, transparency, and a well-integrated approach. We are a noteworthy manufacturer and supplier of Nautical Products, Wooden Products, Wall Mounting Holy Cross, Antique Jewelry Boxes, Antique Wood Brass Magnifiers, Antique Compass, Brass Table Bells, Brass Wood Stamps, Decorative Wall Clocks, Metal Medieval Armour Helmet, Wood Brass Paper Knives, Wood Brass Walking Sticks, Napkin Rings and several other similar products. All our products are manufactured with high quality raw material, excellent finishing, precision, and fine technology. Customers can purchase them from us at market leading prices.

Based in Bijnor (Uttar Pradesh, India), **Hind Handicrafts** is one of the preeminent manufacturers and suppliers of a wide variety of different types of wooden products and related products. **Mr. Mohammad Nasir (Owner)** is the brilliant mind behind the inception of our organization. Under his supervision, we have been able to maintain the high quality of our products till date and aim to improvise it constantly.

## Our Distribution Network

Although our distribution network is spread across the major markets of India, we operate in several other countries. USA, US, Canada, Germany, Australia, France, Spain, and U.A.E. are some of these countries.

## Our Manufacturing Unit

Our well-structured manufacturing unit helps us in producing bulk consignments timely and efficiently. Our manufacturing facility is equipped with the most advanced technology and state-of-the-art equipment.

## Warehousing

After manufacturing and packaging, we store our products at our capacious warehouse. Our warehouse is large and can store bulk consignments for any period of time. The products are safe at our warehouse until dispatch.
