MASS POLYMERS INNOVATING PLASTIC SOLUTIONS SINCE 1975

Founded in 1975 as Uday Plastic Industries in Bangalore, Mass Polymers has established itself as a leading manufacturer of high-quality plastic products. We specialize in designing, developing, and producing a wide range of solutions, including:

Luggage Beadings: For both soft and hard luggage

Tubes: Made from ABS, PP, LDPE, PC, and PVC

Diffusers: Customized to meet specific needs

Committed to continuous improvement, we've invested in state-of-the-art facilities, cutting-edge technology, and ongoing employee training. This dedication has enabled us to deliver world-class products, achieve consistent growth, and foster long-lasting relationships with our valued customers.

At Mass Polymers, we prioritize customer satisfaction and provide exceptional support throughout the entire process. Our expertise and commitment to quality ensure that we consistently exceed expectations and deliver innovative plastic solutions that meet the evolving demands of the market.

WHY US?

We constantly upgrade and improve our resources and products to keep in pace with the changing market trends. The other factors which assisted us to carve a niche in the industry are :

High quality Plastic Products

Latest machines and equipment

Diligent professionals

Customization of products available

Prompt delivery
