ABOUT US

A freight forwarding and NVOCC logistics company built around disciplined execution, practical commercial support, and strong global trade corridor connectivity.

Connecting Cargo, Corridors, and Commercial Confidence

Polaris Shipping Lines LLP is a professionally driven freight forwarding and NVOCC logistics company headquartered in Chennai, India, with strong commercial and operational links across Singapore and Malaysia. We support exporters, importers, freight forwarders, and logistics partners through practical cargo handling, responsive coordination, and execution-focused service.

Our strength lies in combining traditional shipping discipline with modern logistics responsiveness. From sea freight and air freight to SOC containers, project cargo, container trading, and multimodal cargo coordination into CIS markets, Polaris is positioned to support both straightforward cargo flows and more complex logistics requirements.

Core Capabilities

Freight forwarding and NVOCC support across major global trade lanes

Operational links across India, Singapore, and Malaysia

Capability in sea freight, air freight, SOC containers, project cargo, and container trading

Commercial handling built around practical routing and real cargo execution

Execution-First Logistics Support

POLARIS SHIPPING LINES

Built for shippers, importers, agents, and partners who need practical handling, not empty promises.

Our Mission

To provide reliable, transparent, and execution-focused logistics solutions that help exporters, importers, and freight partners move cargo confidently across global trade lanes.

Our Vision

To become a trusted logistics and NVOCC partner across India, Southeast Asia, the Middle East, Europe, the Americas, and CIS markets by combining strong operations with practical commercial service.
