# SHREE BARAH KHAMBA STONES

One of the renowned names in the industry, Shri Barakhamba Stone is engaged in offering excellent quality stones in the market. We are a notable supplier of superior quality stones such as marble, granite, sandstone, south Indian granite and several other stones that are used in luxurious houses, offices, and various architectural projects. We source our products from our trusted vendors, who are carefully selected by our quality auditors. Also, our quality controllers check the quality of the products on various quality parameters before procuring them from our vendors. Our products are known for excellent quality and economical prices in various stone markets. Our distribution network is spread in major states of India.

Situated in Noida (Uttar Pradesh, India), Shri Barakhamba Stone is a reputed company known for supplying high quality stones such as Green Marble, Jade Green Marble, Rajshree Red Granite, Bansi Paharpur Sandstone, Gwalior Mint Sandstone, Zed Black Granite, Shabar Ali Granite and various other stones. The company was established in the year 2008. It is operating under the guidance of the diligent mentor of the company.

## OUR DISTRIBUTION NETWORK

We distribute our products within the major markets of Noida as well as across India. We have a logistics team that supervises a safe transportation of our products to the markets.

## OUR WAREHOUSING

We are backed by a well-structured warehousing unit. It is a large and spacious warehouse, which helps us in storing our products safely until dispatch. The warehousing unit is controlled by professionals, who maintain a suitable temperature at the warehouse to keep the products harm-free and undamaged.
