

Imperial Porcelain

PRIVATE LIMITED

Imperial Porcelain Private Limited is an accredited manufacturer, exporter, and supplier of a variety of insulators and bushings of both porcelain and polymer type. The range we offer encompasses disc insulators, guy strain insulators, insulator bushings, pin insulators, post insulators, and shackle insulators. Our offerings are designed and precisely engineered at our own facility. For us, satisfied and loyal clientele is all a company needs to flourish in the market. Thus, we lay special emphasis on our production techniques, supply chain, quality parameters and above all the details that clients share with us. When you get associated with us, we assure streamlined trade operations. Incorporated in 2004, Imperial Porcelain Private Limited has be

ABOUT US

Imperial Porcelain Private Limited is an accredited manufacturer, exporter, and supplier of a variety of insulators and bushings. The range we offer encompasses disc insulators, guy strain insulators, insulator bushings, pin insulators, polymer insulators, post insulators, and shackle insulators. Our offerings are designed and precisely engineered at our own facility. For us, satisfied and loyal clientele is all a company needs to flourish in the market. Thus, we lay special emphasis on our production techniques, supply chain, quality parameters and above all the details that clients share with us. When you get associated with us, we assure streamlined trade operations.

Incorporated in 2004, Imperial Porcelain Private Limited has been winning the trust of clients through its precise and prompt solutions. The company is headquartered in Rajasthan, India and it operates with a wide network of distributors and vendors in the global marketplace. We are an ISO 9001:2015 certified firm and conduct our business operations in accordance with the stated norms.

Our Vision

A global leader that provides continually innovating products & systems to deliver exceptional customer values committed to promote integrated responsible behavior and value for social and environmental well-being.

Our Mission

To deliver superior value to our customers, shareholders, employees and society at large by optimum utilization of resources, adopting highest ethics, standards and sustainable environment friendly procedures and practice.

Core Values

- Passion
- Commitment
- Team work
- Customer satisfaction
- Honesty
- Transparency
- One step ahead always

Choose us because :

- We keep our clients up-to-date through regular product catalogs
- We strive to keep the best-of-breed technology to develop top-notch product range
- We assure on-time shipments
- We can be relied for entertaining tailored product development, packaging and labeling needs

Disc Insulators

Material	:	Porcelain
Profile	:	Normal & Anti fog
Mechanical Strength	:	Up to 160 Kn
Creepage Distance	:	Up to 430mm
Applicable Standards	:	IS 731-1971, IEC-383

Guy Strain Insulators

Material	:	Porcelain
Application	:	transmission line, Power line
Features	:	Easy To Install, Four Times Stronger
Rating	:	For use upto 33kV
Designation	:	Type A, B & C
Applicable Standards	:	IS : 5300/1969

Pin Insulators

Material	:	Porcelain
Color	:	Brown
Warranty	:	1 year
Rating	:	Up to 33 KV
Mechanical Strength	:	10 kN
Creepage Distance	:	Up to 1050mm

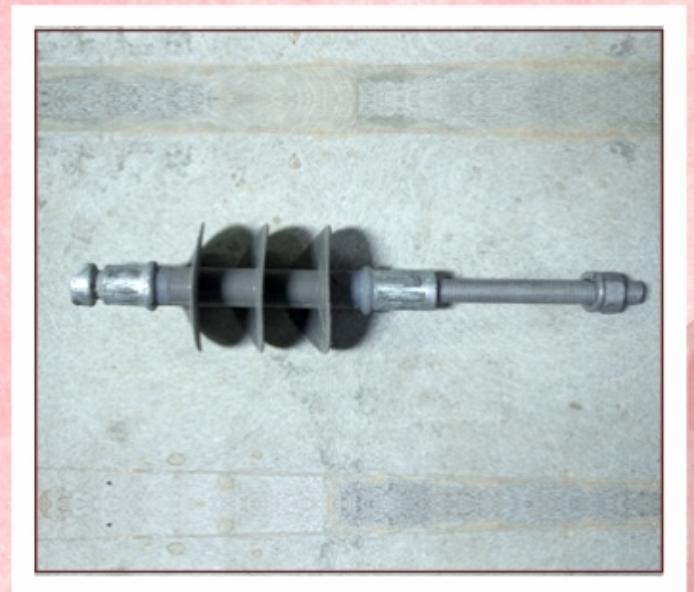

Polymer Disc Insulator

Material	: Polymer
Shape	: Disc
Application	: Control Panels
Tensile Strength	: up to 70 KN
Features	: Easy To Install, Sturdy Construction
Warranty	: 1 year
Temperature	: High Temperature

Polymer Pin Insulator

Material	: Polymer
Colour	: Light Grey/grey
Rating	: up to 33 KV
Bending strength	: up to 10 KN
Creepage distance	: up to 900 cd

Post Insulators

Tensile Strength	:	up to 10 KN
Warranty	:	1 year
Rating	:	Upto 36 kV outdoor
pedestal type	:	
Creepage Distance	:	Upto 1100 mm
Applicable Standards	:	IS : 2544 - 1973

Shackle Insulators

Rating	: For use in LT lines.
Types	: As per customer requirement.
Size	: Various sizes
Applicable Standards	: IS : 1445 - 1977
Warranty	: 1 Year

Polymer Post Insulator

Tensile strength	: up to 10 KN
Creepage distance	: up to 900 mm
Colour	: Light Grey/grey

Insulator Bushings

Material	:	Porcelain
Color	:	Brown
Tensile Strength	:	0-25Mpa
Features	:	Easy To Install
Warranty	:	1 year
Temperature	:	High Temperature
