

Alpha Chemika

ISO 9001 Quality System Certified Organization

Alpha Chemika is one of the leading lab chemicals exporter, lab chemical manufacturer, lab chemical supplier and lab chemical distributors in India. we have a wide range of chemicals that we manufacture and supply around the world. With years of experience in the field , today Alpha Chemika is the biggest silver nitrate manufacturers, iodine manufacturers and pH Indicators manufacturers in India. Making deals worldwide and having a long list of clients abroad Alpha Chemika is today familiar as laboratory chemicals suppliers in Mumbai. We are a leading potassium iodide suppliers, cedarwood oil suppliers and perchloric acid suppliers.

Lab Chemical Manufacturers India

Alpha Chemika is a leading lab chemical manufacturers India and laboratory chemical supplier in India. When it comes to quality, Alpha Chemika provides only the best quality of chemical; we are one of the major mercuric chloride, mercuric sulphate and potassium iodide manufacturers in India. We are also one of the leading mercuric oxide suppliers. We are also mercury iodide suppliers, ammoniated mercury suppliers and mercuric nitrate suppliers. Additionally we are also ion pair reagent suppliers and iodide supplier in India, silver nitrate suppliers in India. You can order laboratory chemicals online. Buy the mercuric chloride on exporterlabchemicals.com

With the development of the science and technology there is a huge increase in demand for the chemicals in India. Alpha Chemika is one of the leading mercuric chloride manufacturers in India.
