ABOUT US

ENVI-Q ENGINEERING PRIVATE LIMITED is based out in Chennai (Tamil Nadu, India). The company was established in the year 2012; since then, it is being managed by our mentor, Mr. Gokula Krishnan (Owner).

QUALITY ASSURANCE

Being a quality-conscious organization, we are engaged in providing a range of best quality machines to the clients. We check all our machines for quality and maintain a strict zero-tolerance quality policy to ensure that our clients receive defect-free products.

PACKAGING AND DELIVERY

We have marked a distinction for making timely deliveries of all the consignments. We have our contacts with reliable transporters who help us ensuring that the products are delivered on time with no loss of quality in transportation. In addition, we also offer various packaging options.

AFTER SALE SERVICE

We emphasise on client satisfaction, which is our foremost priority. Hence, we offer dedicated after sale services that a very few in the industry do. We are all ears towards the grievances of the clients and resolve them within the minimal amount of time.

VISION STATEMENT

To be a Leader in Engineering and Project Execution with a Focus of Customer Satisfaction and without Quality Compromisation.
