One of the most faithful companies that brings forth highest quality, tough, stiff and reasonably priced Engineering Polymers is Apex Polymers. We are a famous company, having a wide set up in the 'City of Celebrities' that is Mumbai, Maharashtra (India). The company is producing and supplying Nylon and PTFE Products from more than two decades now. Over the years, the company has attracted a large number of customers with its quality offerings and timely service. Growth and satisfaction of customers, are two things the company focus more upon which is why it has hired experienced employees, who with their knowledge and devotion towards work will make this company grow and garner a huge customer base.

Products We Offer

Apex Polymers is a known name in the Industry of Polymers, which specializes in manufacturing and supplying below mentioned products:

- ◆ Nylon Products
- ◆ Nylon Rods
- ◆ Nylon Sheets
- ◆ PTFE Products
- ◆ PTFE Balls
- ◆ PTFE Bellows
- ◆ PTFE Oils Seals
- ◆ PTFE Ring Gaskets
- ◆ PTFE Rods
- ◆ PTFE Sheets
- ◆ PTFE Thread Seal Tape
- ◆ PTFE Tubes

Nature of Business	Exporter, Manufacturer, Wholesaler and Supplier
Year of Establishment	1996
Working as An Original Equipment Manufacturer	Yes
No. of Production Units	02
Production Type	Automatic
Warehousing Facility	Yes
No. of Employees	20
Company Branch	01
GST No.	27AAGFA4834N1Z5
Annual Turnover	Rs. 20 Crore
Annual Sales (in USD)	1.5- 2.5 million US\$
Market Covered	Kenya, Nigeria, Mauritius, Sri Lanka, Bangladesh, Indonesia & Philippines

PEEK ESD- Black

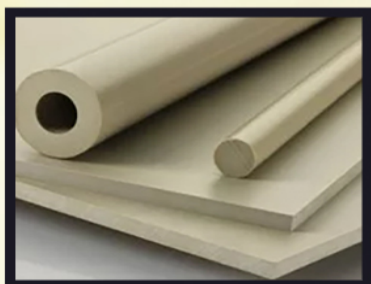

**X-RAY Detectable Bio
Compatible PEEK**

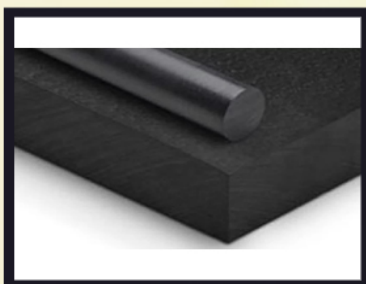

PEEK Medical White Rod

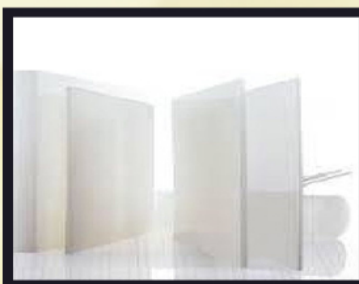

PEEK Medical (Bio-Compatible)

PEEK (Unfilled -100% Virgin)

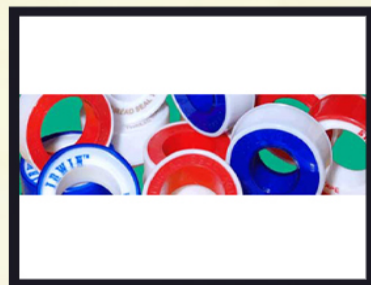

**PVDF ELS Black (Modified -
Carbon Filled)**

**FEP (Fluorinated Ethylene
Propylene)**

PTFE Envelop

PTFE Thread Seal Tape

PTFE Rods

PTFE Sheet- Skiving (Flexible)

PTFE Flexible Tubing

PTFE Sheets

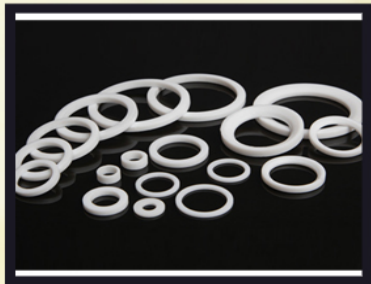

PTFE Bush (100 mm L)

PTFE Tubes

PTFE Cut Gasket

PTFE O Rings

PTFE Rings

PTFE Rope

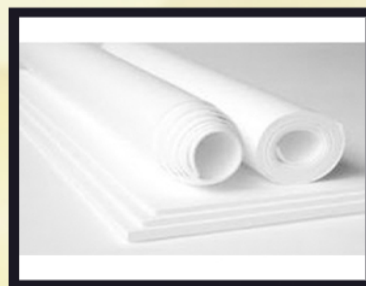

PTFE Skived Sheets

PTFE Strips

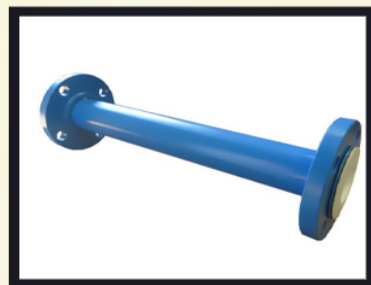

PTFE Tapes

Expanded PTFE Sheet

PTFE Solid Ring Gasket

PTFE Pipe

PTFE Moulded Rod

White PTFE Scrap

**100m Brown PTFE Fiber
Glass Cloth**

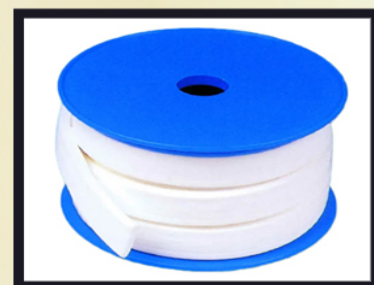

PTFE Universal Rope

PTFE Gland Packing

Brown PTFE Fiber Glass Cloth

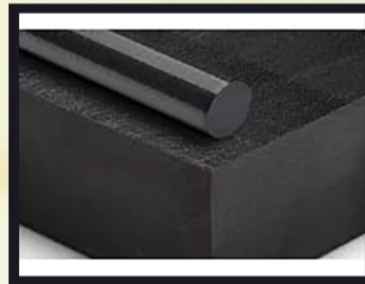

PTFE Flex O Seal

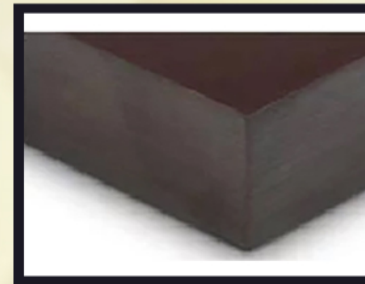

4 MM Polypropylene Sheet

**PPS -SE - Modified For
Semiconductor Industry**

**PPS Modified Filled With
10% Carbon 10% PTFE
And 10% Graphite**

**PAI (Poly Amide Imide)
30 % Glass Fibre Filled**

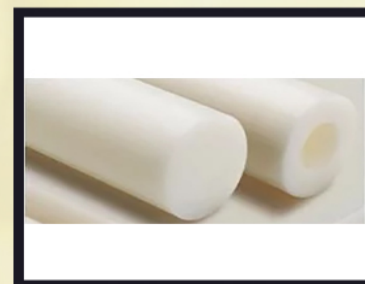

**PI (Polyimide) With 15 %
MOS2**

**PI (Polyimide) With 15 %
Graphite**

**Plastics For Orthotics
And Prosthetics**

**PA 6 (Nylon 6) Natural -
EXTRUDED**

**PA 6 (Nylon 6) 30%
Glass Fibre Reinforced**

PA 6 Cast Nylon MODIFIED

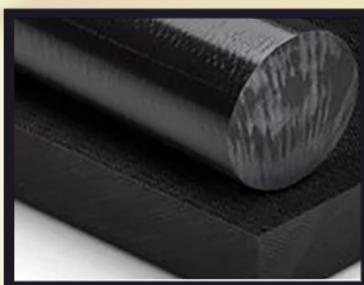

PA 6 (Nylon 6) Cast LUBRICATED

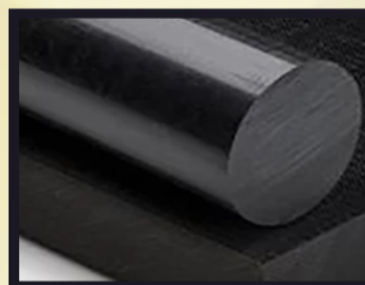

**PA 6 (Nylon 6) NATURAL
Modified For Flame Resistance**

PA 66 Unfilled Nylon Sheet

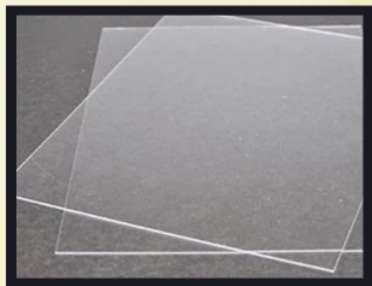

**PA 66 (Nylon 66) Filled
With 30% Glass Fibres**

PA 66 (Nylon 66) With MOS2

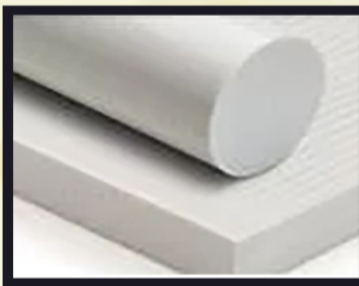

PA 12 (Nylon 12) Sheet

PET G (PolyEthylene Terephthalate Modified With Glycol)

PET With PTFE

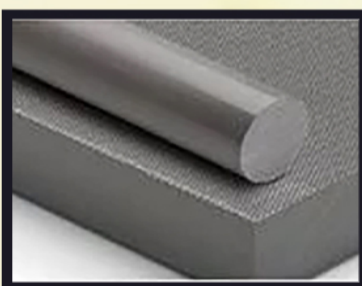

PBT (Polybutylene Terephthalate) 30% Glass Fibre Reinforced

Detectable FOOD GRADE PBT Polyester

PolyPropylene Homo Polymer (PPH)

ABS (Acrylonitrile Butadiene Styrene)

PPE 30GF Filled With 30% Glass Fibres

Poly Vinyl Chloride Sheet

Poly Vinyl Chloride Rod

Bakelite Rod

Bakelite Sheet

PTFE Gasket

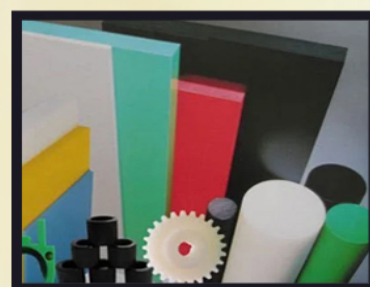

White PVDF Rod

Ultra High Molecular Weight Polyethylene Rod

Ultra High Molecular Weight Polyethylene Sheet

Cast Nylon Rod

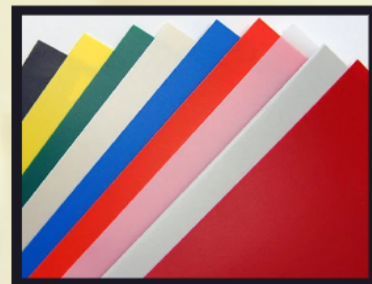

Polyurethane Sheet

Polyurethane Bushes

**High Density Poly
Ethylene Rod**

**High Density Poly
Ethylene Sheet**

Polypropylene Rod

Polypropylene Sheet

Polyacetal Sheet

Polyacetal Rod

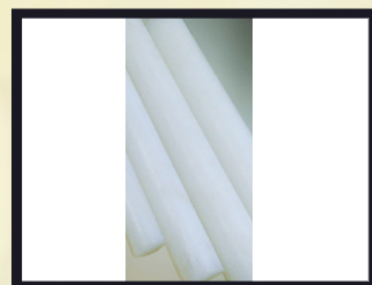

Nylon Rod

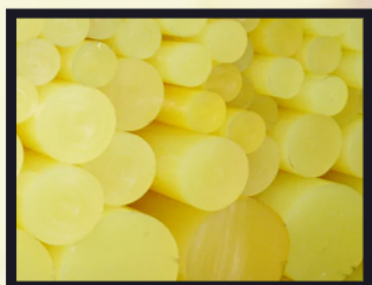

Nylon Sheet

Cast Nylon Sheet

Nylon Rods

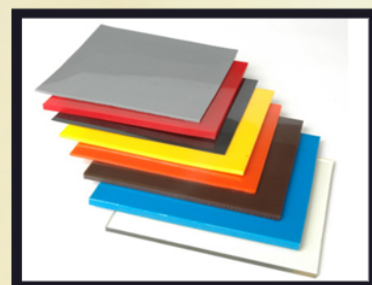

Polyurethane Rod

4mm Polypropylene Sheet

Bakelite Brown Rod

Polyurethane Sheets
