Incepted in the year 1800, in the city of Mumbai, Maharashtra, Datu Manji Padamshi Surmawala is registered under SSI processor of Herbal Products. We are one of the foremost Manufacturers, Exporters & Suppliers of Surmas, Kajal and Eye Drops. Under the guidance of honorable Managing Partner Mr. Arif, company initiated its production of high quality herbal products. The company was founded by Mrs. Ratanbai, very educated lady and a specialist in the domain of Herbal Medicines. She was affectionately known as BUDHIMAI (Old and learned Lady), that is why our products are available under the brand name of BUDHIA ". This business passed down from generation to generation within the family only, incorporating new innovative range with unmatched quality standards.

Infrastructure : Our company has gained immense respect from the past two centuries in offering the herbal Surmas, Kajal and Eye Drops. Our commodious infrastructure has been a great asset in the processing of these products, our infrastructure includes:

- SSI manufacturing unit
- Effective tools and up to date machinery for herbal products
- Large production capacity for herbal range
- Warehouse & packaging facility
- Backup power

Our Team : Our dexterous team of highly qualified and experienced professionals comprises of herbal experts, experienced professionals, quality controllers, researchers, packaging experts and sales and marketing personnel, who vitally assists in executing all business activities properly. Their in-depth knowledge regarding the formulation and processing of herbal products has helped us in delivering nothing less than the best quality for our prestigious clients.

Why Us? We are constantly serving the market with quality range of herbal products since two centuries, which has significantly helped us in gaining expertise in this domain. We have managed to mark our existence in the global market due to :

- Natural range of herbal products
- Unbeatable experience of two centuries
- SSI manufacturing unit
- Wide distribution network
- Competitive price strategy

Our company follows certain guidelines ensuring optimum satisfaction of the esteemed clients. These guidelines include unmatched quality, safe packaging, timely deliveries and those too at most affordable rates for our respected clientele.
