

LAXMI INDUSTRIES

LAXMI INDUSTRIES

OUR PRODUCT

- Automatic Side Sealing Bag Making Machine
- Center Seal Pouch Making Machine
- Automatic Double Decker Sealing and Cutting Machine
- More...

is a premier company engaged in Manufacturing and Supplying of Bag Making Machines. Our prime activity is producing an assorted range of machine namely Automatic side sealing bag making machine, Center Seal pouch Making Machine, Automatic Double Decker Sealing, Single Die H.M. Machine, Double Die H.M. Machine, Polypropylene Making Machine and more.

About Us

Since 1986, we have been manufacturing and supplying in Packaging Making Machines in the nationwide markets. Located in New Delhi, we operate our business related matters under the supervision of Mr. Jagdish Singh, CEO of the company. We maintain superior record of accomplishment in producing high quality Industrial Machines, providing latest technology, and customers satisfaction. Possessing genuine and flawless quality in our product, we have come in the top slot of our customers list.

● Infrastructure

Backed by the robust infrastructure, we are able to manufacture Packaging Machine in bulk quantities, thereby meeting the immediate requirements of the clients. We imply cutting-edge technology to design our machines. Unmatchable in performance, these machines are acknowledged for their finest quality and latest technology.

● Quality Assurance

Our core objective is to provide quality products to the clients. For this, we design Efficient Functioning Machines by using superior quality raw material in production process that ensures their durability and longevity. Thus, to ensure the quality of our machines, we send raw material under severe quality checks.

● Team Strength

We are proud to have vast strength of dedicated and highly skilled employees who work in great coordination. Our team put its heart and soul in the work, and diligently place efforts to meet customers demands in time. The dedication of our employees has enabled us to attain this reputation in the market.

Name of CEO
Mr. Jagdish Singh

Year of Establishment
1986

Nature of Business
Manufacturer & Supplier

Market Covered
Domestic & International

Products

Business Type : Manufacturer, Exporter, Supplier

Color : Light White, Blue

Voltage : 220V

Usage : Sealing Machine

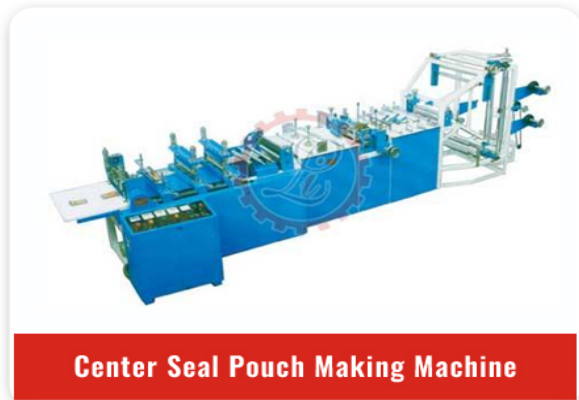

Automatic Grade : Automatic

Power : 9-12kw

Driven Type : Electric

Automatic Side Sealing Bag Making Machine

Center Seal Pouch Making Machine

Business Type : Manufacturer, Exporter, Supplier

Weight : 100-500kg

Color : Light White, Blue

Voltage : 110V

Usage : Pouch Making

Power : 9-12kw

Driven Type : Electric

Products

Business Type : Manufacturer, Exporter, Supplier

Application : Industrial

Voltage : 110V

Usage : Sealing Machine

Automatic Grade : Automatic

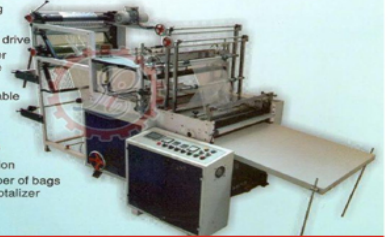

Power : 9-12kw

Driven Type : Electric

AUTOMATIC DOUBLE DECKER BOTTOM SEALING AND CUTTING MACHINE

Machine Features:

- Servo motor roll feeding
- Touch screen HMI
- Main AC motor with AC drive
- Double station Unwinder with AC motor, AC drive and dancing sensor
- Double sealer with suitable heaters
- Heat controlled by PID
- Suitable for HM-HDPE, LLDPE, LDPE, PP films
- Statics Charge elimination
- Preset counter for number of bags with buzzer alarm and totalizer
- Steel table
- Graded cutter

Automatic Double Decker Sealing and Cutting Machine

AUTOMATIC BOTTOM SEALING AND CUTTING MACHINE

Machine Features:

- Microprocessor controlled film feeding
- Servo motor roll feeding
- Touch screen HMI
- Main AC motor AC drive
- Unwinder on AC motor, AC drive
- Sensor controlled input of film roll, gives perfect sealing line
- Static Charge elimination
- Photo registration mark sensor for printed films
- Suitable for HM-HDPE, LLDPE, LDPE, PP films
- Preset counter for number of bags with buzzer alarm and totalizer
- Steel table with magnetic stands

Automatic Bottom Sealing & Cutting Machine

Business Type : Manufacturer, Exporter, Supplier

Color : Grey

Voltage : 110V

Rated Power : 5-7kw

Automatic Grade : Automatic

Features : Durable, Easy to Operate, Highly advanced design, Less prone to damage

Finishing : Polished

Products

Single Die H.M. Machine

Business Type	➡	Manufacturer, Exporter, Supplier
Application	➡	Industrial
Color	➡	Grey
Voltage	➡	110V
Power	➡	7-9kw
Warranty	➡	1 Year
Finishing	➡	Color Coated

Products

Single Die PP Blown Film Extruder

Business Type	➡	Manufacturer, Exporter, Supplier
Color	➡	Blue
Voltage	➡	110V
Power	➡	7-9kw
Driven Type	➡	Electric
Warranty	➡	1 Year
Finishing	➡	Color Coated

Products

Manually Operated Bottom Sealing and Cutting Machine

Business Type	➡	Manufacturer, Exporter, Supplier
Weight	➡	100-1000kg
Color	➡	Blue and White
Voltage	➡	110V
Rated Power	➡	7-9kw
Automatic Grade	➡	Manual
Finishing	➡	Color Coated
