*Manufacturer & Supplier*

Mahalaxmi Paints is a Kota; Rajasthan based organization, established in the year of 1961. Since then, the company has been maintaining its indispensable position in the market through consistent efforts towards innovation.

## Our Team :

We are empowered by qualified and experienced chemical engineers and experts. Our team members put best of their ability in order to formulate the best collection, conforming to the defined quality parameters. Owing to their support, we have been able to achieve pre-determined organizational goals.

## Manufacturing Unit :

We have with us a sound manufacturing unit. The unit is backed with machines and equipment of advanced features that facilitate accurate production of Paints and Putty. Further, we periodically upgrade available amenities for further improvement in quality and production rate as well.

## Why Us?

- We are one of the prime Manufacturers and Suppliers of Wall Paints, Distempers and Putty
- Premium quality product-line
- Committed to quality
- A R&D based organization
- Complete satisfaction of clients
- Transparent policies

**Name of CEO**

Mr. Manu Bhandari

**Nature of Business**

Manufacturer & Supplier

## ACRYLIC DISTEMPER

Business Type

Manufacturer, Exporter, Supplier, Retailer

Owing to our wide industrial experience, we offer high-grade Acrylic Distemper. Our offered Acrylic Distemper is processed under the utmost favorable conditions complying with the international standards. To ensure pureness of Acrylic Distemper, it is stringently tested on various parameters. Keeping in mind the ever-changing needs of clients, the offered Acrylic Distemper is available in different packaging option.

### Features :

- Odorless
- Water repellent
- Accurate composition

## OIL BOUND DISTEMPER

Business Type

Manufacturer, Exporter, Supplier, Retailer

Formulated using premium chemicals - the Oil Bound Distemper is pure. The offered Oil Bound Distemper easily protects the walls from dirt and microbes; this lends a clean and bright look to the wall. Tested on the parameters of Acrylic Co-polymer Emulsion, this Oil Bound Distemper is available in a variety of colors such as snow white, pastel shades, etc.

### Features :

- Unmatched durability
- Good wash ability
- Scrub resistance

## SYNTHETIC CLEAR VARNISH

Business Type

Manufacturer, Exporter, Supplier, Retailer

To serve the demands of clients, we offer a premium range of Synthetic Clear Varnishes. This Synthetic Clear Varnish is an industrial paint, which is processed by an experienced team of professionals, with in-depth knowledge about the latest trends prevailing in the industry. In addition, this Synthetic Clear Varnish is available in various vibrant colors.

### Features :

- High Durability
- Used for surfaces made of metals, woods, ABS, glass, etc.
- Easy to use
- High Water resistance
- Quick drying

## MATTE WALL PAINT

Business Type

Manufacturer, Exporter, Supplier, Retailer

This Matte Wall Paint gives the most exquisite finish with the best color payout. If wanting a saturated, velvety wall, a flat finish will yield rich results. If the wall has imperfections such as uneven textures, patches or joints, this Matte Wall Paint will absorb light and make them less noticeable. However, flat finishes are not very durable and need to be carefully cleaned. Scrubbing Matte Wall Paint could wear down the finish and cause sheen to appear in patchy spots.

### Features :

- Washable
- Eco-friendly
- Pocket-friendly

**TEXTURED EMULSION PAINT**

**Business Type**  
 Manufacturer, Exporter, Supplier, Retailer

Our range of decorative Textured Emulsion Paints is used on exterior as well as interior surfaces of cement plaster, concrete, bricks and masonry. The decorative Textured Emulsion Paint has good weather and water resistance. We are a dependable name to get Premium Textured Emulsion Paints, having exceptional capacity to withstand scrubbing.

**Features :**

- Living rooms
- Dining rooms
- Ceilings
- Hallways
- Bedrooms

**PLASTIC EMULSION PAINT**

**Business Type**  
 Manufacturer, Exporter, Supplier, Retailer

Plastic Emulsion Paint	Liquid
<b>Application</b>	Finish
Painting Use	High Gloss
<b>Color</b>	Packaging Type
Multicolor	Can, Plastic Bottle
<b>Packaging Size</b>	
20-25 L	

### **ACRYLIC EMULSION PAINT**

**Business Type**

Manufacturer, Exporter, Supplier, Retailer

Acrylic Emulsion Paint, which we offer, is made using high-grade base material. The Acrylic Emulsion Paints are the most preferred ones for painting any kind of residential or commercial establishment. Also, this Acrylic Emulsion Paint is considered as the one of the fastest drying paints. By using Acrylic Emulsion Paints, it is easier to provide colorful and lively shades to walls and thus creating a soothing atmosphere to live in.

**Features :**

- Odorless
- Excellent water resistance
- High filling resistance

### **LUXURY EMULSION PAINT**

**Business Type**

Manufacturer, Exporter, Supplier, Retailer

Luxury Emulsion Paint that we offer provides a richness and smoothness to interior walls. This Luxury Emulsion Paint's composition imparts excellent durability to the paint film, retaining the fresh look of the wall year after year. This Luxury Emulsion Paint is washable and most stains can be removed easily by sponging with a mild soap solution. The paint film of this Luxury Emulsion Paint is also fungus and mildew resistant. Luxury Emulsion Paint is an interior wall finish that can be applied on all type of smooth plaster, false ceiling, asbestos sheet, concrete, etc.

**Features :**

- Fungus-resistant
- Mildew-resistant
- Easy to apply
