- Sound industry knowledge
- Team of experts
- Customization
- Wide distribution networks
- Stringent check on manufacturing process
- Timely delivery of consignments
- Shipment Mode: By Road

## EDTA ACID

Business Type : Manufacturer,  
Supplier, Retailer  
Assay : Min 99 %  
Usage : Industrial,  
Commerical  
Form : Powder

## EDTA CALCIUM

Business Type : Manufacturer,  
Supplier, Retailer  
Molecular wt. : 374. 27 (as  
anhydrous).  
Assay : 98-102%  
pH : 6.5-7.5

## EDTA COPPER

We are ranked among reputed Manufacturers and Suppliers of EDTA Copper in Gujarat, India. Our company is engaged in providing superior-grade, fresh and pure EDTA Copper at market leading prices. Buyers can rest assured; our EDTA Copper is highly potent and compositionally balanced. We make it available in bulk and provide customized packaging solutions as well. We provide EDTA Copper in chemical grade packaging.

## EDTA DISODIUM

Business Type : Manufacturer,  
Supplier, Retailer  
Usage : Commerical,  
Industrial  
Active Ingredient : Na<sub>2</sub> EDTA  
Shelf Life : 1 Year

## EDTA FERRIC

Business Type : Manufacturer,  
Supplier, Retailer  
Usage : Industrial  
Grade : Reagent Grade  
Standard : Reagent Grade  
Form : Powder

## EDTA MAGNESIUM

Business Type : Manufacturer,  
Supplier, Retailer  
Grade Std. : Reagent Grade  
Frequency : Industrial,  
Commerical  
pH : 6.5 - 7.5

## EDTA TETRASODIUM

Business Type : Manufacturer,  
Supplier, Retailer  
Form : Powder  
Grade Std. : Reagent  
Grade, Bio-Tech  
Grade, Analytical  
Grade, Technical  
Grade  
Bulk Density : 700-950 kg/m<sup>3</sup>

## EDTA ZINC

A compositionally balanced white fine powder, our EDTA Zinc is a versatile chemical. It is produced by us with premium basic materials sourced from reliable manufacturers internationally. Buyers can rely on our EDTA Zinc, as it is an excellent biosynthetic intermediate and neurotransmitter. Interested buyers can purchase EDTA Zinc from us, as we are one of its leading Manufacturers and Suppliers in Gujarat, India.

## CALCIUM AMINO ACID CHELATE

Business Type : Manufacturer, Supplier, Retailer  
State : Powder  
Purity : 99%  
Usage : Laboratory

## COPPER GLYCINATE

Business Type : Manufacturer, Exporter, Supplier, Retailer  
Usage : Industrial  
Grade Std. : Technical Grade  
Physical State : Powder

## GLYCINE AMINO ACID CHELATE

Business Type : Manufacturer, Exporter, Supplier, Retailer  
State : Powder  
Purity : 85-99%  
Usage : Agriculture

## IRON AMINO ACID CHELATE

Business Type : Manufacturer, Supplier, Retailer  
Amino Nitrogen : 4.5% min  
Grade Standard : Technical Grade  
Physical State : Powder

## MAGNESIUM AMINO ACID CHELATE

Business Type : Manufacturer,  
Supplier, Retailer  
Purity : 99%  
Appearance : Light brown  
powder  
Solubility : Completely water  
soluble

## MANGANESE AMINO ACID CHELATE

Business Type : Manufacturer,  
Exporter, Supplier,  
Retailer  
Manganese : 10% min  
Total amino acid : 30% min  
Amino Nitrogen : 6.0% max

## ZINC AMINO ACID CHELATE

Business Type : Manufacturer,  
Supplier, Retailer  
State : Powder  
Release Type : Controlled  
Amino Nitrogen : 4.5% min
