Some of our clients include Bajaj Electricals, Industrial Electronic, Hydro dyne India, Vlite, Nirlep Appliance and Paras Pump. We take pride in mentioning that we have become a preferred choice among diverse clients.

Non Ferrous Castings

Specification

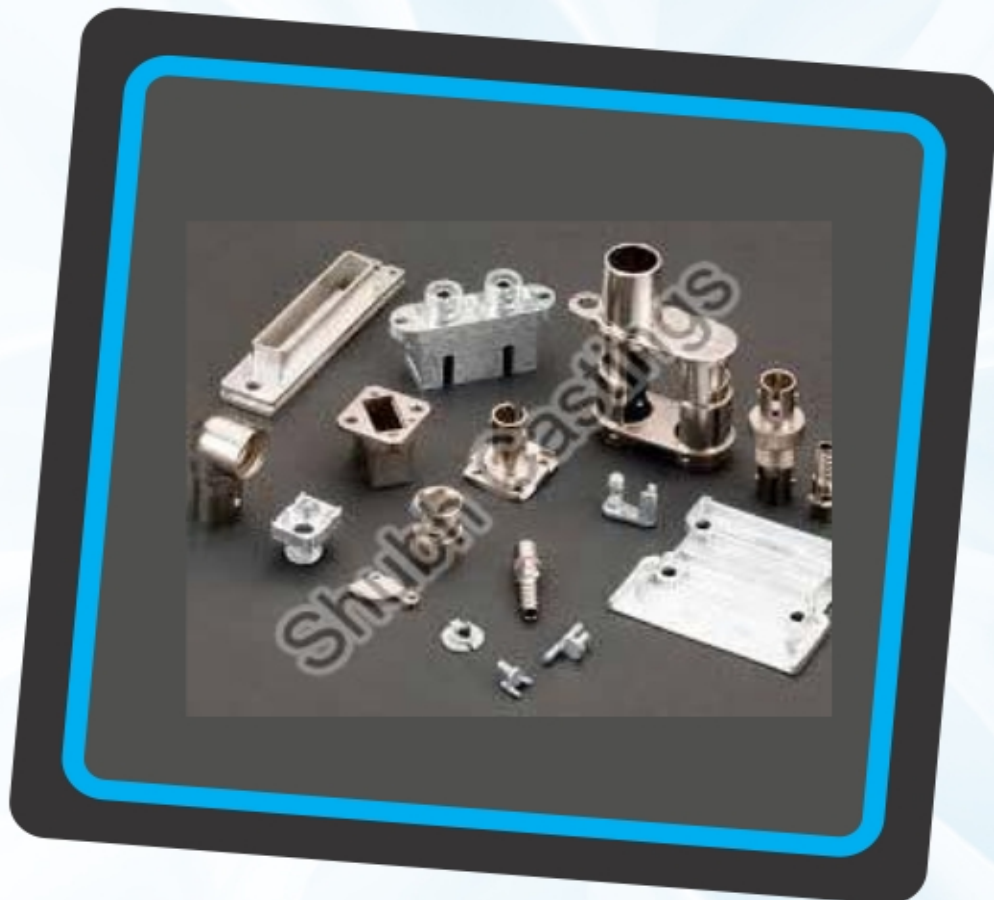

| | | |
|----------------|---|-------------------------------|
| Shape | : | Available in different shapes |
| Thickness | : | 0-10mm |
| Application | : | Industries |
| Features | : | Fine Finishing, Rust Proof |
| Surface Finish | : | Polished |
| Color | : | Golden |

Zinc Die Castings

Specification

| | | |
|----------------------|---|----------------------------------|
| Thickness | : | 5-10mm |
| Application | : | Automotive Industry |
| Color | : | Golden, Grey |
| Surface Finishing | : | Power Coated |
| Features | : | Accuracy Durable, Dimensional |
| Corrosion Resistance | : | Yes |

Aluminium Castings

Specification

| | | |
|----------------|---|-------------------------------|
| Material | : | Aluminum |
| Shape | : | Available in different shapes |
| Thickness | : | 10-15mm |
| Application | : | Industries |
| Features | : | Fine Finishing, Rust Proof |
| Surface Finish | : | Polished |

CNC Turned Components

Specification

| | | |
|-------------|---|--|
| Diameter | : | 25-50mm |
| Thickness | : | 0-20mm |
| Application | : | Machinery Use |
| Color | : | Metallic |
| Finishing | : | Coated |
| Features | : | Fine Finished, Light Weight, Rust Proof |
