SMART ENGINE
UNMATCHED PERFORMANCE

Superior Engine is the heart and soul of your 3-wheeler. Ape City is India's First 3 Wheeler with 3 Valve Italian Technology and a 4 Stroke Engine. This technology utilizes each drop of fuel and gives you an uninterrupted performance. This results into More Mileage, More Power, More Pick-up and a longer Engine Life. It comes enclosed in a strong Aluminium Engine Body that reduces heat and noise levels. Starter Motor with best capacity will offer you a superior performance. Go ahead, be unstoppable at every turn.

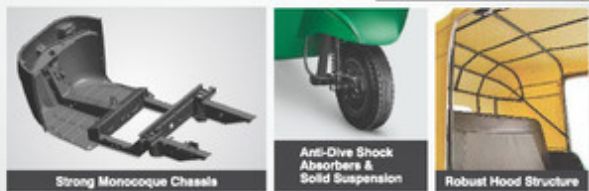

- 4-Stroke Aluminium Engine - Less Noise and Reduced Heat
- High Capacity Starter Motor - Longer Life
- Highest Power & Pick-up in its class

STRONG BODY
COMPLETE SAFETY

Reaching destinations on-time on bad roads is itself a huge task. Bad roads affect the performance and life span of a 3 Wheeler. But the brand new Ape City ensures a smart drive even on bad roads. It features a truly Strong Body, loaded with Monocoque Chassis and a robust Metal Sheet for a safer drive. Better Suspension and Solid Shock Absorbers promise a super smooth and comfortable driving experience. It won't ask for frequent greasing due to maintenance-free Flexible Couplings. It will save your time and money. Come and experience a smart drive with the New Ape City.

SMART DRIVE MORE COMFORT

10 to 12 hours of driving is a daily routine for you. Heavy traffic, constant clutching and braking result into pain in ankles and physical fatigue. But now you can put an end to this everyday misery. Ape City promises comfortable and pleasant drive with a perfectly positioned inclined driver seat. It offers more headroom and a broader view with an extra-wide windshield. Car-like braking system and smoother clutch take care of all your worries. It offers a well-cushioned and broad passenger seat. Go ahead, begin a journey of comfortable drives for you and your esteemed passengers.
