Hello All ! being in leather business for last 4 generations, it has become more of a passion than profit making. I would like to introduce our overseas client or guest to our country i.e India to different types of leathers and attend them in truly professional way and try to accommodate and safe guard their capital money, investment, and time and look for the possibilities of new avenue, venture and growth for mutual benefits.

Leather is a material made from the Hide and skin of an animal by tanning and than dyeing as per required Colors.

We offer from classical and traditional Sheep, Goat and cow Nappa, Suede, Cabretta & Glazed Kid to what is in vague now, Drum Dyed, Chrome free, Antique, Oil pull up, washed, Tumbled, and many more. Many of our leathers are used in world leading brands. We are mainly interested to export finished Leather from India anywherr in the globe with world class facility our govt offers both for ocean and Air shipment.

We can also help our overseas client interested to buy Shoes, Garments and Goods from several leading Indian factories.

Basically we can act on their behalf as buying house and would like to be your eyes and ears in India.

MOHAMMED MUDASSIR

An MBA from Madras University, Youngest son among two brothers with vast Knowledge in leather industry and have travelled extensively to USA, UK, Europe, Middle East and Far East for marketing and Sales of Leather and leather products. Global travel and Brand exposure from Newyork to Hongkong, have helped us to launch our own brands which is called "JOHN & SCOTT"

Since our leather are being used in some of the world finest brands like Floresheim, Colehaan, Zara, Massimo Dutti, Coach, CalvinKlien, Micheal Kors etc... The same leather we will be using for our products and all our customers can enjoy the same quality and the prices at only 10-15% in comparison to multinational brands.
