

Riddhi Siddhi Enterprise (HILOR ARTS)

Infusing Innovation With Quality

Riddhi Siddhi Enterprise (HILOR ARTS) is the one stop destination for various decorative items like Organic Herbal Gulal, Homemade Chocolates, Door Toran, Rangolis and Diyas. Over the decade, we have been able to mark an identity for ourselves as a reliable player of the industry. The company posses a huge list of clientele which include many reputed corporate houses. With exclusive designs, our products have gained huge popularity in the national and international markets. Today, we are well reckoned among the key Homemade Chocolates Manufacturers and Suppliers, based in India. Our trade policies have always been transparent and that is to provide the customers with best quality products at the lowest minimum price.

The company has been successfully serving the industry with its best quality products like Handmade Diyas, Festival Rangolis, Homemade Dark Chocolates, etc., since its inception in the year 1998. Mr. Rajiv Rawat, the CEO of the company is a versatile businessman who has led us to become one of the leading Holi Gulal Exporters. Based in Mumbai, the industrial capital of India, we have spread our wings all over the world.

Resources

We have employed some versatile workers who are capable of producing brilliant designs. In line with the sophistication, we have brought about the modern machinery's and testing equipments in our manufacturing unit. Owing to this, we are capable of manufacturing superior quality products.

Network

We have the support of an efficient network within and outside our system. Crossing the boundary of the nation, we have spread our wings in the broader arena of the international market. The well-coordinated network has enabled us to maintain a good track record of timeliness in delivery.

Storage Facilities

We have a massive storage facility to hold a huge stock of the products. The warehouses are well-maintained and well-furnished so as to ensure total safety against all kinds of damages during the storage periods.
