# ABOUT US

## AMAR AQUATIC

Gujarat, India based "Amar AQUATIC" (A unit of Amar Polyfils Pvt. Ltd.) is running efficiently under the guidance of Dr. Udayraj Mishra and Mr. Ram B. Panjari. Owing to their sheer dedication and hard work, the company has shown astonishing results and is still growing rapidly. We are a reliable name in this domain and our clientele includes Mr. Sangthong and many others.

## ABOUT THE COMPANY

**AMAR AQUATIC** AMAR AQUATIC (A unit of Amar Polyfils Pvt. Ltd.) is a Marine Collagen Powder and Orthocop Powder processor and exporter situated at Porbandar, 360550, Gujarat, India. Our company was established on 12th of December in 2008 as a unit of Amar Polyfils Pvt. Ltd. The company's founder Mr. Ram B. Panjari qualified as MBA has 25 years of experience in the Seafood Industry and Dr. Udayraj Mishra qualified as BSc, PGDMM, PhD has 30 years of experience in various fields as textile, polymer tech, plastic tech, chemical and physical lab, fish and fishery products. They are Chairman/Directors of the company. The company strictly believes in quality collagen keeping in mind that our customers get the best products available. Our company has started a new venture in year 2010. We have taken a new additional facility in our existing plant as manufacturing or processing of collagen products which is very high demanding product in foreign as well as in India at present.

## FACILITIES

We have compartmentalized our infrastructure into diverse units for the fast production of Collagen Powder. We have set up a Processing Unit, Testing Unit, R&D Unit, Storage Unit, Packaging Unit and Shipping Unit. We have installed most modern machines for the fine processing, storing of Collagen Powder.

Raw Material Used : Fish Scale

Packaging Material : Polybag coated by paper, Silver Bag, Paper Bag, HDPE JAR (250gm & 500gm ).

## TEAM

We are staffed with productive team members and management; they make every endeavor to serve the customers with finely tested and processed Collagen Powder. Our team includes Factory Manager, Production Manager, Production & Quality In charge, Government approved Technologist, Supervisors, Sourcing Agents, Quality Auditors, Storage Experts, Packaging Experts, Marketing & Sales Executives and Logisticians.
