# EMPIRE INDUSTRIES

One of the well acclaimed names in the industry, Empire Industries is a company that provides a premium range of magnesium metal products. We are operating as a manufacturer, importer, and exporter of high grade magnesium metal powder, magnesium metal ingots, and magnesium metal turnings.

One of the well acclaimed names in the industry, **EMPIRE INDUSTRIES** is a company that provides a premium range of magnesium metal products. We are operating as a manufacturer, importer, and exporter of high grade magnesium metal powder, magnesium metal ingots, and magnesium metal turnings. The aforementioned range of metal products are manufactured by using the best materials that are procured on a regular basis from our trusted vendors. We import the materials and fabricated products from different sources. The entire manufacturing process is supervised by our quality experts and diligent professionals. We offer these magnesium metal products in different markets at an affordable price range. Our network of distribution has been expanded to several locations pan India and other countries abroad.

Based in Ankleshwar (Gujarat, India), Empire Industries is one of the well-known fraternities that are manufacturing, exporting, and importing high quality magnesium metal products. Our firm has been operating in the market since the year 2015. Currently, it is operating under the guidance of Mr. Bharat Mehta (Power of Attorney).

### **OUR MANUFACTURING BASE**

We manufacture our magnesium metal products efficiently and timely owing to our state-of-the-art manufacturing base. It is equipped with several modern machinery and tools that are regularly upgraded as per leading industrial developments.

### **DISTRIBUTION NETWORK**

We have been able to distribute our products in different markets across the globe owing to our dedicated logistics personnel. They strive to deliver products safely and on time.
