Nimbus
TECHNOLOGIES, DOMBIVLI

We delight the customers by bringing forth Industrial Products inclusive of Panel PC, Ebox Computer, Networking Routers, Networking Chassis, Networking Servers, 3G WCDMA Modem, Redundant Ethernet Switches, Serial To Ethernet Converters, Multi Port Communication Cards, ISaGRAF Embedded Controllers, Temperature Transmitter Data Logger and many more. We have carved a niche in the market as a prominent name, catering to the varied demands of the customers. We efficiently bring forth Industrial Products that are procured from the well-known vendors in the trade. Our tie-ups with leading names help us in providing experts' certified Products with no delay. Owing to our exceptional storage and shipping facilities, we entertain urgent requirements of the customers smoothly. We Deal in services provider also.

➡ **PAC & LOCAL I/O MODULES**

➡ **PANEL PC**

➡ **NETWORKING ROUTERS**

➡ **INDUSTRIAL CHASSIS**

➡ **MULTI PORT COMMUNICATION CARDS**

➡ **SERIAL SERVER**

➡ **GATEWAYS**

➡ **PANASONIC IP CAMERA**

EXPORTER, SUPPLIER & SERVICES PROVIDER

Nimbus
TECHNOLOGIES, DOMBIVLI

Nimbus Technologies has been incorporated in 2003 by 3 technocrats with vast experience in Automation & Data Acquisition Systems. Promoters have 15 to 20 years' experience in the Industry in Distribution & Execution of Industrial Data Acquisition Systems , PLC based Automation solutions and Communication system.

Nimbus Technologies is a reputed Distributors of various reputed International Brands for Industrial Computers, Data Acquisition products, Transmitters , Signal Conditioners, PID Controllers, GSM , GPRS modem, Data Logger, RFID Based solution, Short range Wireless Products & various other Industrial Products.

We have vast experience in Supply, Installation & Commissioning of all the above at various sites in India. We can provide you best solution for your Industrial Automation Solutions and provide excellent after sales service.

We have executed many SCADA projects for Industrial Plant automation, Defence projects, Pharmaceuticals clean room application, Auto Mobile industry, Petro chemical Industry etc.

We have also diversified in to Industrial & Domestic Security System to cater to all the security solution needed with very high quality products.

Some of our product line is as below :

- Industrial Computers & workstation
- Fault tolerant & Rugged Industrial Computer
- EBOX Rugged Fan Less, Solid State Disk Industrial Compact PC.
- Industrial LCD/VGA Monitors, LED Display solution, Video wall etc
- Touch screen Panel PC'S & Panel Monitors, Signage solution.
- Embedded PC104, CAPA boards & Systems
- PCI Bus Multi Port RS232/RS422/RS485 Communication Cards.
- PCI Bus Multi Port RS232/RS422/RS485 Communication Cards.
- Data storage solutions, DOC, DOM etc.
- Standalone Data Acquisition Systems & Data Logger.
- DAQ boards PCI/ISA Bus based.
- Embedded controller for Automation
- RS232/RS485/RS422/USB Converters & Repeaters.
- Fiber optic to RS232/485/422/Ethernet converters
- Radio Modem, GSM / GPRS Modems, GPRS Data logger
- Modbus Multiplexer, Modbus &Profibus Gateway (RTU/TCP).
- RTD/TC Transmitters & Isolators

REMOTE DATA ACQUISITION MODULE

Nimbus
TECHNOLOGIES, DOMBIVLI

1) Serial Analog /Digital Module

2) Ethernet Analog/Digital Module

3) MQTT Digital I/O Module

4) Tiny Ethernet Analog/ Digital I/O module:

5) Intelligent Ethernet & Serial I/O Expansion Unit

1) CAN & CAN Open Remote I/O / Gateways/ Converter/ Repeaters Modules:

2) PROFIBUS Converters/Repeaters/ Remote I/O / Gateway modues:

3) DeviceNet   Remote I/O / Gateway/ Expansion Module:

4) EtherCAT Converter/ Remote I/O/ Gateway Module:

5) Ethernet/IP Remote I/O Module/ Gateway Module:

6) BAC Net I/O & Gateway module:

7)HART Converter & Signal Filter Module:

8) PROFINET Remote I/O / Gateway/Converter Module:

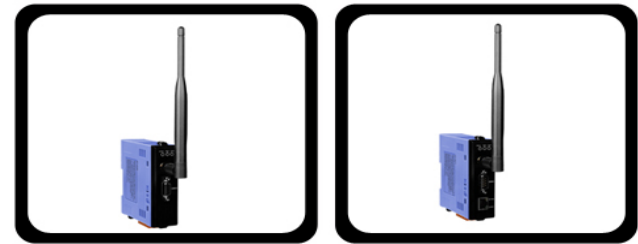

9) M-Bus Gateway Modules:

10) FRnet Remote I/O/ Gateway/ Converter Module:

1) Zig-Bee Analog & Digital I/O Module:

2) Zig-Bee Converter:

3) Zig-Bee Data Concentrator:

4) Wi-Fi Converter / Gateway / Access Point Module:

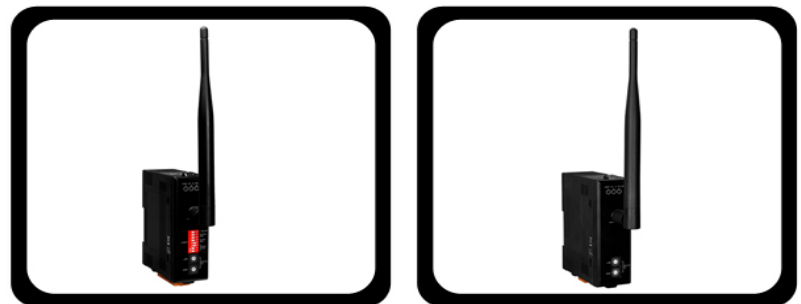

5) USB-RS-232-422-485 to Bluetooth:

6) GPS Modem & Receiver:

7) IR Controlled Power Relay Module:

8) LoRa Modem and repeater:

## 1) Power Meter Concentrator:

2) Wireless Signal Sensing Module

3) Data Concentrator:

4) Single & 3 phase Smart Energy Meter:

Networking & 4G Routers

SMS & RTU Modem: M12

IOT Modem:

Panel PC

HMI Series:

Open Frame

Ebox Computer:
