

**HARSHMAN GAUGES**

Harshman Gauges & Engineering  
Company greets you to its  
escalating world of industrial  
gauges.

## HARSHMAN GAUGES & ENGINEERING COMPANY

was incepted in the year 1991. We have set a benchmark under the sagacious headship of our venerated CEO of the company, Mr. Manish. J Shah. With his assiduous and diligent efforts, he has taken the company to the new apex of its success. We deal in the supplying of thread gauges, wholesale snap gauges, industrial plug gauges, plain taper gauges etc. Moreover, we are celebrated as one of the most prominent plain taper gauges suppliers.

### Company Profile

#### QUALITY

Our company pays more adverts to the quality of our products. We procure our products from the reliable manufacturers who are highly conscious about the quality and manufacture their products only from excellent quality raw material, which guaranties reliability and authenticity to our patrons.

#### TEAM POWER

We have highly qualified and high caliber personnel that forms the mainstay of our company by contributing their valuable support in the growth of the company.Â

#### CLIENTELE

With our customer centric approach, we have successfully garnered huge number of customers all over the world. We have also received myriads of laurels of our patrons for our unequal service in comparison to other suppliers; our escalating list of customers is a confirmation of this thing.
