PARAS INDUSTRIES was incorporated in the year of 1983, with a vision to cater to the needs of Brass Gas Parts, Brass CNG Parts in the market. With our sheer drive, we have reached the paramount of success, now we are known as the prestigious dealer in the international market. We have laid the foundation of our company in Jamnagar Gujarat, also a huge trade hub, which enables us to cater our clients easily located in the various countries. We have started our venture under the successful headship of Mr. Ajay M. Shah, the CEO, whose capability and guidance has made us the prominent corporate house in this field.

Infrastructure

We are backed by the robust infrastructure, which comprises state-of-the-art manufacturing unit, offices and warehouses. Our manufacturing unit is integrated with sophisticated machines, which are capable of producing bulk of products in short span. Our well-established warehouses store the products safely. Moreover, our huge and secured warehouses facilitate us to fulfill the demand of the clients in short notice.

Quality Control

We have sophisticated equipment ensure the quality and durability of the component. From the beginning of the procurement till the production of end product, we stringently vigil the each procedure to ensure the finest quality is reaching to the customers. Our highly professional quality-check team thoroughly checks the quality of the raw material and the finished product. It uses various kind of equipment to ensure the quality at various stages of the production is specified below :

- "Mitutoyo" Verniar for dimention control
- "Mitutoyo" micro meter for dimention control
- "H I P" Plug Gauges to control internal threads
- "H I P" Ring Gauges to control external threads
- Plane Gauges to measure internal diameter & outer diameter

Network

Our business network is huge and well-knitted. We are in coordination with a large number of agents and dealers, who are reliable and spread across the world. Our trust-worthy agents help us to reach our clients located in distinct places, and with their help we able to cater the client in stipulated time. Adding to this, we have a very efficient marketing team, which remain in touch with clients even after the delivery of the consignment.
