

B.K. EQUIPMENTS PVT. LTD.

An ISO 9001:2000 Certified Company An D&B Certified Company

T. BALAKRISHNAN - MD & CEO : +91-9500039116

B.K. Equipments Pvt. Ltd. is a one-stop destination of superlative-engineered products. We are an ISO 9001: 2000 certified company, leveraging our success on our importunate efforts to maintain consistency in the quality of instruments. With disciplined norms and integrated approach, we are able to secure a reputed status in the league of premier Manufacturers, Exporters, and Suppliers of Boiler Accessories, Flow Indicators, Level Gauges, Level Indicators, Level Sensor, Level Controllers, Level Switches, Cable Float Switches and various others.

manvaarbasmatirice.com

company profile

B.K. Equipments Pvt. Ltd. was incepted in the year 1992, under the able headship of Mr. T. Balakrishnan, the CEO of the organization. It is the result of his sharp business acumen and positive attitude that we have achieved expertise in the manufacturing, exporting, and supplying of Boiler Accessories, Flow Indicators, Level Gauges, Level Indicators, Level Sensor, Level Controllers, Level Switches and more. Today, we have firmly positioned ourselves as one of the distinguished undertaking in India.

Infrastructure

We are supported by a well-equipped infrastructural base that is built over 5000 sq. ft. and good RCC building spread over 5000 sq. ft. area with 50HP power. It comprises all the necessary Tools as well as Testing Equipment & in-house capital machineries, situated at Chennai, India. The presence of advanced machineries and techniques results in developing innovative and flawless products with pressure rating up to 100bar.

Team Power

We are aided by an experienced and talented workforce in achieving a great height of success. They are very dedicated towards their work and always endeavor to improve the quality of the products. Their importunate efforts are focused towards superior quality products and provide utmost level of satisfaction to the clients.

Quality

We are a quality cautious organization, thus all our efforts are directed to offer highest level of quality to the clients. We have installed technically advanced testing equipment to test raw materials, pressure, pneumatic and various other parameters. Moreover, our engineered products are in compliance with international standards as per API, ASME, ANSI, BS, JIS, IS, under third party inspection.

We are looking for inquiries from Abu Dhabi, Dubai, Sharjah, UAE, Kuwait, Oman, Qatar, Egypt, Thailand, Singapore, Malaysia, Indonesia, Vietnam, Myanmar, Brunei, Europe, Italy, Australia, and Belgium.

Name of CEO	Mr. T. Balakrishnan
Year of Establishment	1992
Nature of Business	Manufacturer, Exporter & Supplier
Market Covered	Malaysia, Singapore, UAE, Egypt, Indonesia, Thailand, Canada, Australia, Nigeria & Taiwan

our products

Boiler Accessories : We are engaged in making available an array of the finest Boiler Accessories to the length and breadth of the country and abroad. We are one of the most sought-after Manufacturers, Exporters, and Suppliers of Boiler Accessories from Tamil Nadu, India. We deal in Heat Resistant Glass, Safety Valves, Sight Glasses, Boiler Gauge Cocks, and Boiler Glass Gauge. Each of which is fabricated in line with the standards.

001 Heat Resistant Glass

002 Safety Valves

003 Sight Glasses

004 Boiler Gauge Cocks

005 Boiler Glass Gauge

Flow Indicators : We offer a wide range of Flow Indicators as part of our product range for this item. Some of the indicators that we offer are Sight Flow Indicators, Double Window Sight Flow Indicator, Visual Flow Indicator, Double Window Flow Indicator, Liquid Flow Indicator, Water Flow Indicator, Rotating Flow Indicator, Right Angle Flow Indicator, Visi Flow Indicator and the Teflon Bush Type Flow Indicator.

our products

006 Wheel Flow Indicator

007 Double Window Sight Flow Indicator

008 Visual Flow Indicator

009 Double Window Flow Indicator

010 Liquid Flow Indicator

011 Water Flow Indicator

012 Rotating Flow Indicator

013 Right Angle Flow Indicator

014 Visi Flow Indicator

015 Teflon Bush Type Flow Indicator

our products

Sight Flow Indicator : We are one of the predominant Sight Flow Indicator Exporters in India. Our Flanged Sight Flow Indicator is perfect to visually check the flow levels in pipeline and vessels. Our Sight Flow Indicator is highly appreciated in chemical refineries, heavy engineering etc.

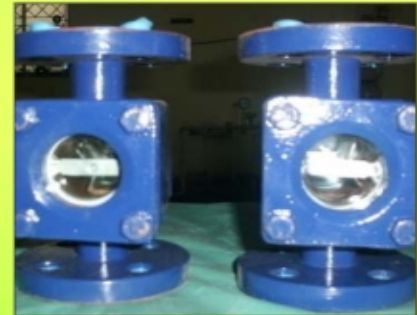

001 Single Sight Flow Indicator

002 Dual Sight Flow Indicator

003 Ball Type Sight Flow Indicator

004 Wheel Type Sight Flow Indicator

005 Flapper Sight Flow Indicator

Level Gauges : We offer different types of Level Gauges as part of our range for this item. The Liquid Level Gauges, Glass Level Gauges, Tank Level Gauges, Float & Chord Level Gauges, Float & Board Level Gauges, Oil Level Gauges and the Weld Pad Level Gauges are some of the products we offer. We ensure that all orders are delivered on time and in good condition.

001 Reflex Level Gauges

our products

002 Transparent Level Gauges

003 Tubular Level Gauges

004 Magnetic Level Gauges

005 Glass Level Gauges

006 Tank Level Gauges

007 Float & Chord Level Gauges

008 Float & Board Level Gauges

009 Oil Level Gauges

010 Weld Pad Level Gauges

Level Indicators : We Based in Chennai, Tamil Nadu, we are one of the foremost exporters, suppliers, and manufacturers of a wide range of premium quality Level Indicators. We offer these products that are made using advanced technology and sturdy material in a variety of options and technologies. These indicators can be used for water as well as all other liquids. Some of the popular products we offer in this range are :

- Magnetic Level Indicator
- Float Level Indicator
- Glass Level Indicator
- Liquid Level Indicator
- Constant Oil Level Indicator

001 Float and Chord Level Indicator

our products

002 Oil Level Indicator

003 Reflex Level Indicator

004 Tank Level Indicator

005 Transparent Level Indicator

006 Tubular Level Indicator

007 Magnetic Level Indicator

008 Glass Level Indicator

009 Constant Oil Level Indicator

010 Liquid Level Indicator

Level Sensor : We offer a wide range of Level Sensors that we manufacture, using the superior quality material, high-end and accurate components and latest designs to ensure accuracy and efficient performance and endurance. All are sensors are tested for quality and accuracy and conform to global standards. We offer these products at extremely competitive market rates and are respected as a quality supplier and exporter for Chennai.

011 Level Sensor

our products

Level Controllers : We The Level Controllers offered by us are manufactured using fine quality material and advanced design in our state of the art facility. These products we offer are known for their precision and accurate readings and efficiency. You can use them for commercial, domestic as well as industrial applications and we customize these products to suit your requirements. We are based in Chennai and some of our popular products are:

- Liquid Level Controller
- Multi Level Controller

001 Liquid Level Controller

002 Multi Level Controller

Level Switches : We We have established ourselves as a premium supplier and exporter of high-quality Level Switches, which can be used with a variety of water and other level indicators, sensors and controllers. These switches are made from premium quality parts and components and are designed by our professionals in line with the latest technology to ensure accurate and efficient out. We are based in Chennai and some of our popular switches are :

- Float Level Switches
- Side Mounted Level Switches
- Liquid Level Switches
- Low-Level Switches
- Miniature Level Switches
- Multi Level Switches
- Mini Level Switches
- Top Mount Level Switches
- High Level Switches
- Balloon Type Level Switches
- External Cage Type Level Switches

001 Float Level Switches

002 Mini Level Switches

003 Side Mounted Level Switches

our products

004 Top Mount Level Switches

005 Liquid Level Switches

006 High Level Switches

007 Low Level Switches

008 Balloon Type Level Switches

009 Miniature Level Switches

010 External Cage Type Level Switches

011 Multi Level Switches

Cable Float Switches : We are today recognized and valued as a reliable exporter and manufacturer of a wide range of level control switches from Chennai in India, The Cable Float Switches we offer are a hallmark of quality and endurance. Manufactured in our hi-tech facility under the close supervision of our experts, this product we offer stands out for its accuracy, ease of maintenance and durability. We offer this product at competitive market rates.

We Are manufacturing All Types of Level Switches :

012 Cable Float Switches

our products

Flame Arrestors : We offer a wide range of Flame Arrestors, made from premium quality material using the latest technology and well-researched design. These products we offer are widely used as a safety mechanism as well as a process application in the manufacture and operations of various products and equipment. We are based in Chennai, and we are a manufacturer, exporter, and supplier of a wide range of these products, popular among them being :

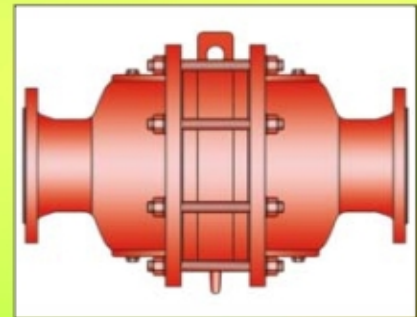

- Detonation Flame Arrestor
- Deflagration Flame Arrestor
- Flashback Flame Arrestor

001 End Line Flame Arrestor

002 In Line Flame Arrestor

003 Detonation Flame Arrestor

004 Deflagration Flame Arrestor

005 Flashback Flame Arrestor

Industrial Strainers : We bring to you a wide range of Industrial Strainers. The range consists of carbon Duplex Strainer, Temporary Strainer, Pot Type Strainer, Simplex Strainer, Tee Type Strainer, Conical Strainer, Mud Strainer, Pipeline Strainer, Self-Cleaning Strainer, Pump Strainer, Magnetic Strainer, and Bucket Type Strainer. All these strainers are manufactured in strict adherence to quality standards laid down by the industrial system and are long lasting. We are providing these strainers at competitive prices in the markets of all over the world.

001 Basket Strainer

our products

002 Duplex Strainer

003 Y - Strainer

004 Carbon Duplex Strainer

005 Temporary Strainer

006 Pot Type Strainer

007 Simplex Strainer

008 Tee Type Strainer

009 Conical Strainer

010 Mud Strainer

011 Pipeline Strainer

012 Self Cleaning Strainer

013 Pump Strainer

our products

Industrial Valves: Our name features in the list of the most distinguished manufacturers, exporters and suppliers of Industrial Valves in Chennai, Tamil Nadu. Our range of Valves comprises Relief Valves, Pressure Safety Valve, Dead Weight Safety Valve, Gauge Glass Valve, and Tank Valve in various grades and specifications. Advanced engineering and stringent quality control ensure that our Valves deliver excellent performance. The pricing is modest and deliveries are always on time.

001 Ball Float Valves

002 Breather Valves

003 Flame Arrester Valves

009 Pressure Safety Valve

010 Dead Weight Safety Valve

011 Gauge Glass Valve

012 Tank Valve

Relief Valves : We offer a wide range of Relief Valves. At our state-of-the-art manufacturing unit in Chennai, Tamil Nadu, India, a team of experienced engineers designs high-performance Relief Valves for a wide range of applications.

004 Pressure Relief Valve

005 Vacuum Relief Valve

our products

006 Safety Relief Valve

007 Pressure Cum Vacuum Relief Valve

008 Pressure Relief Breather Valve

Sight Glass : If you are in search of the finest grade Sight Glass from Chennai, Tamil Nadu, you can place your order with us. We offer Double Window Sight Glass, Drip Tube Sight Glass, Flapper Sight Glass, Heat Resistant Sight Glass, Peep Hole Sight Glass, Round Sight Glass, Rectangular Sight Glass, Oil Tempered Sight Glass, and Full-View Sight Glass. With a state-of-the-art production line and the latest quality control systems, we make the high-quality glass that complies with the industrial quality system.

001 Double Window Sight Glass

002 Drip Tube Sight Glass

003 Flapper Sight Glass

004 Peep Hole Sight Glass

005 Heat Resistant Sight Glass

006 Round Sight Glass

007 Rectangular Sight Glass

our products

Gauge Glass : The Gauge Glass that we bring forth is used in various industrial applications owing to its vast range of properties. They are also known for their compact size and excellent resistance to shock & corrosion. As per customers need, we customize them in different shapes and sizes. Our product is highly in demand for the extraordinary thermal strength and its superior quality.

001 Spare Gauge Glass

002 Klinger Gauge Glass

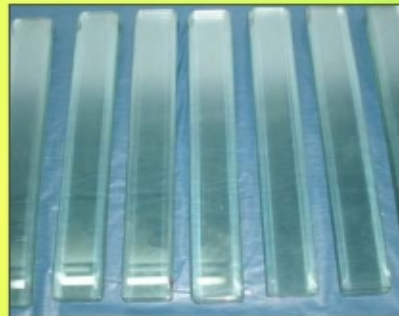

003 Transparent Gauge Glass

004 Reflex Gauge Glass

005 Temperature Resistant Glass

006 High Temperature Glass

007 Boiler Peep Hole Glass

008 Furnace Peep Hole Glass

009 Toughened Borosilicate Glass

our products

Flow Glass : A very admirable assortment of Flow Glasses is available with us that are ideal for various industrial applications. Our item is fabricated keeping in mind the industry set standards and designs to fulfill every demand of our valuable customers. It is not only durable and reliable but also quite popular for its long life. Our quality and pricing are both highly praised.

011 Dual Flow Glass

012 Full View Flow Glass

013 Rotary Wheel Flow Glass

014 Visi Flow Glass

Acrylic Flexible Glass : For a clear viewing of processing taking place in tanks and vessels, we present to you our superior and impeccable finished Acrylic Flexible Glass. Our clients admire its excellent corrosion resistant property and austerity. Though we have a large network of global clients, our major orders come from South East Asia and various gulf countries. We guarantee modest pricing, qualitative packaging, and speedy delivery.

Features :

- Corrosion resistance
- Ruggedness
- Flawless finish

Application Areas

Offered at competitive prices, some of the areas where these find application include :

- Boilers
- Pressure Vessels
- Pipelines
- Tanks
- Pumps
- Lubrication and Hydraulic Systems

Apart from these equipment, the products find application in industries like :

- Power Plants
- Chemicals
- Petro-chemicals
- Oil
- Gas
- Edible oil
- Drugs and Pharmaceuticals
- Food and Breweries
- Distilleries
- Sugar
- Paper
- Defense
- Research establishment

Quality Control

Our quality conscious approach allow us to successfully meet both the prevailing as well as emerging demands of both the domestic and overseas clients for control equipment such as magnetic level switches, sight flow indicator, heat resistant glasses, flow indicators, level gauges, tubular level gauges, safety valves, relief valves etc.

Our team of quality monitoring professionals undertake various steps at different stages ensuring that the end products offered meet international performance & durability standards. Inspected and certified by the international inspection agencies, the quality control measures undertaken also assure us that the components & parts manufactured meet the laid down specifications and standards.

Further, we also keep on keep on updating the involved technology as per prevailing international standards, which ensures production of highly performance oriented equipment that provide complete value for client's money.

CERTIFICATE

BMQR Certifications Pvt. Ltd.,

verifies that the Quality Management System of

B.K. EQUIPMENTS PVT. LTD.

**Old No. 217, New No. 88, Arcot Road, Porur,
Chennai - 600 116. Tamilnadu, India.**

has been assessed and found to be in accordance with the requirements of the quality standard

ISO 9001:2000

and scope of supply detailed below

**MANUFACTURING AND SUPPLY OF PROCESS INSTRUMENTS
SUCH AS LEVEL INDICATORS, STRAINERS, FILTERS, SAFETY
RELIEF VALVES, LEVEL SWITCHES AND SIGHT FLOW INDICATORS**

*Further clarification regarding the scope of this certificate and applicability of ISO 9001:2000 requirements may be
obtained by consulting the organization*

Original Certification Date : 24-03-2008
Current Certification Date : 24-03-2008

BMQR Certifications Private Limited is a member of the International Register of Certificated Bodies (IRCB) and is accredited by the Bureau of Indian Standards (BIS) for the certification of Quality Management Systems (QMS) to ISO 9001:2000. The accreditation is valid for the period 2010-2013. The accreditation is subject to the conditions of accreditation. For more information, please contact the Registrar of the Bureau of Indian Standards.

Our consistency in delivering quality industrial process control equipment has helped us to successfully meet the emerging demands of the markets. Further their flawless functionality standards as well as availability at competitive prices has also helped us to make many quality conscious clients.

Some of the domestic clients includes	Also we export our products to
Bharat Heavy Electrical Ltd.	Malaysia
National Thermal Power Corpn. Ltd.	Singapore
Steel Authority of India Ltd.	Thailand
DAE, HWP, DRDO, ISRO, IGCAR, BARC	Indonesia
Dr. Reddys Laboratories Ltd	Egypt
Ranbaxy Laboratories Ltd.	Srilanka
Larsen and Toubro Ltd.	U.A.E
KCP Ltd.	U.S.A
Andra Sugars Ltd.	U.K
Chemplast Sanmar Ltd.	Netherland
Grasim Industries Ltd.	Nigeria
Hindustan Petroleum Corpn. Ltd.	Australia

Intensive research and development activities undertaken by us assist us in

Successfully meeting product development and up gradation requirements

Allow us to develop new techniques and incorporate them at different stage of manufacturing

Design and develop new range of equipment as per the emerging demands of the markets

Warehousing Facilities

Our capacious and well ventilated warehousing facilities assist us in

Safely storing the range of manufactured products as well as the raw materials used in production processes

Provide better inventory control

To promptly meet the specific process equipment requirements of our clients
