About Us

Based in Delhi, India, **Indian Weavology** is ticking on all the right boxes whether it is qualitative product range, customized solutions, timely order fulfillment, or fair pricing when it comes to the manufacturing, supplying and exporting of Indian Virgin & Remy Hair Extensions & Hair Pieces. Established in 2015, the company is estimated to record a yearly turnover of up to Rs. 0.5 Crore. This accomplishment is accredited to the guidance of our CEO, **Mrs. Garima**.

Manufacturing Unit

Your satisfaction is our motto. We have established high-tech production facility wherein the hair donated for the holy purposes are meticulously sorted according to their cuticle lengths, and then processed into the dependable Remy hair for various weave applications, hair pieces, and closure wigs. The quality is ensured to be such that you dump your dye box in the trash, and keep coming back to us again and again.

Team We are backed with the workforce of around 50-100 employees. Dedicated to achieve full customer satisfaction, they work hard and attain the visible results.

Why us?

Clients shall try us because :

- We offer the products of genuine and amenable quality
- We assure a fair pricing policy
- We have a dedicated team and appreciable resources
- We are accoutered for tackling bulk or bespoke orders
- We execute the timely order deliveries
- We win the trust of our clients
