- **Z190 Rotary Air lock Valve**
- **Cast Iron Rotary Air lock Valve**
- **Mild Steel Rotary Air lock Valve**

More...

Zodiac Engineering Works, established in 2024, is a progressive manufacturer and supplier based in Punjab. We deal in a variety of high-quality Aluminium Rotary Air Lock Valves and Automatic Rotary Air Lock Valves, among other industrial components.

Our Commitment

We are determined to provide highly professional engineering solutions with the vision of achieving operational excellence and reliability. We hope to foster trust with different industries, positioning our company as a partner in designing innovative, resilient airlock valves with associated products.

Products Offered

Zodiac Engineering Works is aware of these diversified requirements of industries when the customers avail of the products that suit their needs. Our products, including Aluminium Rotary Air Lock Valves and Automatic Rotary Air Lock Valves, are precision-made and long-lasting, built for flawless performance under very demanding conditions.

Quality is the hallmark of our operations. At each stage of manufacturing, right from the selection of materials to the final inspection, we adhere to stringent quality control measures so that what comes out is truly world-class. Our products stand up to endless and arduous use and yet perform impeccably.

We lay great stress on customer satisfaction. Our team is working with full sincerity, analysing the individual requirements of our clients and offering solution accordingly. We put great importance on after-sales service and give our full support in running our products smoothly.

Connect with Us

If you wish to know more about our products or make inquiries regarding them, get in touch with Zodiac Engineering Works. We are committed to offering top-of-the-line engineering solutions that help drive industrial success.

Aluminium Rotary Air lock Valve

SPECIFICATIONS

- > Business Type : Manufacturer, Exporter, Supplier
- > Brand Name : Zodiac
- > Material : Aluminium
- > Color : Silver
- > Application : Industrial Use
- > Voltage : 440v

Z190 Rotary Air lock Valve

SPECIFICATIONS

- > Business Type : Manufacturer, Exporter, Supplier
- > Material : Cast Iron
- > Color : White
- > Application : Industrial Use
- > Voltage : 330v
- > Port Size : 2cm-50cm

Cast Iron Rotary Air lock Valve

SPECIFICATIONS

- > Business Type : Manufacturer, Exporter, Supplier
- > Brand Name : Zodiac
- > Material : Cast Iron
- > Color : White
- > Application : Industrial Use
- > Voltage : 240V

Mild Steel Rotary Air lock Valve

SPECIFICATIONS

- > Business Type : Manufacturer, Exporter, Supplier
- > Brand Name : Zodiac
- > Material : Mild Steel
- > Color : White
- > Application : Industrial Use
- > Port Size : 2cm-50cm
- > Country of Origin : India
- > Warranty : 1 Year

Dust Collector Rotary Air Lock Valve

SPECIFICATIONS

- > Business Type : Manufacturer, Exporter, Supplier
- > Brand Name : Zodiac
- > Material : Mild Steel
- > Application : Industrial Use
- > Voltage : 240V
- > Port Size : 2cm-50cm
- > Country of Origin : India
- > Warranty : 1 Year

Z150 Rotary Air lock Valve

SPECIFICATIONS

- > Business Type : Manufacturer, Exporter, Supplier
- > Features : High Durability, Easy To Install, Excellent Strength
- > Country of Origin : India
- > Model Number : Z150

ZH150 Rotary Air lock Valve

SPECIFICATIONS

- > Business Type : Manufacturer, Exporter
- > Material : Cast Iron
- > Color : White
- > Pressure : High
- > Application : Industrial Use
- > Type : Rotary Airlock Valve
- > Country of Origin : India

ZLD150 Rotary Air lock Valve

SPECIFICATIONS

- > Business Type : Manufacturer, Exporter, Supplier
- > Material : Cast Iron
- > Color : White
- > Pressure : High
- > Application : Industrial
- > Structure : Pinless
- > Country of Origin : India

ZLD250 Rotary Air lock Valve

SPECIFICATIONS

- > Business Type : Manufacturer, Exporter, Supplier
- > Material : Cast Iron
- > Color : White
- > Pressure : High
- > Application : Industrial
- > Structure : U Section
- > Country of Origin : India

ZLD300 Rotary Air lock Valve

SPECIFICATIONS

- > Business Type : Manufacturer, Exporter, Supplier
- > Material : Cast Iron
- > Color : White
- > Pressure : High
- > Application : Industrial
- > Type : Rotary Airlock Valve
- > Country of Origin : India

Z250 Rotary Air lock Valve

SPECIFICATIONS

- > Business Type : Manufacturer, Exporter, Supplier
- > Material : Cast Iron
- > Color : White
- > Pressure : High
- > Type : Rotary Airlock Valve
- > Country of Origin : India
