Our business unit is backed by an expert team of people for carrying out various processes. Further, our engineers and technicians are the most experienced professionals in the trade. Also, our marketing and sales professionals are capable of keeping our name among the front runners of the field. We take complete care of our employees so that they are motivated to deliver their 100 %.

## Why Us?

Some features which separate us from our competitors are :

- Qualified workforce
- Competitive prices
- Timely delivery
- Transparent business dealings

# Our Services

**INDUSTRIAL TRANSFORMER :** We are the leading Suppliers and Exporters of Industrial Transformers in Bangalore, Karnataka, India. Under this we offer Distribution Transformers, Power Transformers, Furnace Transformers, Earthling Transformers, and many more. These are sourced from the trusted vendors in the industry, who manufacture them with a high level of precision by using the best quality components and innovative techniques. Our offered Industrial Transformers are well-appreciated for their high performance, robust construction, and easy installation.

**INDUSTRIAL PUMP :** We are counted amongst the prominent Suppliers and Exporters of Industrial Pump in Karnataka, India. We offer various types of Industrial Pumps like End Suction Pumps, Split case pumps, Multi stage Pumps, Submersible pumps, Sump Pumps, Vacuum Pump, Water pumps, and Special purpose Pumps. These are well-appreciated for their efficient functioning, durability, and great performance. Our Industrial Pumps are easy to install and require a negligible maintenance cost. We offer them at a reasonable price.

**INDUSTRIAL CONVEYOR BELT :** We are rigorously engaged in supplying and exporting a wide range of Conveyor Belts. Our entity is based in Karnataka, India. Our offered Belts are widely used by various industries for the purpose of transporting the products from one place to another, within the unit. Our Industrial Conveyor Belts are durable, sturdy, resistant to heat, and long-lasting. We acquire it from the leading vendors in the industry, who use the premium grade materials and updated techniques for manufacturing it.

**CONVEYOR SYSTEM :** We are a major Supplier and Exporter of Conveyor System in Karnataka, India. Under this, we offer Angle impact idlers, Rubber ring return idlers, Conveyor Tail pulley, Conveyor pulley customized with Rubber lagging, 3 roll toughing idlers, Self-aligning carrying idlers, Impact deep toughing idlers, Plastic roller, Transition, Conveyor pulleys, and drums. We offer this system in varied specifications, as per the requirements of the client. We are well-capacitated to deliver it in bulk quantities, within the given time frame.

**INDUSTRIAL BEARINGS :** We have positioned ourselves as a significant Supplier and Exporter of Industrial Bearings. Our entity is based in Karnataka, India. Our offered Bearings are known for their perfect finish, rigid construction, optimum functionality, and corrosion resistance. We offer them in various sizes and dimensions, as per the technical requirements of the client. We offer them to various industries like automobile, etc. Our Industrial Bearings demand the least of maintenance. We offer them at a highly nominal rate.

# Our Services

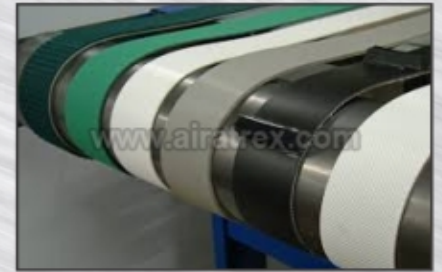

**INDUSTRIAL PULLEYS :** We have notched a remarkable position as a Supplier and Exporter of Industrial Pulleys in Karnataka, India. We offer a comprehensive range of Industrial Pulleys, which includes head pulleys, conveyor tail pulleys, idlers, return rollers, taper lock pulleys, flat pulleys, v belt pulleys, timing pulleys, variable speed pulleys, drill pulleys, step pulleys, split pulleys, qd bushing pulleys, solid pulleys, arm type pulleys etc. These are durable and long-lasting. Our Industrial Pulleys offer a smooth functioning and great performance.

**INDUSTRIAL V BELTS :** We are a prevalent Supplier and Exporter of Industrial V Belts in Bangalore, Karnataka, India. V belts are widely used on the high speed and high-torque drives on light, heavy industrial and automotive machines. Our vendors manufacture them by using the latest art of technology. These belts have exceptional length stability, great shock absorbing capacity, and drive uniformity. The range of V Belts has different sections namely A, B, C, D and E. These are made from the high performance polymers, High tenacity polyester cable cords, unique process of heat stretching &, length stabilizing.

**INDUSTRIAL RUBBER BELTS :** We are the leading Suppliers and Exporters of Industrial Rubber Belts in Karnataka, India. We offer them in various sizes and thickness, as per the requirements of the client. Our offered Industrial Rubber Belts are known for their high elasticity, resistance to heat, heavy load bearing capability, durability, and long operational life. We make sure that our offered belts are in accordance with the set industrial standards and norms. We are competent to deliver them in bulk quantities.

**INDUSTRIAL CONVEYOR CHAINS :** We are a renowned Supplier and Exporter of Industrial Conveyor Chains in Karnataka, India. Our Industrial Conveyor Chains are widely used for the purpose of material handling in various industries. Our offered chains are known for their perfect finish, heavy load bearing capability, strong structure, and operational functionality. These chains are easy to install and require the least of maintenance cost. We offer them in various sizes and specifications, to meet the diversified demands of our clients.

**INDUSTRIAL PVC BELTS :** We are highly engrossed in supplying and exporting a qualitative range of Industrial PVC Belts in Karnataka, India. We obtain them from our esteemed vendors, who use the best quality materials and updated techniques for manufacturing them. Our Industrial PVC Belts are compatible with all kinds of conveyors. We offer them in various designs and colours, to meet the typical requirements of our clients. These belts are widely used by various industries for material handling purposes.

# Our Services

**PLANETARY GEARBOX :** We are ranked amongst the giant Suppliers and Exporters of Planetary Gearbox in Karnataka, India. Our offered Planetary Gearbox has a perfect finish, robust construction, and long-lasting life. We obtain it from our reliable vendors, who use the innovative techniques for manufacturing it. We make sure that our offered Planetary Gearbox is in accordance with the standards and norms laid down by the industry. We have enough capacity to deliver it in bulk quantities, within the given time frame.

**INDUSTRIAL MOTOR :** We are a significant Supplier and Exporter of Industrial Motor in Bangalore, Karnataka, India. Under this, we offer We offer a wide range of High Voltage Motors from 2 to 20 Poles, up to 25 MW in Closed Air Circuit Water Cooled (CACW), Closed Air Circuit Air Cooled (CACA), Totally Enclosed Tube Ventilated Motors (TETV), Screen Protected Drip Proof (SPDP) and Totally Enclosed Fan Cooled (TEFC) for applications in Power, Steel, Sugar, Paper, and other industries. We thoroughly examine our Industrial Motors on the basis of various quality norms before delivering them to the clients.

**INDUSTRIAL VALVES :** Owing to a rich industry experience and in-depth knowledge, we have emerged as a dominant Supplier and Exporter of Industrial Valves. We carry out our operations from Karnataka, India. We offer a broad range of Industrial Valves, which includes Gate Valves, Ball Valves, Butterfly Valves, Globe Valves, Check Valves, Diaphragm valves, and many more. These are precisely manufactured by our vendors, who are well-equipped with the latest machinery and tools for bringing about a high-quality product. These valves are highly acknowledged for their smooth functioning, durability, and long operational life. We offer them at the market leading rates.

**BALL VALVES**

**BUTTERFLY VALVES**

**DIAPHRAGM VALVES**

**SOLENOID CONTROL VALVES**

**GATE VALVES**

**CHECK VALVES**

**BALL BEARINGS :** We are rigorously engaged in supplying and exporting a wide range of Ball Bearings in Karnataka, India. We offer them in various sizes and dimensions, to meet the typical requirements of our clients. These ball bearings are easy to install in various types of machines and equipment. Our Ball Bearings are highly appreciated for their robust construction, perfect finish, low maintenance, and long operational life. Our vendors precisely engineer them in compliance with the set industrial standards and norms.

# Our Services

**INDUSTRIAL TOOLS :** Owing to a rich industry experience, we have emerged as a major Supplier and Exporter of Industrial Tools. We carry out our operations from Karnataka, India. Our Industrial Tools are sourced from the leading vendors in the industry, who use the finest grade materials and pioneering techniques for fabricating them. We offer them to various industries for specific applications. These are available in various sizes and dimensions, as per the requirements of the client. We offer Industrial Tools at the leading market rates.

**ANTI VIBRATION MOUNTINGS :** We have attained a remarkable position, as a Supplier and Exporter of Anti Vibration Mounting. Our organisation is based in Karnataka, India. Our offered mountings are compatible with various machines. These are highly efficient in preventing the shocks that occur due to the overload in the machines. We obtain them from our reliable vendors, who use the quality-approved material and pioneering techniques for manufacturing them. Our Anti Vibration Mountings are available at the leading market rates.

**INDUSTRIAL HEATERS :** We are counted amongst the prominent Suppliers and Exporters of Industrial Heaters. Our entity is based in Karnataka, India. These are widely used in various industries for heating the machines. Our offered Industrial Heaters are well-appreciated for their robust structure, optimum functionality, easy installation, and durability. We offer them in various sizes and dimensions, to satiate the variegated requirements of our clients. We are well-capacitated to deliver them in bulk quantities, within the given time frame.

**CARBON BUSH BEARING :** Owing to a vast experience and profound knowledge, we have emerged as a dominant Supplier and Exporter of Carbon Bush Bearing. We offer it in various sizes and dimensions, to meet the varied requirements of our clients. Our offered Carbon Bush Bearings are burdened with various attributes like corrosion resistance, durability, perfect finish, great performance, efficient functioning, and long operational life. We obtain them from the leading vendors in the industry, who manufacture these bearing with the utmost accuracy.

**CIRCUIT BREAKERS :** We have positioned ourselves, as a trustworthy Supplier and Exporter of Circuit Breakers. Our well-reckoned entity is based in Karnataka, India. We source them from the leading vendors in the industry, who precisely manufacture these circuit breakers in line with the predefined industrial standards and norms. The entire range of our Circuit Breakers undergoes a series of quality checks before being forwarded to the clients. Our Circuit Breakers are available at the leading market rates.

# Our Services

**MOLDED CASE CIRCUIT BREAKERS :** We are a significant Supplier and Exporter of Molded Case Circuit Breakers in Karnataka, India. Our vendors fabricate them by using the contemporary techniques and tools. We make sure that our Molded-case Circuit Breakers are in line with the standards and norms laid down by the industry. We are endowed with an ample storage capacity, to meet the bulk requirements of our clients on a timely basis. We offer them to various industries for specific applications. Our Molded Case Circuit Breakers are available at the leading market rates.

**RTD THERMOCOUPLE ASSEMBLIES :** Our noteworthy entity is rigorously engaged in supplying and exporting a comprehensive range of RTD Thermocouple Assemblies. We carry out our operations from Karnataka, India. These are sourced from the leading vendors in the industry, who use the top quality materials and updated techniques for manufacturing them. We offer them in various sizes and specifications, to meet the varied interest of our clients. We have enough capacity to deliver them in bulk quantities, within the given time frame

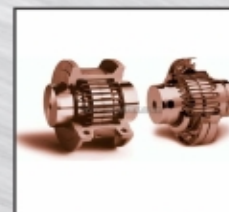

**TEMPERATURE GAUGES :** We are a major Supplier and Exporter of Temperature Gauges in Karnataka, India. We source them from our trusted vendors, who use the quality-approved materials and updated techniques for manufacturing them. These are widely used by various industries for measuring temperatures. Our offered Temperature Gauges are highly acknowledged for their accurate result, rigid structure, durability, and long lifespan. We thoroughly check them on the basis of various quality parameters before the final delivery.

**PRESSURE GAUGES :** We are counted amongst the dominant Suppliers and Exporters of Pressure Gauges in Karnataka, India. We obtain them from our esteemed vendors, who use the top quality materials and innovative techniques for fabricating them. These are widely used by various industries like chemical, oil, paint, cement etc. We are backed by a team of dexterous professionals, who thoroughly examine the entire range of our Pressure Gauges against the stringent quality parameters. We offer them at the leading market rates.

**INDUSTRIAL COUPLINGS :** We are a significant Supplier and Exporter of Industrial Couplings in Karnataka, India. We offer a comprehensive range of Industrial Couplings, which includes Gear Coupling, Pin Bush Flexible Couplings, Brake Drum Gear Couplings, Bibby Couplings, and Tyre Couplings. These are profusely demanded by various industries like automotive, textile etc. Our offered Industrial Couplings are highly appreciated for their dimensional accuracy, perfect finish, great performance, and long operational life. We procure them from our prestigious vendors, who use the premium grade materials and updated techniques for manufacturing them.

GEAR COUPLINGS    PIN BUSH FLEXIBLE COUPLINGS    BRAKE DRUM GEAR COUPLINGS    BIBBY COUPLINGS    TYRE COUPLINGS
