About Us

Catering to the needs of several industries, S. R. M. Marketing is a reliable Manufacturer, Supplier and Trader of a wide range of products, Adhesives, Resin Pigments, Epoxy Resins, Epoxy Amines, Accelerator for Epoxy Resin, Inorganic Pigment Powder, Titanium Dioxide Pigment Powder, Epoxy Curing Agents, Polyester Car Putty and White Fumed Silica. These products are processed using premium materials and under the guidance of Experts. Also, we have advanced machinery, enabling us to offer matchless quality. We have earned respect and trust of the clients since we can produce the best quality and deliver it in a timely manner. Our products assist in performing diverse applications in varied sectors such as Handicrafts, Marble, Flex Bonding, Show Making, Wooden, among others.

Established in 2003, in Kishangarh- Rajasthan, we have gained excellence under the guidance of Mr. Akshay Jain- Owner. We attained a rock-steady position in five years of our establishment. We have a well-established client network in India due to quality products, on-time delivery and customers-centric business policies. Our products are highly demanded in different industries, schools, institutions for their high durability and long lasting life.

● Vision

We are here with the prime vision to meet our esteemed customers requirements. We endeavor constantly to leave no stone unturned in supplying of flawless epoxy adhesive resin, industrial adhesives, and other products. The customers are of prime importance, which is why we maintain quality in our products.

● Our Progress Path

We are in business since 1971; earlier we were a government contractor of electric lining work of Rajasthan state electricity board. After attaining experience we opened a small branch of power tools named Sanjay Radio and Electric Work at Kishangarh Industrial Estate. After good liaisons we started taking direct contracts with marbles Manufacturer. We got first contract signed in 2003 with R K Marbles (p) Limited. We started S.R. Marketing in 2003, as a large scale unit to manufacture quality adhesives like fevikwik and araldite so as to meet demands of different industries.

● Team Power

We are aided by a team of devoted, qualified and experienced members, which has led us to carve a niche as one of the prominent names. The team works in coordination to provide utmost levels of client satisfaction. Besides, we are equipped with advanced machines and latest equipment, which enable us to deliver quality products in accordance with our customers specifications and drawings.

● Quality Assurance

Our manufacturing process consists of a team of dedicated and experienced personnel to check the quality of the product at each and every stage of production and to assure timely delivery of the same. They keep on imposing Quality Control Standards and assuring that they are implemented to meet various quality parameters.

Products

10% Hi-Fi Epoxy Resin and Hardener

35% Hi-Fi Epoxy Resin and Hardener

5Kg White Fumed Silica

Activated Carbon Granules

B-11 Epoxy Resin

Crack Filling Epoxy Resin

Crystal Clear Epoxy Hardener

D230 Jaffamine Epoxy Hardener

Epotec YD 128 Epoxy Resin

Fata Fat Bond Super Glue

Floor Coating Epoxy

FRP Epoxy Resin Pigment

Products

Hard Tite Resin and Hardener Kit

Hi-Fi Colour Converter

Hi-Fi High Glow Epoxy Set

Hi-Fi Shiner

High Performance Epoxy Resin Gel

Liquid Epoxy Resin Pigment

Liquid Floor Coating Epoxy System

Liquid Rust Removing Chemical

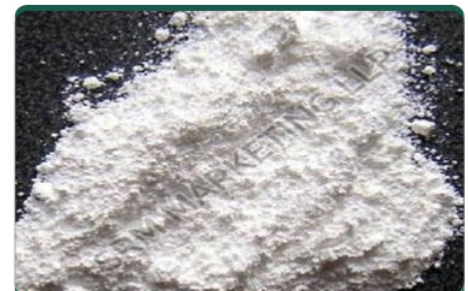

Silane Coupling Agent

Silica Filler

Special Quartz Stone Silane Coupling Agent

Titanium Dioxide Extender

Products

Triethylenetetramine (TETA)

Crystal Clear Casting Epoxy Hardener

Industrial Epoxy Hardener

Jaffamine D2000 Epoxy Hardener

Atul Epoxy Resin

Crystal Clear Epoxy Resin

Epoxy Infusion Resin

Industrial Grade Epoxy Resin

1-20Kg Substitute Fumed Silica

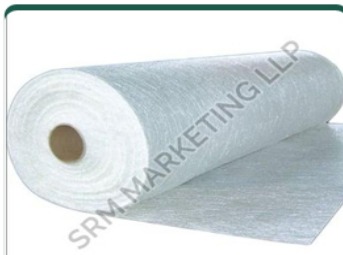

5Kg Fumed Silica

Polyester Putty

PU Putty

B Grade CSM Emulsion Fiberglass Mat

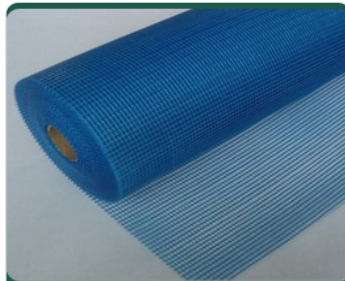

Fiber Glass Mesh

Products

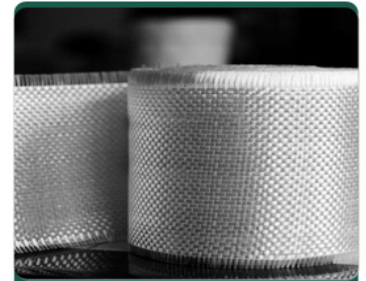

Fiberglass Continuous Filament Mat

Fiberglass Mosaic Mesh

Fiberglass Powder Mat

Fiberglass Woven Roving Mat

Chemical Fiberglass Grinding Fabric

Technical Fiberglass Fabric

High Quality Instant Adhesive

Instant Adhesive

Mxbon 101 Instant Adhesive

PU 20Kg Structural Adhesive

White Pressure Sensitive Adhesive

Silicone Moulds

Stainless Steel Industrial Storage Rack

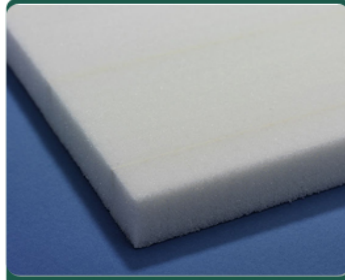

Sulzer DXR Refill Station Epoxy Machine

Products

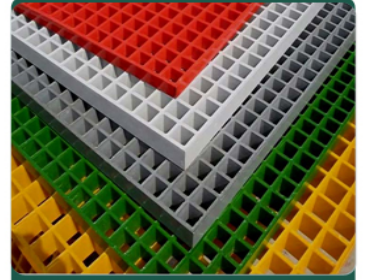

Vacuum Bagging Film

White Divinycell PET Foam Sheets

Industrial PVC Foam Divinycell

FRP Pathway

FRP Composite Pipe

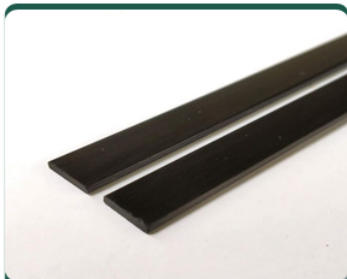

Aluminium Hytrol Conveyor System

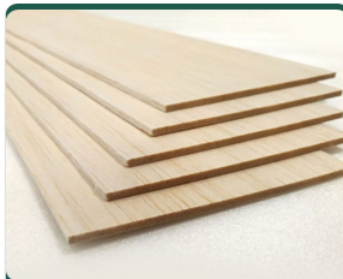

Black Carbon Fiber Roving

3 Phase Electrical Panel

Black FRP Carbon Fiber Stripes

Brown Balsa Wood Sheet

Busch Vacuum Pump

Chemical Resistant Safety Gloves

Double Planetary Mixer

20 Feet Portable Cold Storage Refrigerated Container
