# ABOUT US

The SS Technomed Pvt. Ltd. has received widespread acclaim and recognition for its dedicated approach and an honest methodology. All the high-end equipment offered by us is in strict compliance with the international standards of quality and ensure complete customer satisfaction. In addition, all the equipment is offered in a diverse range to cater to the vast client base.

## Infrastructure

We are firmly backed by an excellent infrastructure, which spans an area of 9,000 sq. feet. We are also equipped with a state of the art factory, which includes latest machinery and

sophisticated technology. Owing to our state of art infrastructure, we hold an excellent production capacity.

## Quality Control

Being an ISO- 9001-2000 certified company, we strictly follow all the relevant quality norms to ensure proper quality checks as well as smooth operation in the company. In addition, we are also equipped with our own R&D department and a Testing room to ensure complete customer satisfaction.

## Team

We employ a team of adroit professionals, who provide the customers with the required technical support and ensure flawless equipment to the esteemed clients. Moreover, the professionals ensure that the entire manufacturing unit functions smoothly and there are no discrepancies.
