PLACE: DELHI

**EXPLANATORY STATEMENT IN RESPECT OF THE SPECIAL BUSINESS PURSUANT TO THE SECTION 102 OF THE COMPANIES ACT, 2013**

**Item No 3**

At the Annual General Meeting (AGM) held on 28<sup>th</sup> September, 2016, Mr. Pramod Kumar Goel (DIN: 07571092) was appointed as Non-Executive Independent Director of the Company for a first term of 5 consecutive years w.e.f 13<sup>th</sup> August, 2016 and who holds office upto 12<sup>th</sup> August 2021.

Mr. Pramod Kumar Goel is associated with the Company from past five years as Independent Director of the Company. He participated in various discussions and provided valuable suggestions to the Board and promoted effective participation of all Directors in the meetings. His rich knowledge, skills, wide experience and contributions have immensely benefited the Company.

Mr. Pramod Kumar Goel, is fit and capable of discharging his duties as Independent Director of the Company. Considering all the aforesaid factors and on the basis of report of performance evaluation of Mr. Pramod Kumar Goel, the Nomination and Remuneration Committee recommended to the Board that their continued association will immensely benefit the Company.

Pursuant to the recommendation of NRC and report of performance evaluation and in order to reap benefits of his rich and varied experience, the Board at its meeting held on 13<sup>th</sup> August 2021 took into record the expiration of his first term and thus cessation of Independent Director and recommended re-appointment of Mr. Pramod Kumar Goel (DIN: 07571092), as Non-Executive Independent Director of the Company for a second term of five consecutive years with effect from 30<sup>th</sup> September 2021 to 29<sup>th</sup> September 2026.

The brief profile and other details of Mr. Pramod Kumar Goel required as per Regulation 36(2) of the Listing Regulations and Secretarial Standard - 2 is provided in Annexure to this Notice.

The Company has received declaration of independence from the director confirming that he met the criteria of independence as specified in Section 149 (6) of the Act and Regulation 16 (1) (b) the Listing Regulations and that he is not aware of any circumstance or situation, which exist or may be reasonably anticipated, that could impair or impact his ability to discharge duties with an objective independent judgment and without any external influence. The Board after assessing veracity of the same is of the opinion that he fulfills the conditions for re appointment as an Independent Director as specified in the Companies Act, 2013 and Rules made there under and the Listing Regulations and he is independent of the management. Further, Mr. Pramod Kumar Goel is not disqualified to act as Director of the Company. He had also given a declaration that he is not debarred from holding the office of Director by virtue of any SEBI order or any other such authority.

The letter of re appointment setting out the terms and conditions of the said re appointment is available for inspection at the Registered Office of the Company on all days except Sundays or Public holidays between 2.00 P.M.to 4.00 P.M. upto the date of the AGM and also at the AGM.

Pursuant to the provisions of Section 149 of the Act read with Schedule IV of the Act, re appointment of Independent Director shall be approved by the members of the Company.

The Board recommends the Special Resolution set out in Item No. 3 of the Notice, for approval of the members of the Company.

None of the Directors and Key Managerial Personnel of the Company and their relatives, except the appointees and their relatives are concerned or interested, financially or otherwise, in the said resolution.

**IMPORTANT NOTES:**

1. As you are aware, in view of the situation arising due to COVID-19 global pandemic, the general meetings of the companies shall be conducted as per the guidelines issued by the Ministry of Corporate Affairs (MCA) vide Circular No. 14/2020 dated April 8, 2020, Circular No.17/2020 dated April 13, 2020 and Circular No. 20/2020 dated May 05, 2020. Also the extension is also given by MCA to hold the Annual General Meeting through Video Conferencing or other audio visual means (OAVM) vide MCA General Circular No. 02/2021 dated 13<sup>th</sup> January 2021.

The forthcoming AGM will thus be held through video conferencing (VC) or other audio visual means (OAVM). Hence, Members can attend and participate in the ensuing AGM through VC/OAVM.

2. Pursuant to the provisions of Section 108 of the Companies Act, 2013 read with Rule 20 of the Companies (Management and Administration) Rules, 2014 (as amended) and Regulation 44 of SEBI (Listing Obligations & Disclosure Requirements) Regulations 2015 (as amended), and MCA Circulars dated April 08, 2020, April 13, 2020 and May 05, 2020 and 13<sup>th</sup> January 2021, the Company is providing facility of remote e-voting to its Members in respect of the business to be transacted at the AGM. For this purpose, the Company has entered into an agreement with Central Depository Services (India) Limited (CDSL) for facilitating voting through electronic means, as the authorized e-Voting's agency. The facility of casting votes by a member using remote e-voting as well as the e-voting system on the date of the AGM will be provided by CDSL.
3. The Members can join the AGM in the VC/OAVM mode 30 minutes before and 15 minutes after the scheduled time of the commencement of the Meeting by following the procedure mentioned in the Notice. The facility of participation at the AGM through VC/OAVM will be made available to all as the company has less than 1000 shareholders. There is no restriction on account of first come first served basis.
4. The attendance of the Members attending the AGM through VC/OAVM will be counted for the purpose of ascertaining the quorum under Section 103 of the Companies Act, 2013.
5. Pursuant to MCA Circular No. 14/2020 dated April 08, 2020, this AGM is being held through VC/OAVM, physical attendance of Members has been dispensed with and the facility to appoint proxy to attend and cast vote for the members is not available for this AGM. Hence, Attendance Slip and Proxy Form including Route Map are not annexed to this notice. However, in pursuance of Section 112 and Section 113 of the Companies Act, 2013, representatives of the members such as the President of India or the Governor of a State or body corporate can attend the AGM through VC/OAVM and cast their votes through e-voting.
6. In line with the Ministry of Corporate Affairs (MCA) Circular No. 17/2020 dated April 13, 2020, the Notice calling the AGM has been uploaded on the website of the Company at <https://www.agarwalduplex.net/notice-file.htm> The Notice can also be accessed from the websites of the Stock Exchange i.e. MSE Limited at [www.msei.in](http://www.msei.in). The AGM Notice is also disseminated on the website of CDSL (agency for providing the Remote e-Voting facility and e-voting system during the AGM) i.e. [www.evotingindia.com](http://www.evotingindia.com).
7. The AGM has been convened through VC/OAVM in compliance with applicable provisions of the Companies Act, 2013 read with MCA Circular No. 14/2020 dated April 8, 2020 and MCA Circular No. 17/2020 dated April 13, 2020 and MCA Circular No. 20/2020 dated May 05, 2020.
8. In continuation of this Ministry's [General Circular No. 20/2020](#), dated 05th May, 2020 and after due examination, it has been decided to allow companies whose AGMs were due to be held in the year 2020, or become due in the year 2021, to conduct their AGMs on or before 31.12.2021, in accordance with the requirements provided in paragraphs 3 and 4 of the General Circular No. 20/2020 as per MCA circular no. 02/2021 dated January,13,2021.
9. The Securities and Exchange Board of India (SEBI) has mandated the submission of Permanent Account Number (PAN) by every participant in securities market. Members holding shares in electronic form are, therefore, requested to submit the PAN to their Depository Participants with whom they are maintaining their demat accounts. Members holding shares in physical form can submit their PAN details to the Company.
10. Details under Listing Regulations and Revised Secretarial Standards - 2 on General Meetings, in respect of the Directors seeking appointment/re-appointment at the Annual General Meeting, forms integral part of the notice. The Directors have furnished the requisite declarations for their appointment/re-appointment.
11. In accordance with, the General Circular No. 20/2020 dated 5th May, 2020 issued by MCA and Circular No. SEBI/HO/CFD/CMD1/CIR/P/2020/79 dated 12th May, 2020 issued by SEBI, owing to the difficulties involved in dispatching of physical copies of the financial statements (including Report of Board of Directors, Auditor's report or other documents required to be attached therewith), such statements including the Notice of AGM are being sent in electronic mode to Members whose e-mail address is registered with the Company or the Depository Participant(s).
12. Members holding shares in physical mode and who have not updated their email addresses with the Company are requested to update their email addresses by writing to the Company at [agarwalduplex1984@gmail.com](mailto:agarwalduplex1984@gmail.com) along with the copy of the signed request letter mentioning the name and address of the Member, self-attested copy of the PAN card, and self-attested

copy of any document (eg.: Driving License, Election Identity Card, Passport) in support of the address of the Member. Members holding shares in dematerialised mode are requested to register / update their email addresses with the relevant Depository Participants.

13. The Register of Members and Share Transfer Registers will remain closed from 24.09.2021 to 30.09.2021 (Both days inclusive).

14. Beetal Financial and Computer Services Limited is the Registrar and Share Transfer Agent of the company for both physical and electronic form of shareholdings. All communications relating to shares should be directly addressed to:

**Beetal Financial & Computer Services Ltd.**

Beetal House, 3<sup>rd</sup> Floor, 99, Madangir  
Near Dada Harsukhdas Mandir  
New Delhi-110 062

15. All documents referred to in the accompanying Notice shall be available for inspection through electronic mode on the request of the shareholder sent on agarwalduplex1984@gmail.com.

16. Register of Directors and Key Managerial Personnel and their shareholding maintained under Section 170 of Companies Act, 2013 and Register of Contracts or arrangements in which directors are interested maintained under Section 189 of the Companies Act, 2013 will be available for inspection by the members during the Annual General Meeting on login at CDSL e-voting system.

17. The Ministry of Company Affairs has taken a "Green Initiative in Corporate Governance" by allowing paperless compliance by Companies through electronic mode. We propose to send future communication, in electronic mode to the e-mail address provided by you. So, Shareholders whose e - mail address is not registered with us are requested to please get your email address registered with us, so that your Company can contribute to the safety of environment.

**18. Voting through electronic means**

a. In compliance with provisions of Section 108 of the Companies Act, 2013 and Rule 20 of the Companies (Management and Administration) Rules, 2014, the Company is pleased to provide members facility to exercise their right to vote at the 37<sup>th</sup> Annual General Meeting (AGM) by electronic means and the business may be transacted through e-Voting Services provided by Central Depository Services (India) Ltd.

b. The instructions for e-voting are as under:

(i) The voting period begins on 27<sup>th</sup> September, 2021 at 10.00 A.M and ends on 29<sup>th</sup> September, 2021 at 5.00 P.M. During this period shareholders' of the Company, holding shares either in physical form or in dematerialized form, as on the cut-off date (record date) of 23<sup>rd</sup> September 2021 may cast their vote electronically. The e-voting module shall be disabled by CDSL for voting thereafter.

(ii) Shareholders who have already voted prior to the meeting date would not be entitled to vote at the meeting venue.

(iii) Pursuant to SEBI Circular No. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated 09.12.2020, under Regulation 44 of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, listed entities are required to provide remote e-voting facility to its shareholders, in respect of all shareholders' resolutions. However, it has been observed that the participation by the public non-institutional shareholders/retail shareholders is at a negligible level. Currently, there are multiple e-voting service providers (ESPs) providing e-voting facility to listed entities in India. This necessitates registration on various ESPs and maintenance of multiple user IDs and passwords by the shareholders.

In order to increase the efficiency of the voting process, pursuant to a public consultation, it has been decided to enable e-voting to all the demat account holders, by way of a single login credential, through their demat accounts/ websites of Depositories/ Depository Participants. Demat account holders would be able to cast their vote without having to register again with the ESPs, thereby, not only facilitating seamless authentication but also enhancing ease and convenience of participating in e-voting process.

- (iv) In terms of SEBI circular no. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated December 9, 2020 on e-Voting facility provided by Listed Companies, Individual shareholders holding securities in demat mode are allowed to vote through their demat account maintained with Depositories and Depository Participants. Shareholders are advised to update their mobile number and email Id in their demat accounts in order to access e-Voting facility.

Unlocking of manufacturing activities gradually started from the month of May, 2020. The plant of the company was shut down due to the lockdown during the month of April, 2020 and also impacted during the month of May, 2020. Due to the lockdown, the operations of the company impacted and there was less volume of sales during the Financial Year 2020-21 and consequently profit of the company also got effected.

The Turnover for the Financial Year ended on 31.03.2021 is Rs. 12730.04 Lacs as compared to Rs. 15347.64 Lacs last year. The Net Profit (Before Tax & Exceptional items) the Company is Rs 85.31 Lacs as compared to Rs.160.89 Lacs last year. The company is engaged in manufacturing of Duplex Board, Finished Paper, etc.

**FUTURE PROSPECTS**

According to the “**Paper Mart (A bio-monthly magazine for Paper Industries in India)**”, the Indian paper industry has a promising opportunity to become a global supplier of segments such as Kraft paper, and by upgrading technologically, we can seamlessly be on the path to be the leader globally.

The price of paper has been showing an upward trend these days and chiefly speaking, the less availability of the containers has substantially impacted the prices, and in effect, the collections in western countries has been majorly affected since the emergence of the pandemic.

As we look back on the year 2020, it's impossible to overlook the impact of the global pandemic on countless industries and the economies of almost every nation around the globe. In the face of the COVID-19 crisis, the pulp and paper industry had to swiftly make efforts to optimize their company's resilience – while assessing opportunities for growth coming out of the downturn.

Also President of **Indian Papers Manufacturers Association**, told *Business Line*, “The first and second pandemic wave adversely affected the sector with paper consumption coming down. We hope to see demand recovery from the third quarter and pick up in the fourth quarter. However, there has been an all-round increase in input costs, across raw materials and in energy costs, as also of all sizing chemicals leading to pressure on costs.”

Impacted by the first and second waves of the Covid pandemic, the country's paper sector expects a revival of demand from the current half of the calendar year.

Due to the Covid pandemic since March 2020, the paper industry's both inward and outward supply chains have been disrupted, and are yet to recover fully. There has also been a severe demand compression due to the lockdown, closing down of educational institutes, commercial establishments and downstream printers, publishers, converters, stationery services.

**MANAGEMENT DISCUSSION & ANALYSIS REPORT**  
**INDUSTRY STRUCTURE AND DEVELOPMENT**

**PAPER INDUSTRY:**

India's share in the demand for paper across the globe were analysed is growing, as the domestic demand is increasing at a steady pace, while the demand in western nations is shrinking. Notably, the demand for domestic paper in India rose from 9.4 million tonnes in FY08 to 15.4 million tonnes in FY16. Despite the continuous growth in the industry, per capita paper consumption in the country stands at a little over 14 kg, which is still well below the global average of 57 kg and considerably below 200 kg in North America.

*The Indian paper & paper products market is projected to grow from \$ 8.6 billion in 2018 to \$ 13.4 billion by 2024, exhibiting a CAGR of 7.8% during 2019-2024.*

Growing manufacturing sector, requirement of better quality packaging of FMCG products marketed through organized retail and the demand for the upstream market of paper products, such as tissue paper, filter paper, tea bags, light weight online coated paper and medical grade coated paper are expected to drive the paper & paper products market in India in coming years. Ballarpur Industries Limited (BILT) and ITC are among the largest producers of paper in the country.

According to the “**Paper Mart (A bi-monthly magazine for Paper Industries in India)**”, the demand for domestic paper in India rose from 9.4 million tonnes in FY08 to 15.4 million tonnes in FY16; and it continues to rise. Besides, the Indian paper and paper products market is projected to grow from USD 8.6 billion in 2018 to USD 13.4 billion by 2024, exhibiting a CAGR of 7.8 percent during 2019 to 2024.

Also, the Indian paper industry has a promising opportunity to become a global supplier of segments such as Kraft paper, and by upgrading technologically, we can seamlessly be on the path to be the leader globally.

The price of paper has been showing an upward trend these days and chiefly speaking, the less availability of the containers has substantially impacted the prices, and in effect, the collections in western countries has been majorly affected since the emergence of the pandemic.

As we look back on the year 2020, it's impossible to overlook the impact of the global pandemic on countless industries and the economies of almost every nation around the globe. In the face of the COVID-19 crisis, the pulp and paper industry had to swiftly make efforts to optimize their company's resilience – while assessing opportunities for growth coming out of the downturn.

Also President of **Indian Papers Manufacturers Association**, told *Business Line*, “The first and second pandemic wave adversely affected the sector with paper consumption coming down. We hope to see demand recovery from the third quarter and pick up in the fourth quarter. However, there has been an all-round increase in input costs, across raw materials and in energy costs, as also of all sizing chemicals leading to pressure on costs.”

Impacted by the first and second waves of the Covid pandemic, the country's paper sector expects a revival of demand from the current half of the calendar year.

Due to the Covid pandemic since March 2020, the paper industry's both inward and outward supply chains have been disrupted, and are yet to recover fully. There has also been a severe demand compression due to the lockdown, closing down of educational institutes, commercial establishments and downstream printers, publishers, converters, stationery services.

**PAPER & PAPER PRODUCTS DEMAND**

- Food banks around the world are experiencing dramatic increases in demand for food assistance driven by the economic impact of the COVID-19 pandemic. Now, more than ever, food banks need support. Paper Industry is

responding with its essential products —like corrugated boxes.

- Impacted by the first and second waves of the Covid pandemic, the country's paper sector expects a revival of demand from the current half of the calendar year.

Due to the Covid pandemic since March 2020, the paper industry's both inward and outward supply chains have been disrupted, and are yet to recover fully. There has also been a severe demand compression due to the lockdown, closing down of educational institutes, commercial establishments and downstream printers, publishers, converters, stationery services, according to Indian Paper Manufacturers Association.

“The consumption has gone down drastically, not only due to closure of educational institutes but also offices, IT companies and service industries. This has adversely impacted writing and printing grades and also grades like tissue. All segments of paper were adversely impacted, and it is only a matter of degree amongst different grades, with writing and printing and newsprint segments the worst impacted,” the Association states.

However, the writing and printing paper is facing a bleak scenario and demand would improve only when schools and colleges reopen. As the other sectors of the economy have started recovering, the need for packaging and paperboard is improving. Exports are providing some relief, even though realisations have gone down, as other countries have not been so severely impacted compared to India.

The sector can grow as the per capita paper consumption in India is at 15 kg against the global average of 57 kg. While the demand for paper is growing at 6-7 per cent per annum, India's share in world production of paper is at about five per cent, with an estimated output of 19 million tonnes per annum (TPA) and an annual turnover of about Rs.70,000 crore wherein the domestic market size of ₹80,000 crore.

According to CPPRI data (2019-20), India has 861 paper mills with 526 operational and with total installed capacity of 27.15 million tonnes.

The emphasis on education and literacy coupled with growth in organised retail and demand for better quality paper are the major drivers for writing and printing paper. There has been continued demand for quality packaging of FMCG products, organised retail, booming e-commerce, and other segments.

According to Rohit Pandit, IPMA, Secretary-General, “The paper Industry has made substantial investments in the last 5-7 years and it is becoming very difficult to meet its financial obligation in view of significant drop in margins. In recent years, several paper mills have closed down due to commercial unavailability.

The Indian paper & paper products market has been segmented into raw material, application and region. Based on raw material, the market has been categorized into waste & recycled paper, wood and agro residue. The waste & recycled paper segment is expected to dominate the market during forecast period, owing to growing concerns about the cutting down of trees for producing pulp. Further, based on application, the market has been bifurcated into writing & printing paper, paperboard & packaging, newsprint and specialty paper.

Among the application segments, the demand for paperboard & packaging is growing at the fastest pace, as paperboard & packaging caters to industries including FMCG, food & beverages, textiles and pharmaceutical. The segment is also expected to dominate the market, owing to factors such as rising urbanization, increasing preference for ready-to-eat foods and requirement of better-quality packaging of FMCG products marketed through organized retail.

The paper & paper products market in India has been segmented into North, South, East and West. Western region is the lead consumer of paper & paper products across the country, on account of increasing paper consumption, especially

FMCG products.

The paper mills use a variety of raw materials such as wood, bamboo, bagasse, recycled fiber, wheat straw, rice and husk. The geographical location of the mill often determines the type of raw material used. Most mills in the northern and western regions of India depend heavily on agricultural residues and wastepaper as their raw material. While pulp & paper production in southern and eastern regions use wood and bamboo as raw materials.

We have examined the compliance of the conditions of Corporate Governance by **AGARWAL DUPLEX BOARD MILLS LIMITED** during the year ended 31<sup>st</sup> March, 2021 as stipulated in Chapter IV read with Schedule V of the SEBI (Listing Obligation And Disclosure Requirement) Regulations, 2015 of the said Company with the Stock Exchanges.

The compliance of the conditions of Corporate Governance is the responsibility of the management. Our examination was limited to the review of the procedures and implementation thereof, adopted by the Company for ensuring compliance with the conditions of Corporate Governance. It is neither an audit nor an expression of opinion on the financial statement of the company.

In our opinion and to the best of our information and explanation given to us by the company, we certify that the Company has complied with the conditions of Corporate Governance as stipulated in the above- mentioned Listing Agreement or SEBI Regulations, as and when applicable.

We further state that such compliance is neither an assurance as to the future viability of the Company nor the efficiency or effectiveness with which the Management has conducted the affairs of the Company.

## Independent Auditor's Report

To  
The Members of  
**Agarwal Duplex Board Mills Limited**

### Financial Statements Opinion

We have audited the accompanying standalone financial statements of Agarwal Duplex Board Mills Limited ("the Company"), which comprise the Balance Sheet as at March 31, 2021, the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Changes in Equity and the Statement of Cash Flows for the year ended on that date, and a summary of the significant accounting policies and other explanatory information (hereinafter referred to as "the standalone financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2021, the profit and total comprehensive income, changes in equity and its cash flows for the year ended on that date.

### Basis for Opinion

We conducted our audit of the standalone financial statements in accordance with the Standards on Auditing specified under section 143(10) of the Act (SAs). Our responsibilities under those Standards are further described in the *Auditor's Responsibilities for the Audit of the Standalone Financial Statements* section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the independence requirements that are relevant to our audit of the standalone financial statements under the provisions of the Act and the Rules made there under, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the standalone financial statements.

### Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the standalone financial statements of the current period. These matters were addressed in the context of our audit of the standalone financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

### Information Other than the Standalone Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexure to Board's Report, Business Responsibility Report, Corporate Governance and Shareholder's Information, but does not include the standalone financial statements and our auditor's report thereon.

Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information;

we are required to report that fact. We have nothing to report in this regard.

### **Management's Responsibility for the Standalone Financial Statements**

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance, total comprehensive income, changes in equity and cash flows of the Company in accordance with the Ind AS and other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

### **Auditor's Responsibilities for the Audit of the Standalone Financial Statements**

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error; and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error; design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the standalone financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

#### **Report on Other Legal and Regulatory Requirements**

1. As required by Section 143 (3) of the Act, we report that:
  - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit;
  - b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books;
  - c) The balance sheet, the statement of profit and loss, the statement of cash flow and the statement of changes in equity dealt with by this report are in agreement with the books of account.
  - d) In our opinion, the aforesaid Standalone Ind AS financial statements comply with the Accounting Standards prescribed under section 133 of the Act, read with relevant rule issued there under;
  - e) On the basis of the written representations received from the directors as on March 31, 2021 taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2021 from being appointed as a director in terms of Section 164(2) of the Act;
  - f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "**Annexure A**". Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls over financial reporting.
  - g) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and

according to the explanations given to us:

- i) The Company has disclosed the impact of pending litigations on its financial position in its standalone Ind AS financial statements;
  - ii) The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses; and
  - iii) There were no amounts required to be transferred, to the Investor Education and Protection Fund by the Company.
2. As required by the Companies (Auditor's Report) Order, 2016 ("the Order") issued by the Central Government in terms of section 143(11) of the Act, we give in "**Annexure B**" a statement on the matters specified in paragraphs 3 and 4 of the Order.

### **“Annexure A” To the Independent Auditor's Report**

(Report on the Internal Financial Controls Over Financial Reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”) as referred to in paragraph 1(f) of 'Report on Other Legal and Regulatory Requirements' section)

We have audited the internal financial controls over financial reporting of Agarwal Duplex Board Mills Limited (“the Company”) as of March 31, 2021 in conjunction with our audit of the standalone Ind AS financial statements of the Company for the year ended on that date.

#### **Management's Responsibility for Internal Financial Controls**

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

#### **Auditor's Responsibility**

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) issued by the Institute of Chartered Accountants of India and the Standards on Auditing prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the standalone Ind AS financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

#### **Meaning of Internal Financial Controls over Financial Reporting**

A Company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A Company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

#### **Inherent Limitations of Internal Financial Controls over Financial Reporting**

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future

periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

**Opinion**

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2021, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

**Note 1****Company Overview**

Agarwal Duplex Board Mills Limited which has its Registered Office at 217, Agarwal Prestige Mall, Plot No- 2, Community Center, Pitampura, Delhi 110034. The company is engaged in Manufacturing of Coated Duplex, Kraft, & Poster Paper and other Commercial Activities.

These financial statements were approved and adopted by Board of Directors of the Company in their meeting held on June 30th, 2021.

**Note 2****Basis of Preparation of Financial Statements****2.1 Statement of Compliance:**

The Financial Statements have been prepared in accordance with Indian Accounting Standards (Ind AS) as prescribed under Section 133 of the Companies Act, 2013 read with Companies (Indian Accounting Standards) Rules, 2015 and as amended time to time and relevant provisions of the Companies Act, 2013.

**2.2 Basis of Preparation:**

Accounting policies have been consistently applied except where a newly issued accounting standard is initially adopted or a revision to an existing accounting standard requires a change in the accounting policy hitherto in use. The financial statements are presented in INR and all values are rounded to the nearest INR Lakhs, except when otherwise indicated.

**2.3 Use of Estimates**

The preparation of the financial statements in conformity with Ind AS requires management to make estimates, judgments and assumptions. These estimates, judgments and assumptions affect the application of accounting policies and the reported amounts of assets and liabilities, the disclosures of contingent assets and liabilities at the date of the financial statements and reported amounts of revenues and expenses during the period. Application of accounting policies that require critical accounting estimates involving complex and subjective judgments and the use of assumptions in these financial statements have been disclosed in Note.

Accounting estimates could change from period to period. Actual results could differ from those estimates. Appropriate changes in estimates are made as management becomes aware of changes in circumstances surrounding the estimates. Changes in estimates are reflected in the financial statements in the period in which changes are made and, if material, their effects are disclosed in the notes to the financial statements.

**Estimation of Uncertainties relating to the Global Health Pandemic from COVID-19**

The COVID-19 pandemic is an evolving human tragedy declared a global pandemic by the World Health Organisation with adverse impact on economy and business. Supply Chain disruptions in India as a result of the outbreak started with restrictions on movement of goods, closure of borders etc., in several states followed by a nationwide lockdown from the 25th of March 2020 announced by the Indian Government, to stem the spread of COVID-19.

In light of these circumstances, the Company has considered the possible effects that may result from COVID-19 on the carrying amounts of financial assets, inventory, receivables, advances, property plant and equipment, Intangibles etc. as well as liabilities accrued. In developing the assumptions relating to the possible future uncertainties in the economic conditions because of this pandemic, the Company has used internal and external information such as our current contract terms, financial strength of partners, investment profile, future volume estimates from the business etc. Having reviewed the underlying data and based on current estimates the Company expects the carrying amount of these assets will be recovered and there is no significant impact on liabilities accrued. The impact of COVID-19 on the Company's financial statements may differ from that estimated as at the date of approval of these financial statements and the Company will continue to closely monitor any material changes to future economic conditions.

**Note 3  
Significant Accounting Policies**

**3.1 Property, Plant and Equipment (PPE)**

These tangible assets are held for use in production, supply of goods or services or for administrative purposes. These are recognized and carried under cost model i.e. cost less accumulated depreciation and impairment loss, if any.

- Cost includes freight, duties, taxes and other expenses directly incidental to acquisition, bringing the asset to the location and installation including site restoration up to the time when the asset is ready for intended use. Such Costs also include Borrowing Cost if the recognition criteria are met.
- When a major inspection/repair occurs, its cost is recognized in the carrying amount of the plant and equipment as a replacement if the recognition criteria are satisfied. Any remaining carrying amount of the cost of previous inspection/repair is derecognized.
- Depreciation has been provided on straight line method in terms of expected life span of assets as referred to in Schedule II of the Companies Act, 2013.

<b>S.No.</b>	<b>Description of Assets</b>	<b>Useful life</b>
1.	Factory building	30
2.	Office building	30
3.	Plant and machinery	18
4.	Furniture and fixture	10
5.	Vehicle	8
6.	ETP and boiler	25
7.	Office Equipments	5

- In the following category of property plant and equipment, the depreciation has been provided on the technical evaluation of the useful life which is different from the one specified in Schedule II to the Companies Act, 2013.  
Paper Mill Plant & Machinery: 18 years
- Components relevant to Property, plant and equipment, where significant, are separately depreciated on straight line basis in terms of their life span assessed by technical evaluation in item specific context.
- Sales of Property, plant and equipment any profit earned/loss sustained towards excess/shortfall of sale value vis-a-vis carrying cost of assets is accounted for in statement of profit & loss.

**3.2 Impairment**

The carrying amount of Property, plant and equipments, Intangible assets and Investment property are reviewed at each Balance Sheet date to assess impairment if any, based on internal / external factors. An asset is treated as impaired, when the carrying cost of asset exceeds its recoverable value, being higher of value in use and net selling price. An impairment loss is recognized as an expense in the Statement of Profit and Loss in the year in which an asset is identified as impaired. The impairment loss recognized in prior accounting period is reversed, if there has been an improvement in recoverable amount.

**3.3 Inventory Valuation**

Inventories are valued at the lower of cost or net realizable value. Cost includes purchase price, duties, transport & handing costs and other costs directly attributable to the acquisition and bringing the inventories to their present location and condition.

The basis of determination of cost remains as follows:

- Raw material, Packing Material: Moving Weighted Average Basis;
- Stores & spares: at standard cost which approximates the cost;

- Work-in-progress: Cost of input plus overhead up to the stage of completion;
- Finished Goods: Cost of input plus appropriate overhead.

### **3.4 Financial Assets & Liabilities**

A Financial Instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

#### **3.4.1 Financial Assets**

At initial recognition, all financial assets are measured at fair value. Such financial assets are subsequently classified under following three categories according to the purpose for which they are held. The classification is reviewed at the end of each reporting period.

##### **3.4.1.1 Financial Assets at Amortized Cost**

At the date of initial recognition, are held to collect contractual cash flows of principal and interest on principal amount outstanding on specified dates. These financial assets are intended to be held until maturity. Therefore, they are subsequently measured at amortized cost by applying the Effective Interest Rate (EIR) method to the gross carrying amount of the financial asset. The EIR amortization is included as interest income in the profit or loss. The losses arising from impairment are recognized in the profit or loss.

##### **3.4.1.2 Financial Assets at Fair value through Other Comprehensive Income**

At the date of initial recognition, are held to collect contractual cash flows of principal and interest on principal amount outstanding on specified dates, as well as held for selling. Therefore, they are subsequently measured at each reporting date at fair value, with all fair value movements recognized in Other Comprehensive Income (OCI). Interest income calculated using the effective interest rate (EIR) method, impairment gain or loss and foreign exchange gain or loss are recognized in the Statement of Profit and Loss. On derecognition of the asset, cumulative gain or loss previously recognized in Other Comprehensive Income is reclassified from the OCI to Statement of Profit and Loss.

##### **3.4.1.3 Financial Assets at Fair value through Profit or Loss**

At the date of initial recognition, financial assets are held for trading, or which are measured neither at Amortized Cost nor at Fair Value through OCI. Therefore, they are subsequently measured at each reporting date at fair value, with all fair value movements recognized in the Statement of Profit and Loss.

- **Investment in Equity Shares**

Investments in Equity Securities are initially measured at cost.

- **Trade Receivables**

A Receivable is classified as a 'trade receivable' if it is in respect to the amount due from customers on account of goods sold or services rendered in the ordinary course of business. Trade receivables are recognized initially at fair value and subsequently measured at amortized cost using the effective interest method, less provision for impairment. For some trade receivables the Company may obtain security in the form of guarantee, security deposit or letter of credit which can be called upon if the counterparty is in default under the terms of the agreement.

- **Cash and Cash Equivalents**

Cash and cash equivalents comprise cash on hand, cash at bank and demand deposits with banks with an original maturity of three months or less which are subject to an insignificant risk of change in value.

- **Other Bank Balances**

Deposits with banks with an original maturity of more than three months but subject to 12 months are shown under this head.

- **De-recognition of Financial Assets**

Financial Asset is primarily derecognized when:

- The right to receive cash flows from asset has expired, or
- The Company has transferred its right to receive cash flows from the asset or has assumed an obligation to pay the received cash flows in full without material delay to a third party under a “ pass-through” arrangement.

### **3.4.2 Financial Liabilities**

All financial liabilities are recognized initially at fair value and, in the case of loans and borrowings and payables, net of directly attributable transaction costs. The Company's financial liabilities include trade and other payables, loans and borrowings including bank overdrafts, and derivative financial instruments.

#### **3.4.2.1 Financial Liabilities at Fair Value through Profit or Loss**

Financial liabilities at fair value through profit or loss include financial liabilities held for trading. The Company has not designated any financial liabilities upon initial measurement recognition at fair value through profit or loss. Financial liabilities at fair value through profit or loss are at each reporting date with all the changes recognized in the Statement of Profit and Loss.

#### **3.4.2.2 Financial Liabilities measured at Amortized Cost**

After initial recognition, interest bearing loans and borrowings are subsequently measured at amortized cost using the effective interest rate method ("EIR") except for those designated in an effective hedging relationship. The carrying value of borrowings that are designated as hedged items in fair value hedges that would otherwise be carried at amortized cost are adjusted to record changes in fair values attributable to the risks that are hedged in effective hedging relationship.

Amortized cost is calculated by taking into account any discount or premium on acquisition and fee or costs that are an integral part of the EIR. The EIR amortization is included in finance costs in the Statement of Profit and Loss.

- **Loans and Borrowings**

After initial recognition, interest-bearing borrowings are subsequently measured at amortized cost using the effective interest rate method. Any difference between the proceeds (net of transaction costs) and the redemption amount is recognized in profit or loss over the period of the borrowings using the effective interest method. Fees paid on the establishment of loan facilities are recognized as transaction costs of the loan to the extent that it is probable that some or all of the facility will be drawn down.

Borrowings are classified as current liabilities unless the Company has an unconditional right to defer settlement of the liability for at least twelve months after the reporting period.

- **Trade and Other Payables**

A payable is classified as 'trade payable' if it is in respect of the amount due on account of goods purchased or services received in the normal course of business. These amounts represent liabilities for goods and services provided to the

Company prior to the end of financial year which are unpaid. Trade and other payables are presented as current liabilities unless payment is not due within 12 months after the reporting period. They are recognized initially at their fair value and subsequently measured at amortized cost using the effective interest method.

- **De-recognition of Financial Liability**

A Financial Liability is derecognized when the obligation under the liability is discharged or cancelled or expires. The difference between the carrying amount of a financial liability that has been extinguished or transferred to another party and the consideration paid, including any non-cash assets transferred or liabilities assumed, is recognized in profit or loss as other income or finance costs.

- **Offsetting of Financial Instruments**

Financial Assets and Financial Liabilities are offset and the net amount is reported in the balance sheet if there is a currently enforceable legal right to offset the recognized amounts and there is an intention to settle on a net basis, to realize the assets and settle the liabilities simultaneously.

### 3.5 Revenue Recognition

The Company earns revenue primarily from manufacturing of duplex board..

Effective April 1, 2018, the Company has applied Ind AS 115 "Revenue from Contracts with Customers" which establishes a comprehensive framework to depict timing and amount of revenue to be recognized. The Company has adopted Ind AS 115 using cumulative effect method, where any effect arising upon application of this standard is recognized as at the date of initial application (i.e. April 1, 2018). The standard is applied retrospectively only to contracts that are not completed as at the date of initial application and the comparative information in the interim statement of profit and loss is not restated – i.e. the comparative information continues to be reported under previous standards on revenue i.e. Ind AS 18 and Ind AS 11. There was no impact on adoption of Ind AS 115 to the financial statements of the Company.

Revenue is recognized when the Company satisfies the performance obligation by transferring the promised services to the customers. Services are considered performed when the customer obtains control, whereby the customer gets the ability to direct the use of such services and substantially obtains all benefits from the services. When there is uncertainty as to measurement or ultimate collectability, revenue recognition is postponed until such uncertainty is resolved.

In order to determine, if it is acting as principal or as an agent, the entity shall determine whether the nature of its promise is a performance obligation to provide the specified services itself (i.e. the entity is a principal) or to arrange for those services to be provided by the other party (i.e. the entity is an agent) for all its revenue arrangements.

### 3.6 Employee Benefits

- **Defined Benefit Plan**

The Company's Liabilities on account of Gratuity of employees are determined at the end of each financial year on the basis of actuarial valuation certificates obtained from Registered Actuary in accordance with the measurement procedure as per Indian Accounting Standard (INDAS)-19, 'Employee Benefits'. The costs of providing benefits under these plans are also determined on the basis of actuarial valuation at each year end. Actuarial gains and losses for defined benefit plans are recognized through OCI in the period in which they occur. Re-measurements are not reclassified to profit or loss in subsequent periods.

The Defined Benefit Plan can be short term or Long terms which are defined below:

**i) Short-term Employee Benefit**

All employees' benefits payable wholly within twelve months rendering services are classified as short term employee benefits. Benefits such as salaries, wages, short-term compensated absences, performance incentives etc., and the expected cost of bonus, ex-gratia are recognized during the period in which the employee renders related service.

**ii) Long-term employee Benefits**

Compensated absences which are not expected to occur within 12 months after the end of the period in which the employee renders the related services are recognized as a liability at the present value of the defined benefit obligation at the balance sheet date.

**3.7 Borrowing Costs**

Borrowing costs directly attributable to the acquisition, construction or production of an asset that necessarily takes a substantial period of time to get ready for its intended use or sale are capitalized as part of the cost of the asset. All other borrowing costs are expensed in the period in which they occur. Borrowing costs consist of interest and other costs that an entity incurs in connection with the borrowing of funds. Borrowing cost also includes exchange differences to the extent regarded as an adjustment to the borrowing costs.

**3.8 Income Tax**

- **Current income tax**

Current income tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted, at the reporting date.

Current income tax relating to items recognized directly in equity is recognized in equity and not in the statement of profit and loss. Management periodically evaluates positions taken in the tax returns with respect to situations in which applicable tax regulations are subject to interpretation and establishes provisions where appropriate.

- **Deferred tax**

Deferred tax is provided using the balance sheet approach on temporary differences at the reporting date between the tax bases of assets and liabilities and their carrying amounts for financial reporting purpose at reporting date. Deferred income tax assets and liabilities are measured using tax rates and tax laws that have been enacted or substantively enacted by the balance sheet date and are expected to apply to taxable income in the years in which those temporary differences are expected to be recovered or settled. The effect of changes in tax rates on deferred income tax assets and liabilities is recognized as income or expense in the period that includes the enactment or the substantive enactment date. A deferred income tax asset is recognized to the extent that it is probable that future taxable profit will be available against which the deductible temporary differences and tax losses can be utilized. The Company offsets current tax assets and current tax liabilities, where it has a legally enforceable right to set off the recognized amounts and where it intends either to settle on a net basis, or to realize the asset and settle the liability simultaneously.

- **Minimum Alternate Tax**

Minimum Alternate Tax credit is recognized, as an asset only when and to the extent there is convincing evidence that the Company will pay normal income tax during the specified period.

**3.9 Earnings per Share (EPS)**

Basic earnings per equity share are computed by dividing the net profit attributable to the equity holders of the company by the weighted average number of equity shares outstanding during the period.

Diluted earnings per equity share is computed by dividing the net profit attributable to the equity holders of the company by the weighted average number of equity shares considered for deriving basic earnings per equity share and also the weighted average number of equity shares that could have been issued upon conversion of all dilutive potential equity shares. The dilutive potential equity shares are adjusted for the proceeds receivable had the equity shares been actually issued at fair value (i.e. the average market value of the outstanding equity shares). Dilutive potential equity shares are deemed converted as of the beginning of the period, unless issued at a later date. Dilutive potential equity shares are determined independently for each period presented.

The number of equity shares and potentially dilutive equity shares are adjusted retrospectively for all periods presented for any share splits and bonus shares issues including for changes effected prior to the approval of the financial statements by the Board of Directors.

### **3.10 Provisions and Contingent Liabilities /Assets**

Provisions are recognized when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. The expense relating to a provision is presented in the statement of profit and loss net of any reimbursement. If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognized as a finance cost.

Contingent Liability is disclosed after careful evaluation of facts, uncertainties and possibility of reimbursement. Contingent liabilities are not recognized but are disclosed in notes.

Contingent Assets are not recognized in financial statements but are disclosed, since the former treatment may result in the recognition of income that may or may not be realized. However, when the realization of income is virtually certain, then the related asset is not a contingent asset and its recognition is appropriate.

### **3.11 Leases**

Ind AS 116, Leases (new standard on lease) is effective for the financial year beginning from 1st April, 2019. The new standard has a significant impact on the Lessee accounting and it prescribes a single lease model which requires capitalization of Right of Use (ROU) assets on the basis of future lease rentals and creations of leasehold obligation in the books of the lessee. The standard provides short term exemption and low value exemption wherein the assets and liability accounting may not be required and the lessee can record rental expenses in profit and loss. Other than these two exemptions there will not be any rent in the profit and loss and instead of rent there will be depreciation and interest cost will arise. There is no impact due to notification of this standard as the company has availed short term exemption and rent expense is reflecting in the statement of profit and loss.

### **3.12 Cash Flow Statement**

Cash flows are reported using the indirect method, whereby profit for the period is adjusted for the effects of transactions of a non-cash nature, any deferrals or accruals of past or future operating cash receipts or payments and item of income or expenses associated with investing or financing cash flows. The cash flows from operating, investing and financing activities of the Company are segregated.

### **3.13 Classification of Assets and Liabilities as Current and Non Current**

The Company presents assets and liabilities in the balance sheet based on current/ non-current classification. An asset is treated as current when it is:

- Expected to be realized or intended to be sold or consumed in normal operating cycle
- Held primarily for the purpose of trading
- Expected to be realized within twelve months after the reporting period, or
- Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period

All other assets are classified as non-current.

A liability is current when:

- It is expected to be settled in normal operating cycle
- It is held primarily for the purpose of trading
- It is due to be settled within twelve months after the reporting period, or
- There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period

The Company classifies all other liabilities as noncurrent.

Deferred tax assets and liabilities are classified as non-current assets and liabilities.

The operating cycle is the time between the acquisition of assets for processing and their realization in cash and cash equivalents. The Company has identified twelve months as its operating cycle.

### **3.14 Fair value Measurement**

The Company measures financial instruments at fair value at each reporting date. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- In the principal market for the asset or liability.
- In the absence of a principal market, in the most advantageous market for the asset or liability.

The principal or the most advantageous market must be accessible by the Company.

The fair value of an asset or a liability is measure using the assumptions that market participants would used when pricing the asset or liability, assuming that market participants act in their economic best interest.

A fair value measurement of a non financial asset takes into account a market participant's ability to generate economic benefits by using the assets in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use.

The Company uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure the fair value, maximizing the use of relevant observable inputs and maximizing the use of unobservable inputs.

All assets and liabilities for which fair value is measured and disclosed in the financial statements are categorized within the fair value hierarchy, described as follows, based on the lowest level inputs that is significant to the fair value measurement as a whole:

1. Level 1 – Quoted prices (unadjusted) in active markets for identical assets or liabilities.
2. Level 2 – Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly (i.e., as prices) or indirectly (i.e., derived from prices)
3. Level 3 – Inputs for the assets or liabilities that are not based on observable market data (unobservable inputs)

For assets and liabilities that are recognized in the financial statements on a recurring basis, the Company determines whether transfers have occurred between levels in the hierarchy by reassessing categorization at the end of each reporting period.

For the purpose of fair value disclosures, the Company has determined classes of assets and liabilities on the basis of the nature, characteristics and risks of the asset or liability and the level of the fair value hierarchy as explained above.

**Financial Risk Management Objectives and Policies**

**38.1 Financial risk factors**

The Company's operational activities expose to various financial risks i.e. market risk, credit risk and risk of liquidity. The Company realizes that risks are inherent and integral aspect of any business. The primary focus is to foresee the unpredictability of financial markets and seek to minimize potential adverse effects on its financial performance. The primary market risk to the Company is foreign exchange risk & interest rate risk. The Company uses derivative financial instruments to reduce foreign exchange risk exposures.

The senior professionals working to manage the financial risks and the appropriate financial risk governance frame work for the Company are accountable to the Board Audit Committee. This process provides assurance to the Company's senior management that the Company's financial risk-taking activities are governed by appropriate policies and procedures and that financial risks are identified, measured and managed in accordance with Company's policies and company's risk appetite.

**38.1.1 Market Risk**

**(a) Foreign Currency Risk and sensitivity**

The Company's exposure to financial risks is to a variety of financial risks, including the effect of changes in foreign currency exchange rates, if any. Foreign currency risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in foreign exchange rates. The Indian Rupee is the Company's functional currency. As a consequence, the Company's results are presented in Indian Rupee and exposures are managed against Indian Rupee accordingly. The Company has foreign currency exposure on account of import of raw material.

**(b) Commodity price risk and sensitivity**

The Company is exposed to the movement in price of key raw materials in domestic and international markets. The Company has in place policies to manage exposure to fluctuations in the prices of the key raw materials used in operations. The Company manages fluctuations in raw material price through hedging in the form of advance procurement when the prices are perceived to be low and also enters into advance buying contracts as strategic sourcing initiative in order to keep raw material and prices under check cost of material hedged to the extent possible.

**38.1.2 Credit risk**

Credit risk is the risk that counterparty will not meet its obligations under a financial instrument or customer contract, leading to a financial loss. The Company is exposed to credit risk from its operating activities (primarily for trade receivables) and from its financing activities, including deposits with banks and financial institutions.

The ageing analysis of trade receivables as of the reporting date is as follows:

(i) the principal amount and the interest due thereon remaining unpaid to any supplier as at the end of each accounting year;	16.28	62.09
(ii) the amount of interest paid by the buyer in terms of section 16, along with the amounts of the payment made to the supplier beyond the appointed day during each accounting year;	-	-
(iii) the amount of interest due and payable for the period of delay in making payment (which have been paid but beyond the appointed day during the year) but without adding the interest specified under this Act;	-	-
(iv) the amount of interest accrued and remaining unpaid at the end of each accounting year; and	-	-
(v) the amount of further interest remaining due and payable even in the succeeding years, until such date when the interest dues as above are actually paid to the small enterprise, for the purpose of disallowance as a deductible expenditure under section	-	-

The above information regarding Micro, Small and Medium Enterprises has been determined to the extent such parties have been identified on the basis of information available with the company.

**NOTE '40'**

**FAIR VALUES**

Set out below is the comparison by class of the carrying amounts and fair value of the Company's financial instruments that are recognised in the financial statements.

(Rs. in Lakhs)

PARTICULARS	Carrying Amount		Fair Value	
	March 31, 2021	March 31, 2020	March 31, 2021	March 31, 2020
<b>Financial Assets</b>				
<b>- At amortised cost</b>				
Investments	200.00	200.00	200.00	200.00
Trade receivables	2,845.24	3,164.09	2,845.24	3,164.09
Cash and cash equivalents	27.23	50.03	27.23	50.03
Bank balances other than covered above	28.87	27.35	28.87	27.35
<b>Financial Liabilities</b>				
<b>- At amortised cost</b>				
Borrowings (non-current)	119.94	18.96	119.94	18.96
Borrowings (current)	979.35	922.10	979.35	922.10
Trade payables	2,079.15	1,802.12	2,079.15	1,802.12
Other Financial liabilities	124.19	36.20	124.19	36.20

The following methods / assumptions were used to estimate the fair values:

- (i) The carrying value of cash and cash equivalent, other bank balances, trade receivables, short term borrowings, other financial liabilities and trade payables approximate their fair value mainly due to the short-term maturities of these instruments.
- (ii) The fair value of non current borrowings is estimated by discounting future cash flows using rates applicable to instruments with similar terms, currency, credit risk and remaining maturities. The fair values of non current borrowings is assessed by the management to be same as their carrying value and is not expected to be significantly different if estimated by discounting future cash flows using rates currently available for debt on similar terms, credit risk and remaining maturities.

There are no significant unobservable inputs used in the fair value measurement.
