Regal Laboratories is continuously delivering a benchmark standard Pharmaceutical Medicines to its clientele. The expert leadership of honorable Owner Mr. Ajit Singh, along with his vast experience and knowledge in the domain has helped the firm in attaining high growth amidst the other Pharmaceutical Medicines Suppliers, Exporters and Manufacturers in India. We are continuously striving to achieve client satisfaction by manufacturing and supplying quality products at competitive prices.

Infrastructure

Our infrastructure is fully upgraded to meet the bulk requirements of the clients timely and with efficiency. Our infrastructure comprises of :

- ◆ Advanced machinery
- ◆ Upgraded tools and equipment
- ◆ Transportation facilities
- ◆ Suitable hygienic environment for medicine production

Our Team

We have a team of qualified professionals who keep themselves abreast of the latest developments in pharmaceutical market and its production process. Our team comprises of :

- ◆ Medical experts
- ◆ Procurement agents
- ◆ Quality controllers
- ◆ Sales and marketing executives
- ◆ Packaging experts

Why Us?

We are one-stop destination for our clients, where varied Pharmaceutical Medicines are offered under one roof. Our fast growth in the industry has been possible due to the following factors :

- ◆ Qualitative range
- ◆ Competitive prices
- ◆ Transparent dealings
- ◆ Expert packaging facilities
- ◆ Wide distribution network
- ◆ Well-managed logistic facilities

Due to these factors, we are able to offer a broad spectrum for Pharmaceutical Medicines in the form of tablets, syrup, ointment and capsules at competitive prices.
