DOLPHIN®

ABOUT US

The leading Dolphin Group, Rajkot is a very famous brand in Indian plastic industry. The Company initiated on small scale venture and piped success, in the year 1988 and touches the sky of the fame in couple of years. It looks that we produce the pipes, but basically we pipelined the success for our millions of clients. Dolphin believes in the rhythm of quality, either a big fish or a company. We know and care for the constant pleasure of our clients. We consider them as a virtual partner of our company. They always inspire us for new horizon. We maintain their happiness by strict quality supervision and high-tech managerial skill. The Dolphin Group Manufactures & Markets a wide range of pipes & irrigation products. The Dolphin Group is a Conglomerate of Many Manufacturing house in India. The Director of the company enjoys a rich experience of 30 year in the field of producing reprocess plastic granules, Plastic color master batch, Additive master batch & Filler compound, including HDPE Pipe, Drip Irrigation, Lateral Irrigation, Mini Sprinkler Irrigation, Sprinkler Irrigation Pipe & Fittings, uPVC Pipe & Fittings, cPVC

Pipe & Fittings, PVC Pipe & Agri Fittings, SWR Pipe & Ringfit Pipe. Being a leading manufacturer and supplier of various plastic Items, fully skilled staff under the guidance of dedicated and visionary managers makes Dolphin a leader in the market. The company is also having an ISO 9001:2015, 14001:2015, 45001:2018 Certification system for the competitive up gradation of production, quality and management. The Company is approved by the BIS, GWSSB, WASMO, IKHEDUT, GGRC & Other State Government Project.

Infrastructure

We possess sound infrastructure, equipped with advanced Metoda manufacturing unit spread over a total area of 50,000 sq. feet. With a plant capacity of 7500 metric tons per annum & Nani Amreli manufacturing unit spread over a total area of 55000 sq. feet. With a plant capacity of 7200 metric tons per annum. Availability of the latest machinery from Israel & Germany Technology plants assists us in producing high quality products for our esteemed clients.
