# ABOUT US

**Amey Engineers & Traders** has experienced accelerated growth since its inception in the year 1996 under the blissful headship of the honorable Proprietor Mr. Milind J Ambardekar. The profound knowledge and rich experience of the Proprietor has assisted the company to acquire distinguished position amidst the dependable Honing Machine Exporters and Suppliers in India. The company also specializes in the dealing of CNC Machining Equipment and Milling and Lathe Machines.

## Quality Compliance

Owing to the dictum to serve flawless quality products, various stringent quality tests are conducted from the very initial stage of the procurement of raw machines from vendors to the final dispatch in the market. For fuller assurance of the quality, the tests are performed under the supervision of our quality controllers for parameters like :

- Durability
- Easy installation and operation
- Low maintenance
- Superior Performance
- Energy Efficient

## Team and Management

Under the guidance of Mr. M J Ambardekar (B.E. Mechanical), we have become able to deliver products that meet the specifications of applications in varied Private Sectors, Public Sectors & Govt. Sectors. The team is also facilitated with frequent training sessions to hone their caliber.

## Our Sales & Distribution Network

Our Sales and Distribution Network is the backbone of our consistent growth as it facilitates in hurdle free market operation. Firstly, we understand the techno-commercial requirements of the customers and then provide quotation for right model / configuration.

**Name of Proprietor**

Mr. Milind J Ambardekar

**Year of Establishment**

1996

**Nature of Business**

Exporter & Trader

# OUR PRODUCTS

## **Milling Machine**

We are engaged in offering 'SIGMA' Knee type Horizontal / Vertical / Universal Milling Machine. The Milling Machine, offered by us, is available in different sizes ranging from 1 - 2 - 3 4 to suit varied needs of the customers.

## **Horizontal Boring Machine**

We present 'WMW-New Bharat' Horizontal Boring Machine to the customers. Our Horizontal Boring Machine can be availed in various models such as BFT-80, 110 & 110/ 3 and also available in CNC version BFP-100 & 125 Floor Type.

## **Radial Drilling Machine**

We are listed at the apex in the list of the eminent Radial Vertical Drilling Machine Exporters and Supplies in India. The Radial Drilling Machine is made up of excellent quality materials that ensure high durability, tensile strength and resistivity to adverse conditions.

# OUR PRODUCTS

## CNC Lathe Trainers

We offer two types of CNC Lathe Trainers namely CNC Lathe Trainers (SS-MT-100) and CNC Lathe Trainers (SS-PT-100). The CNC Lathe Trainers, offered by us, are controlled with the help of computer using graphical user interface that allows easy operation. We are an eminent Exporter & Supplier (Trader) in India.

## CNC Mill Trainers

We are a prominent CNC Mill Trainers Exporter & Supplier (Trader) in India. We bring forth two types of CNC Mill Trainers such as CNC Mill Trainers (SS-MM-250) and CNC Mill Trainers (SS-PM-250). Our CNC Mill Trainers come with CAD-CAM compatibility and High speed integer interpolation system. Avail the CNC Mill Trainers from us in various

## Facing Machine

We are enlisted amongst the reliable Centering Facing Machine Exporters and Suppliers in India. The Facing Machine offered by us ideally designed to meet applications like centering, plunge facing, chamfering etc. External turning of the two ends of the bar stock simultaneously i.e. camshafts, crankshafts, motor-shafts, universal joints, spiders etc.

# OUR PRODUCTS

## **CNC Gear Grinding Machines**

Amey Engineers & Traders is a globally acclaimed Exporter & Trader CNC Gear Grinding Machines. We offer different types of models of CNC Gear Grinding Machines, including SBO 340 CNC Basic, SBO 360 CNC, and SBP 800 CNC.

## **CNC Gear Hobbing Machines**

We are counted amongst the prominent CNC Gear Hobbing Machines Exporters and Suppliers, based in Dombivli (West), Maharashtra. We offer high tech CNC Gear Hobbing Machines in below mentioned models :

SF 200 CNC :

SF 350 CNC :

SF 500 CNC :

SF 800 CNC :

## **CNC Gear Shaping Machines**

We are counted amongst the reliable Exporters and Traders of state of the art CNC Gear Shaping Machines. We offer CNC Gear Shaping Machines majorly in below mentioned models :

SO 400 CNC :

SO 800 CNC :

## **Gear Deburring Machines**

Being a well acclaimed Exporter and Supplier, we present highly efficient Gear Deburring Machines. The Gear Deburring Machines, supplied by us, have been distinctly known for their ultra-modern features and impressive performance. We offer these machines in below motioned model :

## **Vertical Broaching Machines**

We are looked upon as one of the prominent Hydraulic Vertical Broaching Machines Exporters and Suppliers in India. The Vertical Broaching Machines offered by us are ideally designed to meet the internal broaching operation. It saves costly floor space and reduces sag of broach. The machine is manufactured with rigid fabricated bed and hard chrome plated columns. Moreover, the below mentioned salient features have also played vital role in the enhancement of the demand of Vertical Broaching Machines.

# OUR PRODUCTS

## **Fully Automatic Swing Type Band Saw Machines**

Our range of Fully Automatic Swing Type Band Saw Machine (Model FCAF-245) is torsion and vibration free.

## **Semi / Fully Automatic Swing Type Band Saw Machines**

Our range of Semi and Fully Automatic Swing type Band Saw Machines (Model HBM-250) comes with infinitely variable band speeds and hydraulic feed system.
