

Horiaki India Private Limited

Manufacturer, Supplier and Exporter of Rubber Moulded & Extruded Parts

HORIAKI INDIA PRIVATE LIMITED is an ISO 9000-2008 certified company that deals in the Manufacturing, Supplying and Exporting of Rubber Moulded & Extruded Parts and Rubber to Metal Bonded Parts. The wide variety of products available with us are Industrial Rubber Product, Extruded Rubber Profiles, Rubber O Rings, Rubber Tubes, Rubber Gaskets, Orings and Bushes, Viton Products, Silicon Products, HNBR Products, Nitrile /NBR Products, Polyurethane Products, Rubber Dampers, EPDM Products, etc. The raw material used in manufacturing of these products is high on quality which is imported from the overseas market.

RUBBER BUSHES

HORIAKI INDIA PRIVATE LIMITED is actively engaged in the manufacturing supplying and exporting of Rubber Bushes, Industrial Rubber Bushes, Coupling Rubber Bushes Rubber Moulded & Extruded Parts and Rubber to Metal Bonded Parts applicable for use in automobile and other industries. Rubber Products, Rubber Molded Products, Rubber Profiles, Rubber Tubes, Rubber Gaskets, Orings and Bushes are some of the major products that we deliver. The availability of highly skilled professionals holding expertise in the field put efforts to raise the standards of products

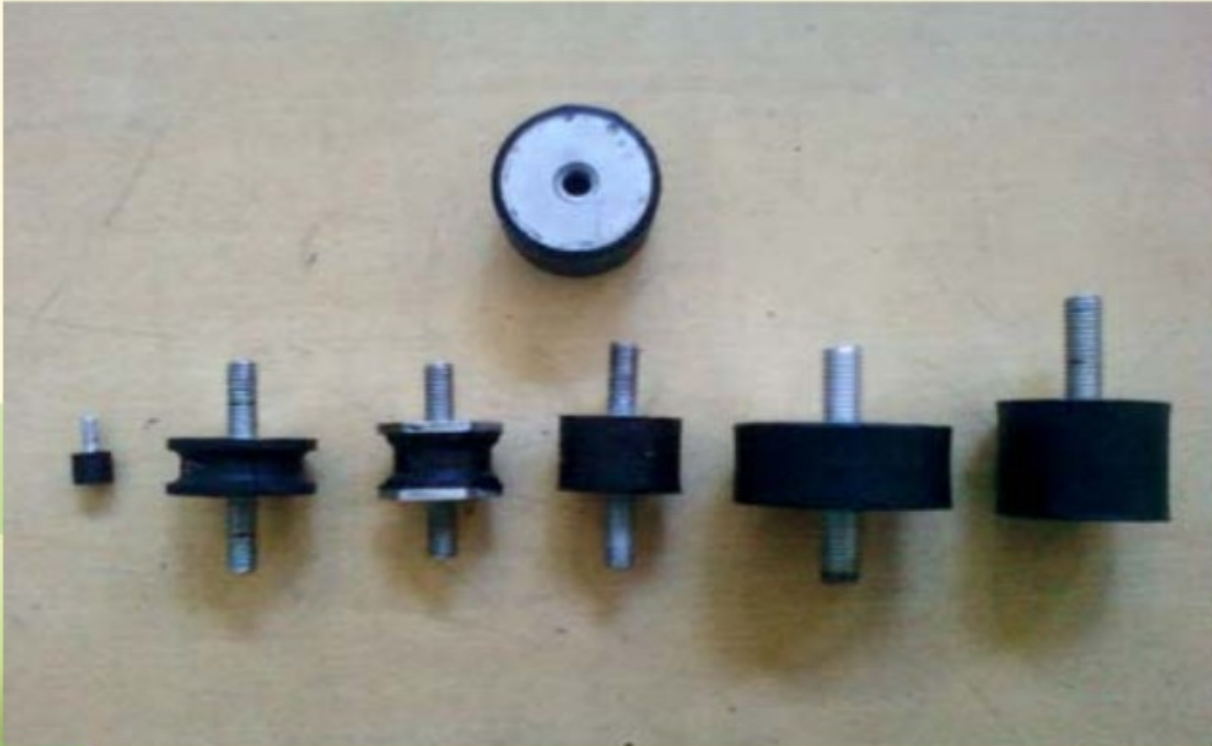

Features :

- ◆ Flexible
- ◆ Highly resistant
- ◆ Durable

Why Us?

- ◆ Highly durable products
- ◆ Competitive pricing
- ◆ Prompt delivery

RUBBER DAMPERS

We are a reputed manufacturers, suppliers and exporters of high quality Rubber Dampers. These Rubber Dampers are used to avoid noise, vibration and harness in automotives and machinery. Our Rubber Dampers are made of high quality rubber. Our cost-effective dampers are highly durable and ensure long service life. We design our Rubber Dampers as per the client's requirements. Our Rubber Dampers, Industrial Rubber Dampers, Rubber Vibration Dampers are widely demanded in market for their efficient performance.

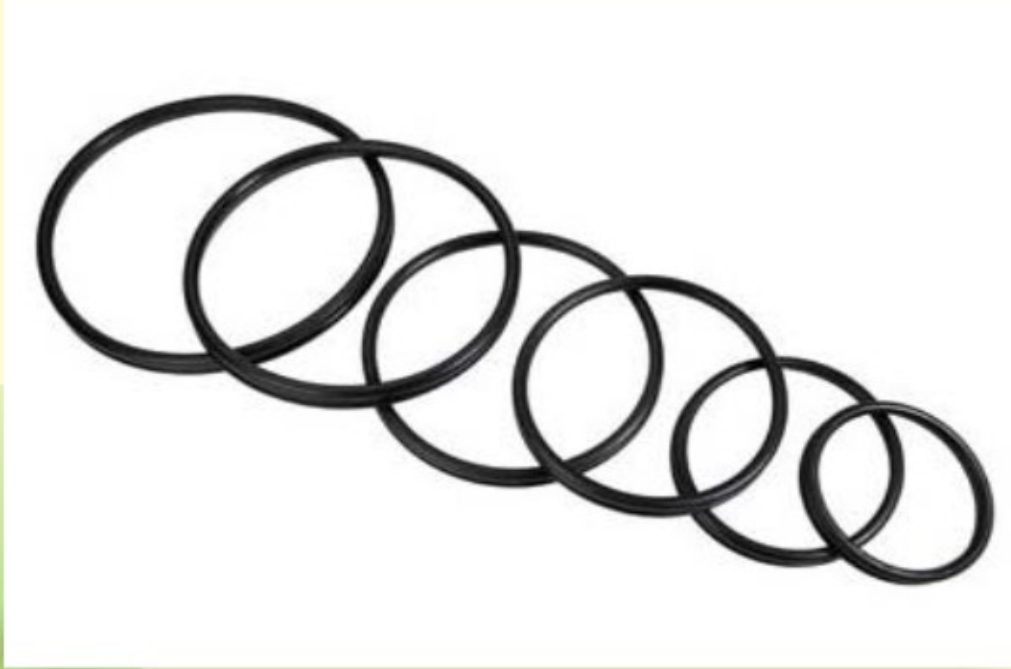

Features :

- ◆ Long Lasting
- ◆ Made from finest quality Raw material
- ◆ Control noise
- ◆ Enhanced Efficiency

Why Us?

- ◆ Best Quality Product
- ◆ Designed on Client's Specification
- ◆ Unbeatable Price

RUBBER GASKETS

We are a premium name in manufacturing Rubber Gaskets. Our widely selling Rubber Gaskets are manufactured using fine quality imported raw materials and latest technology. Our Rubber Gaskets is configured using the best quality of rubber available. Rubber Gaskets is available in a wide range of sizes and shapes. We manufacture our Rubber Gaskets, Industrial Rubber Gaskets according to customer's design, dimension and polymer at very affordable price.

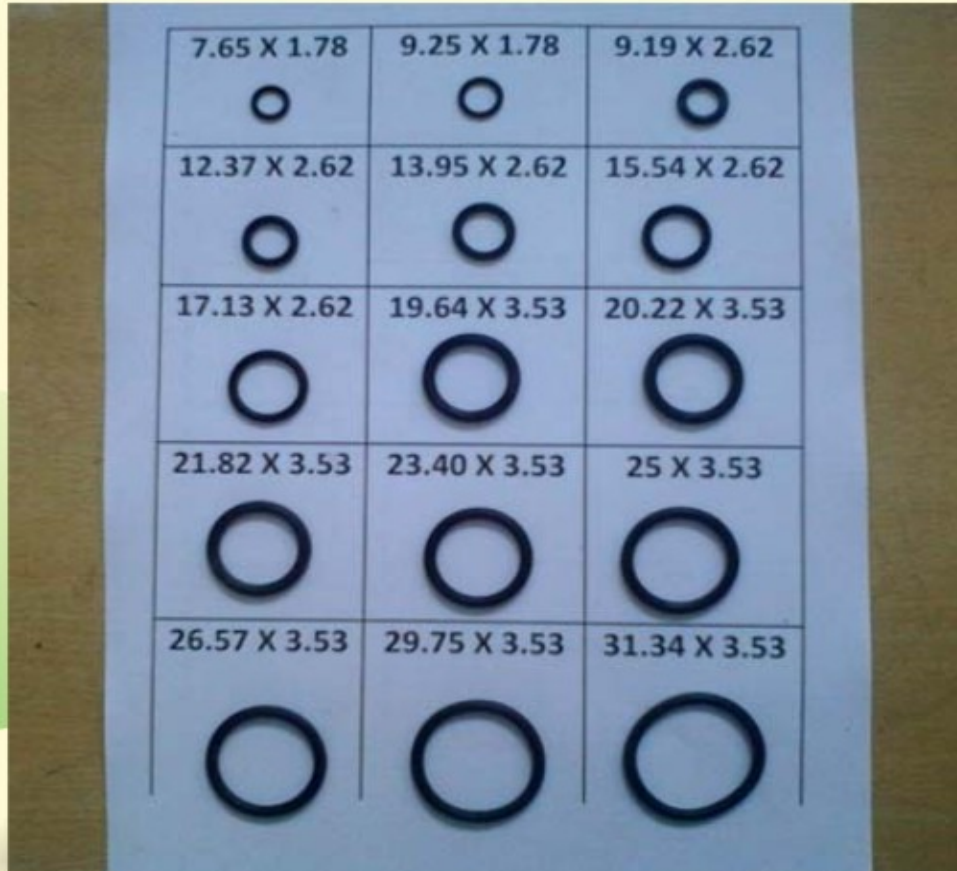

Features :

- ◆ Durable
- ◆ Highly Efficient
- ◆ Technical Configured

Why Us?

- ◆ Quick Delivery
- ◆ Technically Surround
- ◆ Cost Effective

RUBBER O RINGS

We design Rubber O Rings as per the client's specification. Our Rubber O Rings holds huge demand in various industrial applications. We deliver these Rubber O Rings in bulk quantity. Rubber O Rings are the most common seals used in machine design because they are inexpensive and easy to make, reliable and have simple mounting requirements. Our Rubber O Rings, Molded Rubber O Rings, configured from finest materials, highly techno sound machinery, and best available quality of rubber.

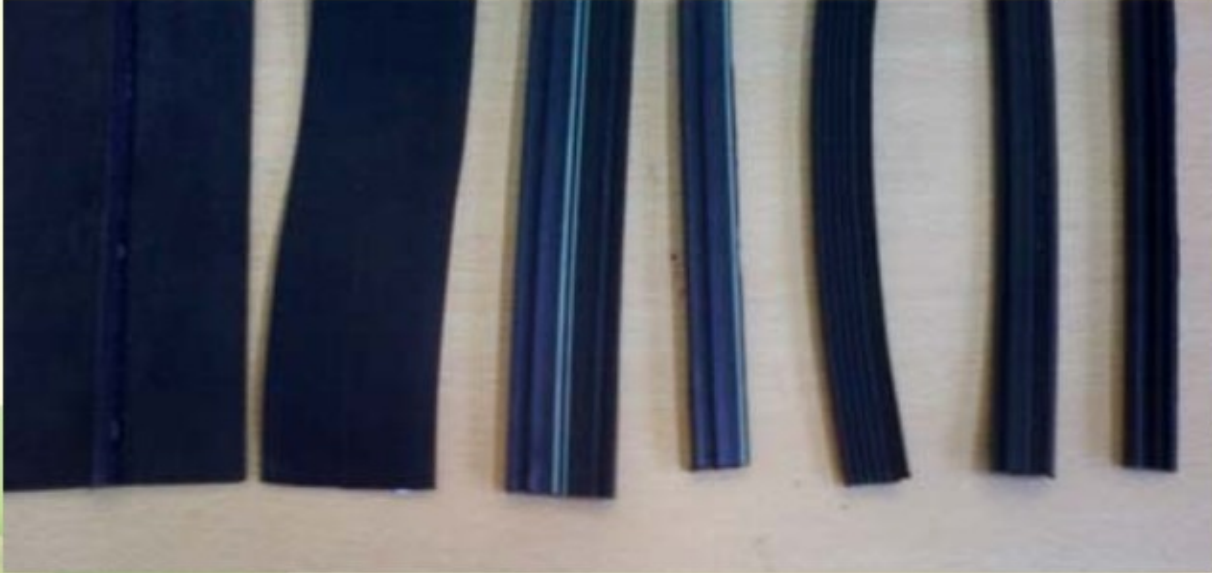

Features :

- ◆ Techno Sound
- ◆ Long Lasting
- ◆ Highly Configured

Why Us?

- ◆ Efficient Supply
- ◆ High Configuration
- ◆ Affordable Price

RUBBER PROFILES

HORIAKI INDIA PVT. LTD offer a wide range of Rubber Profiles which are extracted from superior quality rubbers. Apart from this, we also manufacture Epdm and Silicon profiles which are durable and possess high tensile strength. These rubber Profiles are adjustable and can be molded easily according to the requirement. We provide these Rubber Profiles according to the client's requirements. Our Rubber Profiles are available in wide range. Rubber Profile, Extruded Rubber Profiles, Rubber Profiles we manufacture is made up by our skillful techno sound label.

Features :

- ◆ Durable
- ◆ Highly Upgraded technology used
- ◆ Flexible

Why Us?

- ◆ Cost Effective
- ◆ Surround Work Force
- ◆ Prompt Delivery

RUBBER TUBES

We offer a premium range of Rubber Tubes highly appreciated for durable finish, high efficiency and standards. Rubber Tubes are made using high quality raw material with latest technologies. Apart from this, Silicon, NBR, and Neoprene Tubes in size ranging from 10 mm – 200 mm are also available with us. We provide the facility of customization of wires on the basis of size, shape and diameter depending upon the varying requirements of the clients. These Rubber Tubes, Silicone Rubber Tube, Rubber Tubes are resistant to high temperature and thus are capable of rendering long.

Features :

- ◆ Abrasion Resistant Finish
- ◆ Better Strength
- ◆ Durable
- ◆ High Quality Raw Material
- ◆ High Temperature Resistance

Raw Materials Used

- ◆ Natural rubber
- ◆ Synthetic rubber

Sizes Available

From 10 mm - 200 mm
