

SANSEL INSTRUMENTS AND CONTROLS is a leading organisation that has established itself in the manufacture of Calibrators, Process Control Instruments and Analytical Instruments And NABL (ISO IEC 17025 standard) accredited Calibration laboratory.

Sansel Instruments and Controls and Sansel Calibration Laboratory

ABOUT US

SANSEL INSTRUMENTS AND CONTROLS is a leading organisation that has established itself in the manufacture of Calibrators, Process Control Instruments and Analytical Instruments. And also we are ISO/ IEC17025 Standard Accredited Calibration Laboratory approved by NABL, India, in the field of Thermal, Mechanical, and Electro-Technical Parameters.

Established in the year 2000, we, Sansel Instruments And Controls are a leading manufacturers and service provider for exporters of Calibration Equipments, process control Instrument and Analytical Instruments Offered products range consists of Temperature Calibrator, Humidity Temperature Calibrator, rpm calibrator, pressure calibrator, Data Logger, 51/2 digit process indicator, flow totalizer, temperature controller, humidity temperature indicator, Timer, Counter, Rpm Indicator, Jumbo Process Indicator, controller, Table Top Model PH, TDS, conductivity, ORP Meter, Online Application PH, TDS, conductivity, ORP Indicator, controller and transmitter. These are manufactured under the direction of experts. Apart from this, these products are admired for their long service life, easy to use, strong construction and user-friendly. Additionally we are also ISO/ IEC17025 Standard Accredited Calibration Laboratory approved by NABL, India, in the field of Thermal, Mechanical, and Electro-Technical Parameters offering Calibration Services to our valued clients.

We have incepted a huge infrastructural facility. Our manufacturing facility is loaded with innovative technology-based Automatic Pick & Place soldering machines and high precision Testing and calibration equipments in tune with the quality standards. Moreover, our equipments meets a high level of quality standards. Further, we have established a spacious warehouse that is facilitated with all the necessary tools. Also, our products are packed using supreme quality packing material to protect them from damages during shipping Across The World.
